Xmas Enthusiasm Here

A pessimistic fellow said to us the other day that he thought the Christmas "Craze," as he pleased to term it, would soon die out. Never, let us hope, will such be the case. No Christmas time! How selfish we should all become! What a bright spot would drop out of life! No, Christmas shall continue to be merry Christmas. If you are sort of an old chronic, haven't any sympathy for youth and the Christmas pleasures, just get inside of this big Christmas store as soon as possible and absorb some of the holiday spirit that's everywhere here. Full of Christmas folks and enthusiasm these days during morning, afternoon and evening.
