guilty in both instances. probable that a reward of 23000 will be offered for the arrest of the assassin livided as follows: State, 11000; county CENTRALIA, Wash., Nov. 30.-The Farmers' Institute, to be held here De-cember 7-8, promises to be well attended \$500; citizens of Castle Rock, \$500.

\$10,000 Damages for Assault.

VANCOUVER, B. C., Nov. 20.-A spe-cial from Ressland says that Justice Walkom, of the Supreme Court, has awarded 20.00% to James Langies, and against M. Conner, of Grand Forks. The action arcse out of the assault of Langley by Conner, at Sheep Creek. In Sep-tember, 1855. The assault was the result of a dranken row, Conner assaulting Langley with an ax, crushing in his skull and most horribly mutilating him. Langley is in such a condition, physically and mentally, that he can never hope for re-covery. Conner was tried for attempted murder, and was found guilty, but the ury considered that he was not respo him to the asylum. He is now out on suspended sentence.

Effort to Pardon Oregon Criminal.

ALBANY, Or., Nov. 26-The recent ac quittal at Roseburg of B. F. Harvey charged with assault upon Winnie Thorn of Coltage Grove, neveral months ago, has excited general interest here in the case of Hugh Patterson, of this city, who is serving a five years' sentence in the Penitentiary for the same offense. It is the general opinion that the two men were guilty or innocent alike, and there has been begun an effort to secure the pardon of Patterson. The father of the young man is now in Reschurg with a pe-tition, working among the jurymen and others connected with his son's trial.

Three Boys Held for Robbery.

ALBANY, Or. Nov. 30.-A boy named Wade and two brothers named Hancock were brought to Albany today and placed in the County Jail to await the action of the next Circuit Court, on the charge of breaking into and robbing Hamilton's store, at Holley. One more boy not yet avrested is implicated. All are under 20 years of age,

Committed for Trial.

VICTORIA, B. C., Nov. 30.-Eugene Brooks, Zionite eider, and W. Maltby, one Brooks, Zionite eider, and W. Malt of his followers, today were con for trial on the charge of causing th denth of Maltby's 6-year-old son by with-holding medical attendance when he was suffering from diphtheria.

LAND COTTEST CASES.

Seven Declded by Vancouver Officials -Homestead Scillers Gain Victory,

VANCOUVER, Wash., Nov. 20.-The Register and Receiver of the United States Land Office here have been busy this week examining the testimony and passing upon contest cases involving lands in townshins 4 and 5 north range t east, recently thrown open for settle-ment. An unusually large number of contests followed the opening of these townships between homestead settlers ind scrip purchasers. The land is heav-ly timbered, and, being near the survey

and right of way of the Portland, Van kima Rallway.

ing Company is in position to continue de-velopment of its property. Under the condition of the bond and agreement by which the company operates, 300 feet of crosscut tunnel must be driven by July 1 1991, at which time the purchase price be-comes payable. The company, with handdrill, has driven in on the old lower tunnel of the California about 100 feet. A tunnal of the California about tw teet. A new two-bar power plant is now being in-stalled, with 70 horse-power. The air compressors in this plant will operate three or four drills, and work will be pushed with greater speed than hereto-fore. The compressors have not arrived yet, but are expected soon.

fore The compressors have not arrived yet, but are expected soon. At the Baby McKee mine considerable development work has been done in the past year. This corporation's interests are managed by Colonel J. T. Grayson, of New York. There are five cialms in the Baby McKee group, the most import-ant ones being the Baby McKee. Goldbar, Pittsburg and Checknatt. The properties are located at the head of the north fork

are located at the head of the north tork of the John Day River, just across the di-vida from the California properties. A deep tunnel it is said, has been started deep tunnel it is said, has been started on the Baby McKee, which will be 2500 feet in length when completed. At the present time, the company is installing a power plant for more energetic opera-tions. It has erected Winter quarters and buildings that cost \$200 and will ac-commodate 40 men. It is plainly evident that the company will push its work en-ergetically. Most of the work done the most work way at the old Raby McKee past year was at the old Baby McKee tunnel, which is much further up the hill than where the new tunnel is being driven. The latter is but fairly started, and has only progressed about 100 feet. This is the beginning of the long tunnel which, it is understood, will be completed

ASTORIA, Nov. 30 .- Bids were opened this afternoon for the construction of a as soon as practicable. It is reported that a Massachusetts company has bonded the Gynsy King and Queen mines. These properties are arross the divide from the California, and near as soon as practicable. three-story store building on Commercia three-story store building on Commercial street for J. D. McGowan. It will be oc-cupled by Heilborn & Son for their furni-ture business. The lowest bid was sub-mitted by C. G. Palmberg, and was \$3504. The electric wiring will be done under a separate contract. the Baby McKee. The management has propared to go into Winter quarters, and six or eight men are now employed. The object of this Winter's work is to drift shows a ledge upwards of two feet in thickness, and which has run as high as
