Nominations of General Officers Will He Sent to the Senate Today.

Generals Wade, Merrism and Young are the three ranking Brigsdiers in the prea-cut regular establishment, in the order named, with General MacArthur No. 4 and General Ludlow No. 5. General Chaffee stands No. 7 in the list of Colonels of Cavalry, and General Wood is No. 6 in the list of Captains at relative rank, All these officers have been mentioned as possible Major-Generals, and the three successful ones are undoubtedly among the number. If General Miles is promoted it will leave a vacancy in the list of Major-Generals yet to be filled. The order of seniority of the new Major-Generals un-doubtedly will determine which of them will have command of the military forces in the Philippines, which command, it is generally understood, will become vacant by the relief of General MacArthur during the coming Summer.

Resolutions in Honor of the Great Jurist - Various Addresses,

John Marshall day was celebrated by the nembers of the Multnomah bar at a meeting held in the United States Court room. The attendance was large, and many addresses appropriate to the occasion were delivered. The bench was decorated with an American flag, and a picture of the great Chief Justice, who presided over the Supreme Court of the United States, beginning February 4, 1801, hung in the center of the folds of the National emblem. Judges Cleland, Frazer, George and Sears occupied the bench with Judge Beilinger, the latter occupying a central position, and acting as presiding officer.

Charles H. Carey, chairman of the com mittee of the Oregon Bar Association having the exercises in charge, presented s series of resolutions, introducing them with an appropriate speech. Mr. Carey

Down the Long Walk, with the band still playing Chopin's dirge, this quiet throng slowly made its way to the mausoleum. The horses attached to the gun carriage were inclined to be restive, but as an extra precaution a drag of ropes was attached to the wheels and held by sturdy artillery men. At the hodge gates the strain of the band died away and the pipers commenced their lament. There, between the brond avenue of stately trees, the crowds were the thickest, forming dense black banks.
