A high-pressure area of considerable magni-tude is central this evening of the mouth of the Columbia River. The pressure is lowest over (wiferens. With the exception of a few light scattering showers along the coast, generally treather has prevailed in the North Pa felt reaction has prevaled in the North Pa-cific States during the last 12 hours. The temperature has falles over Eastern Oregon and Eastern Washington, but elsewhere a suight rise is noted. It is generally below the normal cast of the Cascades. The Indications are for far and warrows weather in the first trict Friday,
