THE ELECTION IN HAWAII. EASY VICTORY WILL PROBABLY BE WON BY NATIVE TICKET. Voters Are More Interested in Local Legislators Than Representatives to Congress.

WASHINGTON, Oct. 24.—While the country has been overwhelmed with reports on the political outlook in this and that state for many weeks past, up to this time little has been heard of the sentiment of the people of Hawaii. Mr. K. Brown, immigrant inspector at Honolulu, recently called on the President, and while there discussed the political situation in the islands. He says that the people of the islands manifest a deep interest in the political situation, both in the United States and at home. At the coming election in November it is expected that the native will overwhelm the white voters and elect a delegate to Congress and also carry the Territorial Legislature. The natives are much more deeply interested in the legislative election than in the election of a delegate. In Hawaii, three parties now exist, the Republicans, the Democrats and the natives or Royalists. The Democrats have

A Society Woman Undergoes a greater strain than is generally realized, and every woman is a society woman in her own circle. The debts of society are many and must be paid, or there will come social bankruptcy, and it is in the punctual payment of social debts, regardless of health or feelings, that women often lay the foundation for serious illness. The late hours and rich foods, common to society gatherings, soon or late derange the stomach; the liver, perhaps, becomes involved, and the heart flutters or palpitates. There is no medicine for the cure of diseases of the stomach and organs of digestion which can equal Dr. Pierce's Golden Medical Discovery. It heals the stomach, purifies and enriches the blood, cleanses the clogged liver, nourishes the nerves and gives face and form the radiant beauty of health. "Golden Medical Discovery" contains no alcohol, and is absolutely free from opium, cocaine and other narcotics. Mrs. L. Hedgecock, of Dozier, Collingsworth Co., Mo., writes: "I was troubled for several months with indigestion and liver complaint, and received most benefit from the use of Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' than any medicines I have ever tried."

A Society Woman Undergoes a greater strain than is generally realized, and every woman is a society woman in her own circle. The debts of society are many and must be paid, or there will come social bankruptcy, and it is in the punctual payment of social debts, regardless of health or feelings, that women often lay the foundation for serious illness. The late hours and rich foods, common to society gatherings, soon or late derange the stomach; the liver, perhaps, becomes involved, and the heart flutters or palpitates. There is no medicine for the cure of diseases of the stomach and organs of digestion which can equal Dr. Pierce's Golden Medical Discovery. It heals the stomach, purifies and enriches the blood, cleanses the clogged liver, nourishes the nerves and gives face and form the radiant beauty of health. "Golden Medical Discovery" contains no alcohol, and is absolutely free from opium, cocaine and other narcotics. Mrs. L. Hedgecock, of Dozier, Collingsworth Co., Mo., writes: "I was troubled for several months with indigestion and liver complaint, and received most benefit from the use of Dr. Pierce's Golden Medical Discovery and 'Pleasant Pellets' than any medicines I have ever tried."
