Appointment of a Receiver. WASHINGTON, Nov. 18.-Controller of the Currency Dawes has appointed Oliver P. Tucker, National Bahk Examiner, tem-porary receiver of the German National Bank of Newport, Ky. Mr. Tucker tele-graphed the Controller that he had taken charge, owing to the discovery of a de-falcation amounting to about 1155,600, and thereupon the controller spointed bin temporary receiver. The officials here consider it astonishing that a defalcation amounting to more than the reserve of the bank could have remained undiscor-ered for any length of time, but they at-tempt to offer no explanation, as Mr. Tucker has not yet furnished any details made in May last. The following is a statement of the condition of the bank, as shown by its sworn report to the Con-troller of the Currency, under date of Beptember 5: Lasballites-Casilial stock

everything is contrariwise. Lewis Car-roll would have been much interested to isarn that one of his whimsicalities, the cleaning of boots with whiting instead oral rule the women wear socks and the men stockings. Battledore and shuttle-cock is played by us with both hands, but a Chinaman uses his foot and kicks the shuttlecock. Black is mourning with us; while, gray and blue with the Chinese. Turning to literary and scientific mat-ters, tops-turydom is still rampant. In Chinese books the end is the begin-ning and the heriphing is she and. 25,000 00 1,051 25 In Chinese books the end is the begin-ning, and the beginning is the end; the lines of printing are perpendicular in-stead of horizontal, as with Western na-tions. Footnories are on the top margin (except the Irishism), or occur in the body of the text, and the title is on the edge. The Chinese compass points to the south, not to the north, and instead of talking about porthwest motheset and talking about northwest, northeast, south-east and southwest they say wesinorth, eastnorth, eastsouth and westsouth. Fractions with them are turned upside

defeat are as follow: "The cause of Bry-an's defeat is the fact that he was too radical in the stand taken. Morally and SEATTLE, Nov. 18 .- Dufferein Patullo, chief cierk of the Gold Commissioner's ethically, he was right, but it is now a proven fact that he was far in advance of the majority. In order to be success-tul at the polls nothing can be advocated which does not meet with the approval. enter cierk of the decid Commissioners office at Dawson, estimates the past sea-son's Klondiks cutput of gold at \$20,000,-600, as against \$17,600,000 for 1829. Next year's gold output of the Klondike, Pa-tullo thinks, will reach \$50,000,000. Of this year's shipments of gold, United States Consul McCook has a record of \$14,600,000.

which does not meet with the approval, not only of advanced thinkers, but of that great majority easily influenced by immediate surroundings. Burke, the English statesman, long argo indi it down as a fundamental proposition that in the government of a people not abstract right but appediency must be followed. When I first read this I was disposed to doubt its correctness but sorround instractors its correctness, but sorrowful experience has convinced me of the substantial truth of the statement." Attorney-General Vance gives the fol-

lowing reasons for the losing fight of the Demogratic candidate: "A general belief among the voters that any change in the Federal Government might inter-rupt the comparatively prosperous conditions existing. A determined combination of

## HARRISON IN TROUBLE. Ran on Sand Spit While Coming Out

# of Umpqus.

ASTORIA, Nov. 12.-The report reached here today that the steamer W. H. Har-rison had mist with an accident at Umpus. While she was coming out of that ort she ran on a sand spit and had her adder carried away. She will have to he laid up there for repairs.

### Repairs on Robert Dollar.

The steam schooner Robert Dollar was taken alongside the wharf today and began discharging 20 tons of coal so as to lift her out of the water above where she has been leaking. Repairs are also being made to the main steam pipe, which she has been leaking. Repairs are also being made to the main steam pipe, which was leaking. She will not be ready to go to see for several dars to see for several days.

Foreign Vessels to Fly Yellow Fing. Dr. Hill Hastings, United States quar-antine officer at this port, has issued an order that any vessel coming from a for-eign port, except Canada, shall display a eign port, except Canada, shall display a spallow flag and permit no one to hold communication with them until she is re-leased from quarantine after examina-tion by the proper authorities.

### DISASTERS TO VESSELS.

#### Work of Lifesaving Service During. Past Fiscal Year.

Past Fiscal Year. S. I. Kimball, general superintendent of the Life-Saving Service, in his annual re-port to Secretary Gage, mays that at the close of the fiscal year the establishment embraced 20 stations, 19 being on the Atlantic, & on the lakes, 18 on the Pa-cific and one at the falls of the Ohlo, at Louisville, Ky. The number of disasters to documented vessels within the field of coverations of

The number of disasters to documented vessels within the field of operations of the service during the year was Md. Theta were on hourd these vessels 2555 persons, for whom 200 were saved and is lost. Bit hundred and seventy-three ablp-wrecked persons received succent at the stations, to whom 1457 days rallef In the stations, to whom 1457 days rallef In the stations to whom 1457 days rallef In the stations of the vessels involved in disaster was Milligo, and of their cargoes, R.MA.-60, making a total value of property im-periled 55.5% lost. Of this amount 57,254.60 was saved and 23.255.5% lost. The number of vessels totally lost was 61. of vessels totally lost was 61.

and respected. The "king" of a clan of Chinese vagabonds of these classes de-

merchants by undertaking to keep their shops, stores, and houses free from the particular peats which he controls. From these two sources he realizes a large income, and is enabled to live in a large house, and keep up great style in his mode of life. Each clan has a particular astroit of the div style over to its come cistrict of the city given over to its oper-ation, beyond which its members are for-bidden to stray. Horrible self-mutilations are practiced

BEGGAR KINGS IN CHINA.

Petitions Are Commands. London Express. If you want to grow rich in China be-

by the beggars of China in order that their deformilies may excits compassion and lead to profit. If you see a blind man soliciting aims in a Chinese streat, it is 10 to 1 that he has himself destroyed his sight. On certain days the beggars so about in sames of from 50 to 10. source of income. A large percentage of the profits made by his subjects is claimed by him, and wee betide them if they at-tempt to cheat the autocrat. And, if a foreigner is robbed, he generally can,

Every Chinese city has a leper house outside its gates, and most of them have two or more. As in the cases of the beg-gars and thieves, there is an executive head, called the "king of the lepers," who controls all lepers and makes rules and controls all lepers and makes rules and compacts, which must be observed. and compace, which must be observed, rease unfortunates are numerous through-out the empire. When in the first stage of the disease they are brought to the leper houses. Good care is taken of them as long as their relatives can meet the demand of the "king."

demand of the "king." But no matter how wealthy their fami-lies may be the "king" eventually drains them of every penny, and both the leper and his relatives often have to turn beg-gars. The poorer lepers are assigned to misersble, unclean huts, providing poor shelter against bad weather.

# ADDITIONAL TOURIST SERVICE.

ADDITIONAL TOURIST SERVICE. The rapidly increasing travel via the Ric Grands Western Rallwar has neces-slitted inaugurating another through tourist car line to the East. The new cars leave Shit Lake every Wedneeday, via the Colorado Midland and Burlington Route, without change of cars, multing connections with trains leaving Portland every Monday. This pervice is in ad-dition to the seven other personally con-ducted excursion cars, dyerated via the R. G. W. Ry, in connection with the D. & R. G. C. R. L & P. Hilmeds Con-tral, Missouri Pacific or Burlington routes, to all points East. For tickets, information or Hiterstore, call on or Address J. D. SENSATIONAL MURDER CASE.

### Pennsylvania Minister Accused of Killing His Wife.

WILKESBARRE, Pa., Nov. 19.-A ser and lead to profit. If you see a blind man soliciting alms in a Chinese street, it is io to 1 that he has himself destroyed his sight. On certain days the beggars go about in gange of from 50 to 150. On these cocasions shopkeepers are only too glad to comply with me "king's" de-mands for blackmail, in order that his subjects may be kept out of their shops. A king of Chinese thieves knows every-thing that goes on in his district. He knows who committed certain theirs, and where the stolen property is. He, like his brother of the beggars, has a double source of income. A large percentage of the profits made by his subjects is claimed sational murder mystery has developed cloue circumstances have been brought to light and the body was exhumed and an autopsy will be held. The reverend gentieman was asked to account for some money belonging to the church, which he failed to do and he rasigned his pastorate and left for Philadelphia Stu-art was arrested in Philadelphia tonight. The warrant charges murder and abor-tion

and instead of four-sevenths a Chi-naman will say sevenths-four. Lasily, we may note that man is the beast of burden in a great part of China, and not only does the coolle carry his fellow-creature, but will even perform the same office for his pig.

# Hunting Birds With a Camera.

The World's Work. . Only at first did the owners of the war-Only at first did the owners of the war-blers nest object to my introding, and by various methods did they try to coar me away from their home. First one and then the other would feign broken wings, and, half rolling, half scrambling, they would make their way down the steep hillside, in the hope of luring me away. Then, finding that I was not to be tak-en in even by such an artful device, they endeavored to accomplish their object by on in even by such an artful device, they endeavored to accomplish their object by scolding at me. In less than two hours they quieted down and simply looked on in silence. The next time I visited the next they made no objection, and I im-agined they recognized me, and realized that I meant no harm, either to them-selves or to their young, for these had hatched since my last visit. Day by day I came to watch the little fellows, and they give wrandly, as all young hirds do they grow rapidly, as all young birds do. Finally they were ready to make their first venture into the great world that, should no accident befail them, was to be their feeding ground for many years to co

be their feeding ground for many years o come. A fooked into the next the family of fedgiings scrambled out, as though they as a stream of the second stream of the second and in less time than it takes to fell if eathers were hidden among the dead, crackling leaves with which the ground to show the second stream of the second crackling leaves with which the ground the second stream of the second stream of the second stream of the second tasif, it was some time before I collected them all, preparatory to photographing them of course the parents were greatly whom they had considered a friend they saw the entire brood captured by one whom they had considered a friend they sected to regret having placed so much foundance in me. But only for a very show as I placed the young stream a mit-able perch they both ceased to utter that being note of anxions protestation, and, to show that they on longer framed ine, they hopped about on the camera while I was arranging it.

tion of capital to prevent no individual of avowed opinions against trusts to be elected President. A disinclination of the general public west of the Missouri Riv-

er to throw down a war Administration." Mr. Vance believes the future of the Democratic party should and will be a Democratic party should and will be a steady, adherence to its policy in oppo-sition to imperialism and militarism in any form, from the importation of Asias-ic labor to combinations of capital in trade. He is also of use opinion that the monetary reform as announced in the Chicago and Kansas platforms will con-tinue to be a paramount issue." tinue to be a paramount issue." Supreme Judge White said: "I think Mr. Bryan's position on the question of the retention of the Philippine Islands lost him many thousand votes in the State of Washington and throughout the Nation. On this question the old soldiers and their friends they could influence were against Mr. Bryan and the Democratic platform. As to the policy of the Democratic party in the future, I think it should drop all this talk about free sliver and work for live issues."

IDENTITY OF OMAHA SUICIDE.

An Alaska Mining Man-How He Came to Have Scattle Bank Drafts. BEATTLE, Nov. 18 -- Acting Chief of Folice Meredith today ascertained the identity of Harry R. Wilson, whose sul-cide in South Omaha, Friday, attracted considerable attention, on account of the finding of papers and bank drafts among his effects indicating that he was a resi-dent of this city. Wilson was a mining man, and until re-

Wilson was a mining man, and until re-cently resided at Juneau. He owned an interest in the Gold Hill placer claims at Dawson. He arrived in this city from Juneau September 29, and registered at a local hotel, where he remained for several days. He deposited over \$10,000 in a local bank, and had certified checks for the around in his nessession when he arded amount in his possession when he ended his life

his inc. George McCord, of this city, knew the sulcide, and met him while he was quar-tered at the Hotel Northern. McCord has no idea what prompted Wilson to self-destruction, as his business affairs ap-peared to have been in excellent shape.
