NEW YORK STOCK MARKET.

Considerable Uneasiness Displayed,
With Railroad Securities Lower.
NEW YORK, June 11.—After a day of great irregularity in the movement of prices and an extremely marrow interest in the market prices of stocks closed generally lower, and on the down grade. There were one or two periods of firmness and a few special features of strength, but practically all the gains were wheel on the particular and the generally higher, in sympathy with a better tone abroad. Estimates by arbitrage houses of buying for London account place the number of shares of the seneral list at upwards of 20,000. Advantage was promptly taken of this London buying to realize, and the level of the market fell below faturday's closs. Missouri Pacific ran off over a point, and the grangers were under pres-Considerable Unenstuess Displayed. Faturday's close. Missouri Pacific ran off over a point, and the grangers were under pressure on the ground of continued drought in the Northwest, to which was attributed the furiouslik active and, excited wheat market. Huving of Beading first preferred and of Northern Pacific turned the tide of prices upward again. The trusk line 'railroad stocks, led by Baltimore & Ohio, showed some degree of strength. The late reaction in the market had its inception in Northern Pacific. Foreign Financial News.

NEW YORK June 11.—The Commercial Ad-certiser's London financial cablegram says: There was little new business in the market here today because of the settlement today. The tone, bowever, was harder, especially in are tone, however, was harder, especially in investionant securities, the public having been accustomed to the troubles in China. Americans were bought quietly here, the Continent assisting slightly, but finally they sagged on New York offerings. Paris supported conversionares. Money rates were unalizered, although the County Council five-million loan will be raised this week.
