A station-master of the Frazerburg road has solved a number of cases marked "condensed milk," addressed to Frazerburg, which contained 3000 split buildts, 500 detonators and 150 pounds of dyna-

General Kitchener has sent a dispatch to General Forester-Walker, in command of the British forces at Cape Town, saying:

that he hoped at the end of the war to be able to divide the remaining stock among the various sufferers. No one, he prom-ised, would be sent out of the country, but all who had fought fairly, including the leaders, would receive the considera-tion due their rank. He advised the for-mation of a local subcommittee to send accepts to the Bear commandees explainagents to the Boer commandoes, explain-ing that they could communicate through the central committee and the Military

pression that the machine is disabled for good. He does not seem to know that the machinery can be renewed in any fractured or worn portion, and he will store the vehicle away until some one tells him different. If horseless vehicle-makers had a representative on the ground to be responsible for the machine, troubles of this sort would be avoided.

WASHINGTON, Jan. 3.-The Navy Department today issued orders detaching Rear-Admiral Kauts from his post as Commander-in-Chief of the Pacific sta-tion, to take effect January 28. Admiral Kautz' retirement will take place soon afterwards. He will be succeeded by Rear-Admiral Casey, commander of the Philadelphia navy-yard. Bear-Admiral G. W. Sumner has been detached from the command of the Port Royal station, and will succeed Rear-Admiral Qusey,

The Sandwich Men of East London, Sir Walter Besant in the Century. They walk between the boards all day long for a shilling. It is work which makes no demand upon them. They slow-ily and mechanically plod along, each fol, lowing the man before him. If you watch the sandwich man you may observe that he looks neither to the right nor to the left. His face expresses no emotion of any kind; he feels no interest in any-thing. He is like the hermit, or the rec-line or the anchorite-inclusus. He is dead to the world-a man without friends, without money, without hope, without money. without money, without hope, without remas, without money, without hope, without re-sources, without the power of work, with-out strength of mind to resolve, without will to urge him and to sustain him or to lead him out, has no further concern

Approved Queen's Marriage.

THE HAGUE, Jan. 1. - The Second Thamber today adopted, without amendment, articles approving the Queen's marringe to Duke Henry of Mecklenberg-Schwerin, by 70 to 10 votes. The Socialists objected to the £16,000 grant to Duke Henry. Others regretted that an annual

ity, and there was a remarkable demon-stration as the Field Marshal in the uni-form of his rank, stepped on a raised

Arrival in London.

LONDON, Jan. 3 .- Crowds flocked to points of vantage along the route to be followed by Lord Roberts from Fadding-ion station to Buckingham Palace, dur-ing the early hours of the morning, but he numbers in no way compared with hose that gathered at the demonstration n honor of the return of the city volum-gers from South Africa. Fears of repetition of the riotous be-

Fenrs of repetition of the riotous be-bavior and disasters on that occasion teterred many persons from joining in the public welcome. Warned by the oc-purrences at the time of the volunteers' return, the authorities today furnished barriers to prevent crushing, and 15,000 regular troops in addition to thousands of police lined the route, blocked the fide streets and were concentrated in the wide spaces to guard against dangerous vankes.

Lord Roberts reached Paddington station only 20 minutes behind the schedule time. As he descended from his saloon carriage to the platform of the elaborately decorated railroad station, he was greated by the Prince and Princes of Wales, the Duke and Duchess of York, the Duke of Connaught and the Duke of the Duke of Connaught and the Duke of Cambridge. The members of the royal family shock hands heartily with the Field Marshal, while the bands played the national airs. The Princess of Wales engaged Lord Roberts in a conversation, of any hearth of some length.

of some length. The scene was altogether brilliant. Everywhere were masses of bunting, troops, ladies in bright costumes, cabinet ministers and staff officers. The people on the stand opposite the carpeted platform could see little but hats and ladies' bon-nets. The first captain of the empire. nets. The first captain of the empire, five feet two inches high, was invisible but from the front of the circle. After congratulations had been exchanged, Lord Roberts waiked with the Prince of Wales, the Duke of York and the Adjut-ant-General. Sir Evelyn Wood, and then reviewed the guard of honor. The vet-eran Field Marshal, who appeared to be is merican health with the prince house. In perfect health, with pink cheeks, hore himself jaunilly and with evident enjoy-ment. He walked down each rank, saluting with his left hand, as his right band is still in a sling, as a result of a fall from his horse in South Africa, speaking to the Sergeants, and occasional-

ly picking out a private for a few words, ecalling previous service together. After the inspection, Lord Roberts had a few minutes' conversation with his old comrades before he went out into the station enclosure to meet London's mul-The Prince of Wales, with Lady Robserts, left the reflroad station in a royal carriage, drawn by six horses, and en-corted by Life Guards, preceding Lord Roberts to Buckingham Palace. The refurning Field Marshal was then presented with an address from the Municipality of Paddington. After Lord Roberts had replied, the procession was formed, the headquarters staff, in six carriages, following imme-diately behind the Field Marshal, who occupled a state carriage, escorted by Indian cavalry. The Secretary of State for War, William St. John Broderick, and the Secretary of State for Foreign Affairs, the Marquis of Lansdowne, were seated in another carriage. A detachment of cavalry brought up the rear. The party proceeded to Buckingham Palace by way of Hyde Park and Piccadilly. Deafening cheers greeted the Field Marshal and new Commander-in-chief of the forces along all parts of the route. The ladles ad-mitted to the club houses thronged the windows and balconies. The roar of welcome rolled on unceasingly until the veteran commander entered the grounds f the palace

a strong opposition to the sale of the islands to the United States. The question will probably be determined in the near

From the Monarch.

LONDON, Jan. 4 .- Advices from Cape Town this morning are more hopeful, ow. ing to the active recruiting of local forces in all quarters, and a better feeling prevalls in London, based upon the prosp of Lord Roberts taking the reins at the

War Office. From Sydney, N. S. W., It is reported that there is quite a rush of men there anxious to join the new contingents, 5000 having volunteered. The reports of Lord Ritchener's conference with the burghers also tends to remove anxiety. According to the Daily Express, Lord Kitchener has warned the mineowners that they must not count upon military protection. There is an unconfirmed report from Cape Town that fighting has occurred 80 miles north of Matjesfontein.

PREPARATIONS AT CAPE TOWN. Extensive Enlistments for the De

fense of the Colony. CAPE TOWN, Jan. 2.-The military au thorities are providing for all contingen-cles. It has been decided to transfer the Boer prisoners from the camps to transports.

Farmers coming in from Carnarvon describe the Boers as traveling in parallel columns, with numerous flanking parties weeping the country on horses, plunder. ing loyalists and carrying off everything ing loyaness and carrying on everything estable. It appears that they are ac-companied by strings of packhorses light-ly loaded. Colesberg telegraphs that Kritainger's commando is crossing the Middelberg district, but is getting few if

uired to surround them, or drive them orth. A number of volunteers for the defense

of the colony were started today, with the utmost enthusiasm. The millionaires and the beggars are emlisting with ardor.

PEACE OVERTURES.

Pretoria Dutch Had a Conference With Kitchener.

LONDON, Jan. 4.- The censorship has

ust permitted news of the following peace tentatives to emanate from Pre-About the middle of December a num ber of prominent burghers, who had sub-

ber of prominent burgners, who had sub-mitted and were living in the Pretoria district, formed a peace committee. Mr. Van Resenburg, an ex-member of the first Volksraad of the Transvaal, was elected president of the committee, which included other prominent members of the Volksraad. The committee resolved to attempt pegutiations and accordingly.

attempt negotiations, and accordingly, in response to a suggestion. Lord Kitchener attended a meeting of the committee De-combor 21, and addressed the meeting. He said he was glad to meet a committee desirous of bringing the war to a speedy conclusion, and he assured them that they could rely upon his assistance in every way calculated to further that ob-

ject. He proceeded to point out the folly of a continuance of guerrilla warfare since the British of vernment would never permit the re-establishment of the Boer Government. Mr. Chamberlain's state ment in Parliament, Lord Kitchener

wish to oppress the burghers, intrary, the British proposals foreshad-

of the burghers. Lord Kitchener urged that it was useless to continue the pres-ent inhuman struggle, pointing out that the powers had refused Mr. Kruger's requests for intervention. The burghers, he said, had fought a good fight, but they had been overpowered, and there was no dishonor in the leaders recognizing the fact. He reminded them that there were losts of Boer prisoners waiting to be re-tored to their families. Referring to his proclamations to the

country. Lord Mitchener said that unfor-tunately these had not been allowed to reach the burghers, and he trusted that the committee would make known the facts to the Boars in the field, as he de-

elred to give them every chance to sur-render, and wished to finish the war by the most humane means possible. He promised to give the committee notice, if muelled to abandon conciliatory fo harsher measures. Going on to explain his recent proclamations confirming the statement that those who had broken oaths of neutrality would be treated in the same way as the others, he told the committee that all would be accommo-

dated, with their families, in protected lasgers along the line of the railway. He asserted that it was imperative to clear the country of inhabitants and of food. because so long as food remained the

Governor, and could also come to see him personally, if necessary. Lord Kitchener bade them tell their friends what they had heard him say, and assured them that they could place the most absolute reliance on his siving affect to it. rellance on his giving effect to it. The committee, which included General Cronje's brother, cordially thanked Lord Kitchener and promised to print the

speech in Dutch and to circulate it everywhere. Since the meeting orders have been issued against burning farmhouses, unless it should be proved that the actual inhabitants had committed misdeeds. The

first districts cleared under Lord Kitch-ener's plan were Jagersfontein and Fauresmith, whose inhabitants were lasgered at Fauresmith.

DELIBERATE, SUICIDE.

Girl Poured Carbolic Acid in Water and Drank It Through Straws.

SPOKANE, Wash., Jan. 4 .- Della Dunphy, a pretty girl, only 18 years old, com-mitted suicide shortly after 1 o'clock this morning, by taking carbolic acid. She was most determined in the matter. After ordering a meal in a private room in a restaurant, ahe emotied the deadly acid into a glass of water, put two straws it and deliberately drew the draught of

death into her mouth as if she wave pro-longing a delicious drink. She was taken to a hospital and died in a few moments. The girl was wayward, and for a year or more had been living away from her par-ents, who are highly respected residents.

Automobiles for the Philippines.

American Automobile. There are oil wells in the islands, and some foreign capitalists are already secur-ing an abundance of oils and shipping the same to the market for sale. These oils

same to the market for sale. These oils are good in quality, and would do for oil-burning motors or automobiles. There is much illuminating oil shipped here from Russia, but the price per gallon is costly, being about triple American val-ues. Naphtha and other power-producing liquids for horseless valicies can now be purchased in any desired quantities in Manila or Ilo Ilo. The steamers which are coming into

Manila or lio lio. The steamers which are coming into port now are bringing in immense cargoes of machinery supplies, such as nuts, bolts, set screws, small tools, carpenters' tools, metal-working devices and supplies of ro iron, sheet metal, etc. All of these things were formerly very acarce and coally. What there was here were mostly from Spanish sources, and the tools and sup-

plies of Spain are inferior. I have take a Spanish wrench and twisted the jaws off with little pressure. Good American tools with the proper stock in them and finished by trained machinists, instead of apprentices are what are needed here Now that these tools and machinery sup-plies are arriving in liberal quantities the responsibilities of the makers of horseless vehicles are reduced, for these parties need only see to it that the me

parties need only see to it that the men-who handle their machines in these islands are provided with the special parts of the machines which may need renewal. Every horseless vehicle sent here ought to be provided with duplicate parts. I have seen a good machine stalled for want of a spiral apring of peculiar pattern which could not be replaced. It must be remembered that it requires must be remembered that it requires three months and often longer to get a new part from America, and the funns part of it is that when a piece of the

Coal Train Wrecked.

NILES, O., Jan. 1.-A coal train on the Niles & Lisbon road was wrecked last night, killing Charles Frack and seriously injuring Fireman William Klein and Brakeman Garfield Powers. The train was descending a steep grade when a farmer attempted to cross the tracks with a wagon loaded with logs. The engine struck it and with six cars went down an embankment. The engineer was buried under the debris. The farmer escaped,

A Newport Bank Arrest.
