Autumn Millinery Opening

Today we make our semi-annual display. It is a most worthy accomplishment, and its fruits show more style and distinction than the entire balance of the year's work. Here are gathered the best ideas of every Paris and New York studio of note, arranged side by side for your inspection, comparison, and evaluation for selection. The entire collection is most cordially extended to all the lovers of the fashion of today.

And in connection with the millinery we exhibit a rich array of hat arrivals of ladies' stylish costumes—Sweatresses, Automobiel Coats, Traveling Coats, Blue Linen, Jackets, Does Skirt and Water. The choice of originals is, as usual, remarkable throughout the entire collection, and will be enjoyed by the discriminating dressers of Portland.

New arrivals in fancy Golf Coatings, Kearsery and Cape Cloths.
