Grain, Flour, Etc.

The Eastern wheat markets showed : few signs of animation yesterday, and price fluctuations were sufficient to make it moderately attractive, but at the close, it rested where it closed the day previous. In the local market 56 cents is still bid for Walls, Walls, but there is very little selling at that figure, holders opparently awaiting another reaction in their favor. Bluestem is in nominal de-mand only, and but few of the exporters will grant a differential of more than 1 cents per bushel, except for a round lot of

The International Asphalt Company, Coeur d'Alene district, whose aggregate wages amount to mere than \$250,000 per month.

The international Asphalt Company, incorporated at Springfield yesterday, has been organized to fight the National Asphalt Company, known as the "asphalt trust." R. F. Conway, F. J. Reed and J. J. McCarthy are the incor-porators. It is said that asphalt beds in South America will pass into control of the new company, which will engage in the importation of raw material. The capitalization is R00,000. "The international Asphalt Company," said Mr. Reed, "has been organized as a rival to the trust. The complexy con-trols a large supply of asphalt in South America and will engage in the business of importing it. Such contractors as carts to patronize an anti-trust company will be supplied with the raw material. NEW YORK STOCK MARKET.

Prices Fell Back Generally Throughout the List.

NEW YORK, Jan. 10 .- There was a de-NEW YORK, Jan. 16.—There was a de-cided further falling off of activity of the irading in stocks tody, and prices fell back very generally throughout the list. There were abortive efforts to continue the advance, both at the opening and at different times during the day, but the market did not at any time show any decided is itengith. The most that the bulks were able to achieve was to check the reactionary tendency. The pressure to

The firm of F. G. Logan's Chicago grain letter to R. W. McKinnon & Co. says: Wheat-The opening here was active but later ruled dull and rather heavy. Liverpool was \$4c higher. The volume of trading has been much lighter today. Broomhall cables that the Liverpool Argentine wheat previously made. New York exporter also gets Argentine cable estimating the exportable surplus at not over 35,000,000 bushels, and probable movement small. These items did not, how-ever, induce much speculative buying. There are indications of better export inquiry, but transactions have not yet transpired. In vew of the foregoing con-ditions, the action of this market is disappointing. With an improvement in the supply and demand a bull market may easily develop.
