IT WAS A HUNG JURY

Jurymen Stood Nine for Acquittal and Three for Conviction—New Trial in the Spring.

THE SIX-DAY RIDERS.

Six Men Are Still in the Race—Behind the Record.

NEW YORK, Dec. 14.—The six weary six-day riders, contesting for fame and money, kept grinding out mile after mile during the day and evening, at the rate of about 18 miles an hour, and at 10 o'clock the leaders had covered 234 miles and seven laps, with the third team just one lap behind. All the contestants in the big race were reported to be in such shape as will insure their continuing to the finish at 10 o'clock tonight.

Madison-Square Garden was taxed to its utmost capacity last night, the spectators rising to their seats and cheering madly when any of the riders made an effort to forge ahead. The leading teams in the race, Elkes and McFarland, and Pierce and McEachern, are always on the alert to catch the other napping, then to shoot down from the high bank on either side of the garden in a frantic effort to gain the coveted lap which would probably settle the affair. McEachern got a good start on the bunch at 8 o'clock last night, but Elkes was not after him, and McEachern had to come back to the others after getting a merry clip for a few minutes.

The feature of yesterday's riding was the performance of Kaser, the seemingly tireless partner of Ryan, who at 5 o'clock yesterday morning, by a marvelous burst of speed, stole a clean lap on the racers and repeated the performance shortly after 10 o'clock yesterday afternoon. This time, however, having to circle the track over 20 times, or two miles, before he caught up with the bunch. Last evening Major Taylor established a new indoor world's record for one-quarter mile, paced, making the distance in 25.43 seconds. At the end of the fifth day the six-day riders were 52 miles behind the record made by Walter and Miller last year. The 2 o'clock scores were as follows:

Elkes and McFarland..... Miles. Laps.
Pierce and McEachern.....
Sinar and Gougoltz.....
Kaser and Ryan.....
Fisher and Frederick.....
Waller and Stinson.....
Rabcock and Armstrong.....
Turville and Gimm.....

THE LEAGUE MAGNATES.

Concluded Their New Year Meeting—What They Accomplished.

NEW YORK, Dec. 14.—The National League magnates have completed their annual winter meeting, and by midnight tonight the majority of them had left New York for their homes. The magnates spent five days trying to straighten out certain matters, but their success has been far from flattering. The chaos that existed in baseball before the annual winter session was begun still exists. The chances of another baseball war are just as good as they were Monday. The olive branch has been held out neither to the Players' Protective Association nor to the National American League.

During the meeting the magnates carried down the Players' Protective Association flatly by refusing the players a rehearing of their demands, decided upon a 10-game schedule for next year, decided that the schedule should be arranged that the Eastern Clubs will finish the season in the West this year, ratified an agreement by which no club shall carry more than 16 players during the season after May 15, and awarded franchises of St. Paul, Minneapolis and Kansas City to the Western League.

As soon as the league had adjourned the new baseball season, the players went into executive session and listened to the application of T. J. Hickey, George Tebeau and C. J. Beall, representing the Western League. They agreed to give the territory recently abandoned by the American League, viz: St. Paul, Minneapolis and Kansas City. They also asked to be placed in class A, which puts them on a footing with the Eastern League.

Western League will now be composed of eight cities. Besides the ones awarded tonight, the circuit will include St. Joe, Denver, St. Louis, Sioux City or Pueblo, and Omaha.
