MUNICIPAL CODE.

### Hearing at Maaila on the Commission's New Bill.

MANILA, Jan. 13.-The public discus-ion of the general code of government for nunicipalities began today. Commissionr Worcester outlined the bill and exblained the changes from the general or lers of the Military Governor, under which many local governments were ope ating. Commissioner Worcesler offered two amendments, disqualifying from vot-ing and holding office men who violate their oath of American allegiance and who remain in armed opposition after Febru-

committee considered the request, and made the recommendation to the Repub-lican conference this morning that at this Commissioner Worcester did not enlarge the section confining the exemption church property to properties used Junively for religious, charitable or icational purposes. This much-distime it is not expedient or wise to fix a day for the consideration of the bill, in view of the pendency of the considera-tion by Great Britain of the amendments esucational purposes. This much-dis-cussed feature received the approval of the Administration at Washington pre-vious to the making public of the bill. The bill centralizes considerable respon-sibility in the provincial governments for the establishment of which another bill is being provided. proposed by the Senate to the Hay-Pauncefote treaty. This view was ap-proved by the Republican caucus without division. There was a universal senti-ment expressed in favor of the construc-tion of the canal by the United States at the establishment of which another bill is being prepared. The public discussion which is taking place in the municipal hall is proceeding by sections, the natives the earliest practicable time."
