Committee to confirm the other appointments.

Servest Improvements.

As to opening, laying out, widening and vacating of streets and alleys:

To section 10 is added: "The Council may in its discretion before directing outward the commission of the property-owner. The section 10 is added: "The Council may in its discretion before directing outward in the discipation of the property-owner. The section of th

Board is given additional powers such as to purchase fire department supplies. There is no change in the personnel of the board.

A Charter Commission is provided for, either adopt this charter or frame a new charter and submit to a vote of the elector at the next election. Meanwhile this charter will, of course, he operative.

The city may have its own electric lighting plant if de-med advisable, and there are not a few other changes of a minor character. The new features thus far given to the press, as as follows:

Section one of chapter one, contains the provision that the city maintain lighting plants and hold property for the same.

Section 2 pertains to the boundaries of the city, which, are the same as at the present time, but which it is stated by members of the Mulinomah delegation may be changed.

To the official oath in section 28, chapter 3, is added a clause that the officer will support the ordinances of the city.

Subdivision 1, of section 22, chapter 5, has not yet been inserted. This relates to the tax levy.

Subdivision 2, relating to licenses, contains a new provision, that they may be imposed "for the purpose of registion er loofs." The Councel chall have power to license, and to present the tray may be imposed for such transportation. The proceedes shall be paid into the special street repair fund provided for in subdivision 1 of this section.

Section 4, authorizes to license, and regulate bartenders, salconkeeps, dealers in and manufactures of spirituous, via the proceeding shall be paid into the special street repair fund provided for in subdivision 1 of this section.

Section 4, authorizes to license, and regulate bartenders, salconkeeps, dealers in and manufactures of spirituous, via the proceeding shall be paid into the special street repair fund provided for in subdivision 1 of this section.

Section 4 authorizes to license, and regulate bartenders, salconkeeps, dealers in and manufactures of spirituous, via the proceeding shall be paid into the special street repair fund provided fo

Section 127 is amended so that money may be transferred from the general to the street repair fund, and providing that notices be posted on abutting property commanding owners to repair sidewalks, that the Board of Public Works shall re-pair the sidewalk when the property-own-or refuses to do so, and the Council may by ordinance declare the cost of the reair to be a lien on the property. Section 128 is new.

Preliminaries for Street Work.

Sec. 128. Before any work is done or im-provement made, except the repair of idewalks made by the City Engineer, the Council shall pass a resolution of intention so to do, which shall specify the street or part thereof upon which the work is proposed to be done, and shall describe the work proposed, and shall, if the Council determine to extend th taxing district for such work of provement, describe the boundaries extension or extensions of such taxing district. The affirmative vote of two also provides for their exclusion from the city limits. That part of this section in the present charter providing for the exclusion from the city or any part for 10 days in the office of the Auditor, and also provides the constitution of the council shall be necessary to the passage of any such resolution for improvement. Such resolution shall be posted conspicuously for 10 days in the office of the Auditor, and also provides for the council shall be posted conspicuously for 10 days in the office of the Auditor, and the council shall be necessary to the passage of any such resolution shall be necessary to the passage of any such resolution shall be necessary to the passage of any such resolution shall be necessary to the passage of any such resolution for improvement. Such resolution shall be necessary to the passage of any such resolution for improvement. Such resolution shall be necessary to the passage of any such resolution shall be necessary to the passage of any such resolution shall be necessary. thirds of all the members of the Co resolution shall be posted conspicuously for 10 days in the office of the Auditor, and shall be published for 10 consecu-tive days in the city official newspaper, with a statement of the time within which written objection or remonstrance ma-be made thereto. The City Engineer shall within three days from the first publica tion of the notice herein provided for also cause a notice to be posted of spicuously at each end of the line of a contemplated work or improvement. City Engineer, as soon as practicable, shall prepare and file with the Board of Public Words, plans, specifications and estimates of such work or improvement, and shall make to the Board of Public Works a report thereof in writing, stat-ing whether in his opinion such proposed work or improvement is of a kind and nature proper to be made upon such street, and whether the same when prop erly constructed and completed will con stitute a good improvement. The Board of Public Works shall thereupon deter mine whether it approves such propose The Board of Works shall thereupom report such plans, specifications and estimates, with the re-port of the City Engineer, and its denation thereupon, to the City Coun Sec. 129. Within 10 days after the final

sult from their unlawful actions. Persons publication of the notice, the owners of 60 per cent of the property within the who do things inimical to the interests of the American Army will be punished in spite of a plea of intimidation. When, sa is known to be the case in taxing district, such percentage to be based upon the ratio in which said prop-erty is affected by such improvement, tomany places occupied by United States troops, secret committees are permitted to exist and to act in behalf of the sowit: The lands lying within the first one-quarter of the depth of said taxing dis-trict back from said sirect to be deemed one-half of the property so affected; the lands lying within the second one-quarter called insurgent government by collecting supplies, recruiting men and sending military information to the insurgent camps, the persons who screen these com-mittees are in danger of being punished of the depth of said taxing district to be deemed one-quarter of the property a affected, and the lands lying within the residue of the taxing district to b as war traitors. idente and ally of Carman in his Laguna de Bay dealings, withdrew \$10,000 of the

mittee, that had been deposited in the Spanish-Filipino Bank, and invested it in

two steamers and a tobacco concern. The

police will seize the property. Ne batches of incriminating evidence wer received by the Provost Marshal today.

-It is rumored again in Cavite province that Aguinaldo has been seen at Indiang. General Young, commander of North-

western Luzon, is to return to the United

States. General Bell will succeed him. There has been considerable misunder

standing between the military and the

new provincial officers at Benguet, based partly on the belief of the subordinate

military officers that Provincial Secretary

The Thirtieth United States Volunteer Infantry, Colonel Gardiner commanding,

arrived here on the United States trans-port Kilpatrick from Tayabas Province,

Island of Luzon, and will go into camp

on the Lunetta, sailing for home Febru-ary 15. Colonel Gardiner said there are

practically no insurgents in the Province

of Tayabas, and that the pro-American sentiment is strong there. Eighty-seven

members of the regiment have died of

wounds and diseases and 250 men have been discharged because of sickness. The Twentieth Infantry, which has been

two years in Manila on provost duty, has

sailed for Vigan on field service.

Hundreds of teachers in the United States are applying for positions in the

Philippines. It would be easy to secure 1999. An authorized delegation of Bontoc

Igorrotes are returning to the province with schoolbooks, flags and high opinions

MACARTHUR'S PROCLAMATION.

Warning to Filipinos and Others

Who Ald the Insurrection.

MANILA, Dec. 27, 1909,-General Mac-

Arthur's proclamation to the Filipines, dated December 20, reminds the natives that exemplary punishments attach to in-fringements of the rules of war and that

their strict observance will be required not

only by combatants, but as well by non-combatants. General MacArthur state

that insurgents who threaten, kidnap or

assassinate natives friendly to the Amer

icans are guilty of violation of the laws of war and must eventually answer for

arder or such other crime as may re-

of the Americans.

Cherer has been an insurgent sympa

ANOTHER CONSOLIDATION.

Burlington and Northern Pacific to

ST. PAUL, Minn., Feb. 8.-The Pioness Press tomorrow will say:
"A rallway project is now reported under way by which the Northern Pacific and Burlington, which now have a track-age arrangement covering several hun-dred miles of territory, may be consoli-dated, and it has been said that the Great

England's Action on the Nicaragua Canal Project.

EQUAL TO A FLAT REFUSAL

Extended Negotiations, Will Soon Be Presented Through Lord

LONDON, Feb. 8.-It has been learned Linizon, Feb. 8.—It has been learned by a representative of the Associated. Press that a reply will shortly be sent to the United States Nicaragua Canal project. It will not comply with the Senate's demands, meither will it be in the nature of a flat refusal, though for purposes of immediate construction it will be tantismount to such a refusal. It will consist mainly in a counter proposal or proposals, likely to necessitate extended negotiations. The nature of the proposal is not yet as factory to both countries, will eventually

Commented on in Washington.

WASHINGTON, Feb. 8.—So far as can e ascertained, the Administration has

of the new stand taken by Great Britain, said he believed that if Great Britain has maid he believed that if Great Britain has decided to take the action stated, it would create resentment in the Senate and among the people and distrust of the moves of that government. He hoped it might result in some action on the pending bill at this seesion. Senator Morgan, however, was not willing to say what action, if any, he proposed to take to bring about such a result.

One suggestion made tonight as a possible counter proposal by Great Britain was that in return for concessions made by her she might desire an open port on the Almshun coast as an entrance into her gold fields in the Klondika.

hundred miles of road to parallel the Northern Pacific, a proposition that has been under consideration for three years, and which has been settled by the direc-Australian Governments may succeed in their efforts to make connection with the Eastern Extension cable, and in that way alter the basis of the whole scheme.

NEW YORK, Feb. 8.-The Commercial "President Charles M. Hays, of the Southern Pacific, is expected to reach New York tomorrow. He was summoned from San Francisco for the purpose of conforring with Mr. Harriman and President Burt, of the Union Pacific. It is generally believed that Mr. Hays will be asked morrow. to retain the presidency of the Southern

Object of Hays' New York Trip.

following: "President Gallaway was asked today if there was any truth in the d rrent re-ports that the New York Centra will be combined with the Union Pacific and the combined with the Union Facility and the Southern Pacific in forming a through line from ocean to ocean. 'Not a word of truth in it,' replied he. 'The New York Central lines now extend as far West as Chicago and St. Louis, and the system is sufficiently large as it is.'

Harriman Southwestern System CHICAGO, Feb. 8.-The Tribune tomor-

"A scheme is under consideration where by the Missouri Pacific, the two Rio Grande roads, the Colorado Southern, the Missouri, Kansas & Texas and the St Louis & San Francisco are to be grouped into one system. The proposed plan would mean the formation of a Harriman

Southwestern railroad system.

GREAT NAPHTHA FIRE.

Victims Burned Like Torches Caused by Discharged Employe.

ST. PETERSBURG, Feb. 8.-Dispatche from Baku say all the available hospitals are filled with people injured by the naphtha fire, while the sheds on the fair grounds are filled by those made homeless by the confiagration. The fire broke out in the evening at meal time, and spread so rapidly that many people were mable to escape from their homes. fire also cut off the retreat of the spects tors, 30 of whom perished. It is believed the conflagration was started by a dis-charged employe, for the purpose of revenge, and it is further reported that the naphtha reservoirs had been previously filled with water, which in overflowing carried the flaming fluid over the town. involving all the houses as far as Pollstreet. The stream of fire was several yards high. Numbers of people were seen trying to escape. They were burning like torches. The total number of vigtims is not ascertainable at present.

The Fire Extinguished.

ST. PETERSBURG, Feb. 8.-Advice from Baku this evening announce that the fire has been extinguished. Ten far tories and five depots were burned, con taining altogether \$5,000,000 poods of nap tha and naptha refuse. It is estimate that the losses will exceed 6,000,000 roubles Nine charred corpses have been recovered. One hundred and sixty person were injured by burning, 41 of these se correspondence is distributed to all parts of the archipelago by sympathizers with, and by emissaries of, the insurrection. The newspapers and other periodicals of gressing. Not many of the speciators Manila are especially admonished that

A Counter Proposal, Likely to Cause Pauncefote.

The nature of the proposal is not yet as-certainable. Lord Pauncefote will likely be the medium through which the answer will be sent and by whom the subsequent will be sent and by whom the subsequent negotiations will be conducted. In British official opinion, it is likely that several months will elapse before the matter reaches a conclusion, by which time the Hay-Pauncefote treaty will have elapsed, on the basis of the Senate's amendments. The British counter proposals are now formulating, and it is hoped an entirely new agreement, satisfactory to both countries will aventually

not had any intimation of the counter proposals the London dispatch says will be made in the matter of the Nicaragua Canal project. There is a feeling of regret that the British Government has feit con-strained to adopt such a course, as the hope was entertained that the amend-ments to the Hay-Pauncefote treaty might have been accepted in the spirit in which they were made. Senator Morgan, when informed tonight
