Her Majesty Corsets

PARTICULARLY GOOD FOR STOUT WOMEN.

No corset in the world is equal to Her Majesty's for stout women's wear. This has long been an accepted fact, and no other corset has yet been devised that will match it in merit. Its ability to give to all figures the now much-desired straight front effect, to reduce the size of the waist and to mold the figure generally has made Her Majesty's pre-eminent in the corset world.

Why not try it?
