

VAN DUSEN NAMED

Astoria Man Appointed Fish Warden for Oregon.

THE CHOICE WAS UNANIMOUS

By the Same Vote the State Commissioners Elected Lewis Bean, of Roseburg, to the Position of Deputy.

SALEM, March 4.—The State Board of Fish Commissioners, consisting of the Governor, Secretary of State and Treasurer, today held its first meeting, and appointed H. G. Van Dusen, of Astoria, master warden, and Lewis Bean, of Roseburg, deputy.

The appointments were made by the unanimous action of the members. The name of Representative Talbert, of Clackamas County, was mentioned, but the board decided that he was not eligible under that section of the constitution prohibiting members of the Legislature from holding an office created by a Legislature of which they are members. F. C. Reed and Lewis Bean were also candidates for the office of master warden.

There were two candidates from Astoria for deputy warden—D. H. Welch and Fred Wickman. The board decided that since the master warden had been chosen from Astoria, the deputy must be selected from some other section, and Bean was elected.

Mr. Bean is a brother of Chief Justice Bean and was for several years connected with the Government hatcheries on the Siuslaw.

The board has adopted a rule requiring a monthly meeting, on a day yet to be fixed.

WOOLGROWERS' CONVENTION.

Annual Session of Northwest Association Begins Today.

PENDLETON, Or., March 4.—The fourth annual session of the Northwest Woolgrowers' Association will open here tomorrow, and close Thursday evening. Tonight finds everything in readiness, and a large number of sheepmen on hand. It is certain that the master warden will be a record-breaker in point of attendance. The exhibit of blood stock will be much larger than usual. The committee on arrangements secured commodious quarters in case of a rush, and it has materialized. An interesting program will be carried out. Several Eastern experts and a number of prominent Northwest speakers are to deliver lectures. The official schedule follows:

Tuesday. The convention will open at 10:30 A. M. with addresses by Governor Geer and Mayor Vincent, of Pendleton; responses by Frank H. Gooding, president of the Woolgrowers' Association.

Wednesday. Morning session.—Professor John A. Craig, of the Iowa Agricultural College, will speak on a subject to be named by him; Frank Hagambeth, on "Our Ranges and Their Needs"; H. B. Carroll, superintendent of the St. Paul stock yards, on "How We Feed Sheep in St. Paul Stockyards"; and J. G. Edwards, on "What Am I Here For?"

Afternoon session.—Professor H. T. French, of the Idaho State Agricultural College will speak on "Feeding Sheep for Market."

Evening session.—C. L. Smith, of Hood River, will lecture on "Our Homes."

Thursday. Morning session.—Annual address of the president, Frank Gooding, of Idaho; annual report of the secretary, J. W. Bailey, of Portland; annual report of the treasurer, Charles E. Ladd, of Portland; report of committee on resolutions; selection of next place of meeting; election of officers; exhibition of sheep shearing machine in operation.

Afternoon session.—Dr. James Withycombe, of the Oregon Agricultural College, will speak on "Relation of Agricultural Colleges to Sheep Raising"; Richard Scott, of Milwaukee, on "Raising of Early Lambs."

The convention will close with an illustrated lecture in the evening by Professor E. F. Pernot, bacteriologist at the Corvallis Agricultural College, on "Wools and Livestock."

WORKING DOUBLE TIME.

Astoria Box Company Puts On a Night Crew.

ASTORIA, Or., March 4.—Beginning this evening the Astoria Box Company put on a night crew at its sawmill, and the plant will run on double time. The Seaside sawmill of the Necanicum Spruce Lumber Company is also working to its fullest capacity, and it is necessary to work over time nearly every day.

Many Salmon Trout in Necanicum.

The Necanicum Creek is filled with salmon trout at the present time, and sportsmen are catching all they desire with a hook and line. The fish are large and fine ones.

Fell Through Bridge.

A team of horses and a truck loaded with a donkey engine fell through a roadway into the river, here this morning. The driver, Charles Dubau, had a narrow escape from drowning. As soon as he extricated himself he cut the harness from the truck and cleared the horses, but one of them, a valuable animal, was drowned. The truck and the donkey engine can be recovered.

Fishermen Lose Their Suit.

In the Circuit Court this morning the motion for a nonsuit in the case of Thomas Miles vs. the Columbia River Packers' Association was allowed and the case dismissed. The suit was brought to recover \$140, in wages, due nine men. Defendants alleged that the men were employed by Fritz Miller, who was paid for the fish, and that they were in no wise responsible for their wages. The attorneys for the plaintiff gave notice of an appeal to the Supreme Court, and were allowed 30 days to file a bill of exceptions.

WANTS HORSE TO GO HOME.

Man Who Finds He Has Stolen Animal Gives It Choice of Roads.

SALEM, March 4.—H. S. Jory, of this city, last Friday rode from McMinnville to Salem on a horse that he thought had been stolen from him, and then learned from his neighbors that the horse was not his. He started back down the Valley this morning, giving the horse the choice of roads. In the hope that it will go home.

Last Tuesday, F. C. Wright, an ex-convict, was turned out of jail, and on the same evening stole a horse belonging to Jory. He rode the horse to Dayton, where he traded for a horse somewhat like the one he stole, and on the next day traded his new horse for one of a different color at Newburg. He then went to McMinnville, where it was discovered that his newly acquired horse was tied by a rope

NEW COURSE OF STUDY

OREGON HIGH SCHOOL CURRICULUM IS OUTLINED.

State Board of Education Adopts Recommendation of Teachers' Association Committee.

SALEM, March 4.—At the annual meeting of the State Teachers' Association, held at Albany last December, a committee was appointed by the department of superintendence to prepare a course of study for High Schools. This committee was composed of President F. R. Strong, of the State University; President W. H. Lee, of Albany College, and Principal J. S. Landers, of The Dalles. A course of study prepared by the committee was submitted to the State Board of Education, and was today adopted. The

APPOINTED FISH WARDEN FOR OREGON.

H. G. VAN DUSEN.

ASTORIA, March 4.—H. G. Van Dusen, who was today appointed Fish Warden for Oregon, had the indorsement of the commercial organizations of the city, as well as the support of the Lower Columbia fishing interests. While he is neither a canneryman nor personally interested in the fishing industry, Mr. Van Dusen has made a study of the subject for several terms. He has acted as chairman of the Fisheries committee of the Progressive Association for several years, until he has become an enthusiast. He has acted as chairman of the Fisheries committee of the Progressive Association for several years, until he has become an enthusiast. He has acted as chairman of the Fisheries committee of the Progressive Association for several years, until he has become an enthusiast.

was the leading Oregonian of the occasion. Other in attendance were: Mrs. C. H. Gilmer, Miss Tongue, Misses Gilfray, Miss Giltner, Miss Boyman of Salem, Miss Sinsheimer, Elmer Coyne and Mrs. C. H. Gilmer, of Portland. Representative Moody was the only member of the Oregon delegation to attend. Senator and Mrs. Foster, Senator and Mrs. Turner, and Representative and Mrs. Cushman, from Washington, were present. Forest Fisher of The Dalles, and Thomas Tongue, Jr., were the younger Oregonians present.

T. A. Wood, of Portland, on being convinced last night of his inability to secure the passage of the Indian war veterans bill, left for home, not wishing to wait over the inauguration.

Representative Wilson, of Idaho, started for home this morning, by way of New York.

There is a strong opinion prevailing in Washington that Senator Carter defeated the river and harbor bill at the suggestion of several Republican leaders who were anxious to have the appropriations of the 56th Congress held down to the lowest possible figure. It is thought by some that Senator Hanna was anxious to see the bill fall and encouraged the retiring Montana Senator in his fight. Carter's declaration that he did not favor the irrigation amendments puts aside the theory that he was prompted largely by the desire of an appropriation for reservoir construction. At any rate, Carter was honest in his purposes and made a fearless fight. It is possible, in view of this defeat of the bill, that river and harbor bills will hereafter be passed at the long sessions. Work at the mouth of the Columbia will now have to proceed only until present funds are expended.

WILL BUILD THREE BIG SAWMILLS.

40,000 Acres of Idaho Timber Land Also to Be Purchased.

BOISE, Idaho, March 4.—Cobban & Casey, a Montana sawmill firm, today filed on 12,000 acres of timber land in the southern part of the state, near Smith's Ferry. The land is being taken under the scrip system. The firm intends to secure 40,000 acres, when it will build large sawmills at Payette, Emmett and Horseshoe Bend. Most of the timber is along the Idaho Northern Railway, which will be completed to Emmett in about three months.

The founding of these three sawmills will require the opening of the Payette River, which is not now in shape for the floating of logs from the place of cutting to the mills. This work is estimated to cost between \$30,000 and \$50,000, and will begin at once.

British Columbia Legislature.

VICTORIA, B. C., March 4.—Simultaneously with the announcement of the retirement of Dr. Bodington as Superintendent of the Asylum for the Insane at New Westminster, and the appointment of Dr. Manshew, late of Montreal, in his place, there was presented to the Legislature the report of Dr. Clarke, superintendent of the Rockwood Asylum, at Kingston, the Commissioner appointed to inquire into and report on the general administration of the New Westminster Asylum. The report is an exhaustive one, and shows how the cost of maintenance can be greatly reduced. The Legislature was in session only two hours today, no business of importance being transacted.

Centralia May Get Newspaper.

CENTRALIA, Wash., March 4.—It is reported on good authority that a weekly newspaper will be started here soon. The paper will be nonpartisan in politics, and will advocate moral and political reform. Should this paper be started, it will make the third weekly paper for Centralia.

\$20,000 Timber Land Deal.

ALBANY, Or., March 4.—A deed to \$200 acres of Linn County timber land was filed today. The purchaser is named as Hubert F. Rogers, of New York; grantee, R. F. Greenen, of Minnesota; consideration, \$20,000.

QUOTATIONS OF MINING STOCKS.

SPOKANE, March 4.—The closing quotations for mining stocks today were:

Table with columns: Bid, Ask, Bid, Ask. Lists various mining stocks like Amer. Boy, Blacktail, Bute & Bon., etc.

SAN FRANCISCO, March 4.—Official closing quotations for mining stocks:

Table with columns: Bid, Ask, Bid, Ask. Lists various mining stocks like Alta, Andes, Belcher, etc.

NEW YORK, March 4.—Mining stocks today closed as follows:

Table with columns: Bid, Ask, Bid, Ask. Lists various mining stocks like Adams Con., Alice, Breese, etc.

BOSTON, March 4.—Closing quotations:

Table with columns: Bid, Ask, Bid, Ask. Lists various mining stocks like Adventure, Bing, M. Co., etc.

Military Orders.

VANCOUVER BARRACKS, Wash., March 4.—Colonel J. W. Jacobs has been relieved as a member of the general court-martial appointed to meet here. Lieutenant Campbell E. Babcock takes his place. Corporal Denard L. Parsons, Walter W. Woodhuff, of Company C, Seventh Infantry, and Walter J. McDonald, of Company K, Third Infantry, have been transferred to the general recruiting service. A furlough for five months upon re-enlistment has been granted Sergeant Ephraim C. Phillips, Thirty-fourth Company, Coast Artillery, by the commanding officer at Fort Stevens.

Law and Order Ticket at Dallas.

DALLAS, March 4.—The law and order forces circulated petitions today for the nomination of city officers as follows: Mayor, M. M. Ellis; Councilman-at-large, William Grant; Recorder, J. L. Collins; Marshal, F. M. Collins; Councilman—First Ward, W. P. Miller; Second

First Year.

Higher English (about the grade of Lockwood, to be coupled with English classics of this grade).

Second Year (in Two-Year Course).

Higher English (about grade of Lockwood, to be coupled with English classics). Algebra finished (one-half year). Bookkeeping (one-half year), or higher arithmetic (one-half year), or physiology (one-half year).

Second Year (in Three-Year Course).

Higher English (same as above). Algebra finished (one-half year), geometry (one-half year). Latin, or physical geography, or botany, with laboratory work.

Third Year.

Study of English and American authors, with composition work. Geometry (one-half year). Select any two—Latin, first, second or third year, according to whether it has been taken before; history, modern, with special reference to England, if course is four years' course, and modern history and Constitution if course is three years' course; physics, or botany, or geology one-half year, with bookkeeping or higher arithmetic (the other half-year), or elementary political economy (one-half year), and review (one-half year).

Fourth Year.

Study of American and English authors, with composition work; history, American, with Constitution. Select any two—(1) Latin or German; (2) chemistry or physics; (3) geology (one-half year), and zoology (one-half year); or astronomy (one-half year); (4) elementary political economy (one-half year), and review (one-half year).

Pyramid Pile Cure.

Physicians Recommend It, Druggists Sell It. Everybody Praises It. If we could sell one package of Pyramid Pile Cure to every person in America who is troubled with piles and who would gladly give the 50 cents to be rid of piles, we would have about \$5,000,000. The only reason that we don't sell that many packages this year is that we will not be able to get 10,000,000 people to try it. Just one application will prove its merit and amply repay the cost of a whole box.

The effect is immediate. Comfort comes at once, and continued treatment will cure any case no matter how bad. Pyramid Pile Cure soothes the inflamed surface the instant it touches it, heals it, reduces the swelling, and puts the parts into a healthy, active condition. There is no substitute for it. Nothing compares with it.

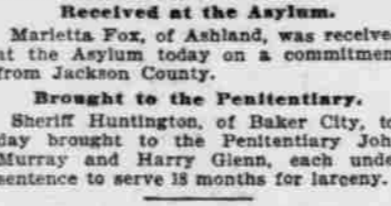

We have never heard of a single case that it failed to cure; we have heard of thousands that it has cured quickly and completely. Here are a couple of letters recently received:

From George C. Geick, Owen's Mill, Mo.: "Some time ago I bought a package of Pyramid Pile Cure for my wife, who had suffered very much. The first trial did her good than anything she has ever tried. It is just what is claimed for it."

From Richard Loan, Whipple, O.: "I have used the Pyramid Pile Cure and am entirely pleased and satisfied with results. It does the work and no mistake." The proprietors of the Pyramid Pile Cure could publish columns of similar letters, but these are enough to show what it will do in different cases.

All druggists sell Pyramid Pile Cure or will get it for you. It is 50 cents per package, and made only by the Pyramid Drug Company, of Marshall, Mich.

Here, Take That!

Haven't you been kept awake about long enough with that cough in the house? Even if he insists upon doing nothing, hadn't you better take matters into your own hands? Buy a bottle of Ayer's Cherry Pectoral yourself, take it home, and say, "Here, take that, and stop coughing."

He is sure to thank you when it's all over. He doesn't know, that's all. He has no idea how quickly the Cherry Pectoral will stop a cough, even the coughs of bronchitis, croup, asthma, la grippe, whooping-cough.

For colds and coughs of every kind it has been the great family remedy for sixty years.

"During the war I had charge of all the transports on the Mississippi, under General Grant. I always kept Ayer's Cherry Pectoral in my medicine-chest. I have given it to hundreds, have taken it myself, and used it in my family with the most flattering results. I think I can truthfully say that Ayer's medicines are nearly always included in the medicine-chests of our steamships."—JAMES O'NEILL, Salem, Ill.

Three sizes: 25c., 50c., \$1.00. All druggists.

To keep on hand you will like the \$1.00 size best, and you will need this amount to cure a chronic or very severe case. The 50c. size is just about right for bronchitis, hoarseness, la grippe, croup, etc. The 25c. size is convenient when traveling, and is enough to break up a fresh cold.

J. C. AYER CO., Lowell, Mass.

Ward, W. S. Caery; Third Ward, W. C. Brown.

Business houses were closed yesterday in obedience to the notification, Saturday, that the Sunday-closing act would hereafter be strictly enforced.

Wrestler Seriously Injured. DALLAS, March 4.—A man named McKinnon, while wrestling yesterday with a Mr. Smith, at Thurston's logging camp, eight miles from here, was thrown against a broad-ax and sustained serious injuries.

Lumber Company Will Put in Flume. ST. HELENS, Or., March 4.—The Western Cedar Company, of Rainier, will today commence the construction of a 30-inch V-shaped flume up Fox Creek. The flume will be 1 1/2 miles long, and will be used for carrying 20-foot sticks of lumber. The work of constructing the flume will be in charge of J. R. McMillan, the contractor of the Leadbetter flume, at La Camas, Wash. The company has let the contract for cutting 10,000 cords of wood, which will be flumed down to its docks on the river front. In operating the flume about 20 or 40 men will be employed. At the head of the flume a sawmill for cutting the wood will be operated. The survey and cuts, and the dam for the flume are completed, and the work of construction will be pushed rapidly as possible. Hoquiam citizens are engaged in a moral crusade.

Injuries Proved Fatal. ROSEBURG, Or., March 4.—J. C. Qualls, about 60 years of age, who was struck by a freight train, Saturday, near his home at Hudson, died this morning. A wife and three sons survive him.

Funeral of Mrs. William Hay. HILLSBORO, Or., March 4.—The funeral

of Mrs. William Hay took place here yesterday, and was attended by the largest gathering at a like ceremony for years.
