A BUILDING GOVERNMENT BUILDINGS
Three Documents Have Authorized the Progress of the Town.

BOISE, Aug. 30.—The Boise & Santa Fe railroad has erected a new station building at its gateway, and will use this as a passenger depot. The building is designed by Mr. D. C. W. Biddle, and will be completed in a few weeks. The roof is of tile, and the walls are of brick. There is a large waiting room, and a ticket office. The station is located at the north end of the city, near the line of the railroad.

WASHINGTON, Aug. 29.—From this city, where the Democratic convention is to be held, political matters have been discussed extensively. The delegates have been divided in their opinions, and the candidate for the nomination of the party has not yet been decided. The convention is to adjourn on Aug. 30.

A HUCKLEBERRY RECORD.
A New York man, who has just returned from his summer's huckleberry campaign in the mountains of Oregon, says he has gathered over 2,000 bushels of huckleberries during the season. He has been in the mountains for three months, and has been successful in his efforts. The huckleberries are now ready for market, and will be shipped to New York.

HARDWOOD SAW MILL.
A new company has been formed to establish a hardwood saw mill near the mouth of the Boise River. The mill will be built at a cost of $50,000, and will be operated by Mr. J. B. Wood. The mill will be supplied with water power from the river, and will be equipped with the best machinery. The lumber will be cut from the magnificent hardwood forests of the north.

THE INTERMOUNTAIN PARK.
The Interstate Park, which is now under construction, is expected to be completed in a few months. The park will be located on the site of the old Union Pacific railroad, and will be an imposing structure. The park will be 600 feet long, and will be furnished with all the necessary facilities for the enjoyment of visitors. The park is expected to be a great tourist attraction.
