• WASHINGLON, Jan. 22-Senator Simon

WASHING10N, Jan. 22.-Senator Simon appeared before the commerce committee today and made a strong ples for the im-provement of the Columbia at The Dalles and Celilo. He urged first the shandon-ment of the repeal of the boat rallway appropriation, and, secondly, the adoption of a new project and the converting of the available balance towards such a work. While he would accept any form of improvement that could be had, he pre-ferred the canal and locks recommended by Captain Harts. THE INDIAN BILL.

Senate Committee Recommends an Increase of Appropriation. w ASSISTENCTON, Jan. 22. - The Senate committee on Indian affairs today made its report on the Indian bill. The com-mittee recommends the increase of the

total appropriation to the extent of \$57,-000 making a total of \$5,570,528. The prin-cipal items of increase are:

ern Shawnees and Six Nations... 243,000 In its report the committee says: "The question of capitalization of the annuities of the Indian tribes is a mat-ter that has been considered for some time, not only by the committee, but by the Secretary of the Interior and the Commissioner of Indian' Affairs as well, and, believing that such a departure should be inaugurated as will definitely fix the amount due each tribe under the fix the amount due each tribe under the provisions of treaties providing for an-nuities, your committee has thought it best to capitalize the annuities due to the tribes of Indians designated in the bill."

There are several amendments affecting Indian schools and of these the report mays: 'Your committee believes that the Indian echools of the country should be made as efficient as possible, and that where additional facilities are needed, the Department of the Interior should be en-

abled to provide them, and your commit-tee has acted on that idea in providing funds for that purpose." In growiding The dam across the Gila is expected not only to supply the Indians of San Carlos reservation, of whom there are about 4000, but to furnish water for the irrigation of much valuable land outside the Indian reservation. It is considered essential to the support of the Indians. The committee not only appropriated \$00,000, not heretofore appropriated for the use of the Dawes commission, but reappropriated \$25,000, hitherto appropri-ated and not used. It is believed that the amount will be sufficient to enable the committee to complete its work. The bill provides for two additional Indian Inspectors, to investigate and report upon

The Billboard Nuisance.

CHICAGO, Jan. 22.-The agitation in Chicago against the billboard nuisance has resulted in the passage by the City Council of an ordinance providing that all signboards and billboards more than three feet square now within 300 feet of any park, park boulevard or driveway, be dechared a public nuisance and torn down, and that such boards be prohibited in the future. The owners are given 30 days in which to pull down their signs. The pen-alty is a fine of \$100 for the first offense, and for each succeeding offense the same fine and three months' imprisonment. An effort was made to suppress unsightly billboards throughout the city, but the Council majority would not agree to the more sweeping measure.

GREAT PROGRESS SHOWN.

Reports From the Philippines Are Satisfactory.

WASHINGTON, Jan. 22-At the Cabi-net meeting today, which lasted about an hour, Secretary Root rend extracts from reports which he had recently received from Government officials as to the situation in the Philippines. These reports make careful comparisons with the con-ditions which prevailed one year ago and are said to show that very great progress has been made in all directions. It is understood that Secretary Root will prepar a resume of these reports for transmis-sion to Congress. Among other things, Secretary Root

had the first report of the staff of the Philippine Commission, which reported progress at many points. Secretary Root seemed to think that the conditions are decidedly improved in the Philippines, and that the prospects for a speedy settlement of existing troubles are bright. Secretary Hay spoke of the inquiries which he had received from foreign gov ernments as to the status of the com-mercial treaties now pending in the Sen-ate between those governments and the United States.
