GETS A THIRD TERM

Carter Harrison Re-Elected Mayor of Chicago.

HIS PLURALITY NEARLY 30,000

Fight Made on the Franchise Issue—Republicans Will Have a Working Majority in the New Council.

CHICAGO, April 2.—Carter H. Harrison was re-elected Mayor of Chicago for the second time and will next week commence his third term as the chief executive of the city. His total plurality over Judge Ebridge, Republican, is 28,257 votes. The total vote of the city is:

Harrison 156,852
Haney 128,595
Harrison's plurality 128,257

In the Mayoralty election the vote was: Harrison, Democrat 148,496
Carter, Republican 109,437
Harrison's plurality 41,059

In the Presidential campaign of Fall, 1900, the city vote for President McKinley was 184,788; for Bryan, 177,155, giving McKinley a plurality of 7,633. Samuel Alschuler, the Democratic nominee for Governor of the state, ran ahead of Bryan, however, his vote being 188,521, against 172,389 for Yates, a plurality of 16,132 for Alschuler.

Of the 35 wards of the city, Harrison today carried 26 and Haney nine. The vote was badly split, some of the strongest Republican wards of the city giving only a small plurality for the two and some going to Harrison, who suffered in some of the Democratic strongholds. The city wards were redistributed after the Presidential election, and the majorities in some of the wards were turned squarely around from what they have always been.

The redistricting will make some difference in the complexion of the next municipal Council, as several of the Aldermen, who, in ordinary circumstances, would have been over, were redistricted out of their wards. There were two hold-overs in the second and two in the 21st wards, and no hold-overs in the seventh and the 31st. Where there were two hold-overs, the new Council will decide when the men are entitled to the seat and where there were none and two men were elected at the present election, the question will be called upon to decide the question of the legality of an Aldermanic election in which two men were elected at one time, instead of one. The question of the statutes governing the case. For these reasons it is impossible at this time to predict the exact formation of the new Council, but the indications are that the Republicans will have a working majority. The present body consists of 39 Republicans, 27 Democrats and four Independents. Of the hold-overs, 16 were Republicans, 15 Democrats and three Independents.

The chief issue in the campaign has been the granting of franchises to the street-car companies of the city. These will all expire soon by limitation, and the terms of extension are to be settled during the next year. Harrison has in former years made a record against the granting of long franchises, and he and all of his followers claimed throughout the campaign that the Republican nominee was inclined to grant long-time privileges. This the Republicans denied with great energy, making their campaign on the issue of the franchise. Harrison was no more disposed to favor the street-car companies than is Haney. Haney has the reputation of being a Republican machine, which is dominated by ex-Governor William Loring, and this fact cost him many votes in his party in the last election. Harrison and file of the party who are stoutly opposed to their party machine and all of its works. The Democratic following of ex-Governor Altgeld was against Harrison.

One of the features of the campaign was the Aldermanic contest in the 21st ward, Mayor Harrison's home ward, where Honore Palmer, son of Potter Palmer, was a candidate for election on the Democratic ticket. It being his first essay in politics, he was defeated by the Republican, who has been Alderman for the ward for about two years. Palmer was elected by a majority of about 1300. The Democrats carried all the city of wards on the ticket as well as that of Mayor William Loeffler was elected City Clerk; A. J. Ryan, City Attorney, and C. E. Gurnea, City Treasurer. From the figures available at midnight, it appears that their pluralities will be within 1000 of Harrison's. None of them will probably have a majority exceeding his. In the various towns of the city, the vote was evenly divided. The Democrats carried the south, north and probably the west towns, while Republican officials have been elected in the towns of Jefferson, Hyde Park and Clero. The Municipal Voters' League, an organization composed of business men, took an energetic part in the Aldermanic contest in the various wards. The aim of the organization was to secure the nomination of men considered most competent to serve as Aldermen, irrespective of politics. The league endorsed 20 candidates, of which 13 were elected.

ELECTIONS IN KANSAS.
Results in Important Cities Discouraging to Prohibitionists.
KANSAS CITY, Mo., April 2.—Municipal elections were held in all the larger cities of Kansas today. Party lines were not drawn generally, and in numerous cities the issue was enforcement of the prohibitory liquor law. Mrs. Nation's crusade aroused the temperance people to political action. In the most important cities the results of the election were discouraging to the Prohibitionists.
At Kansas City, Kan., the largest city in the state, the Democrats achieved a sweeping victory for the first time in the city's history, electing the Mayor and all city officers by 500 plurality. At Topeka, where the Republican ticket was supported by the law enforcement people, the Democrats claim to have elected Arthur Parker, the reformer of the officers elected being Republicans. At Wichita, where Mrs. Nation began her crusade, the temperance ticket was overwhelmingly defeated by the Republicans. At Leavenworth, one of the most hotly contested Spring elections ever held in the city resulted in the election of the entire Democratic ticket by a majority of 500. Ryan was elected Mayor and as far as returns were received, up to 11:30, the Republicans have no prospect for a single candidate, except for members of the School Board, endorsed by both parties. The results in other Kansas towns follow:
Harper.—The anti-temperance element elected its entire ticket by a large majority.
Great Bend.—The Republican ticket de-

feated the temperance ticket, E. S. Abner being elected Mayor by 60 majority.
Newton.—The Republican ticket was elected by over 400 majority with little contest.
Emporia.—The Republican city ticket was elected by 200 majority.
Emporia.—The Republican ticket, which was supported by the Prohibition element, won by a handsome majority.
Larned.—The anti-temperance ticket was elected, which means a victory for the temperance element.
Eureka.—The law-and-order ticket, with J. E. Mason for Mayor, was elected after a hard fight.
Lawrence.—The Republican ticket was elected by a majority of three to one. The Prohibition ticket, which was placed in the field under the name of a "Business" ticket, did not draw hardly a vote from the Republicans.
Garnett.—The Republicans elected their ticket by good majorities.
Holton.—The entire temperance ticket was elected by a large majority.
Enterprise.—C. B. Hoffman, who supported Mrs. Nation, and who was a candidate on a "dry" ticket, was defeated for Mayor by J. E. Buhner.
Scandia.—The anti-temperance ticket, headed by E. Z. Butcher for Mayor, was elected by a good majority.
Scandia.—The anti-Nations won, and at Kingley the "dry" ticket was elected.
Kingsley.—W. W. Orr, Democrat, was elected Mayor by 500 majority. The Republicans elected most of the members of the Council.
Manhattan.—The law-and-order ticket, headed by J. K. Moore, was elected. Fort Scott.—The entire Republican ticket was elected in Fort Scott. It favors law and order.
Salina.—Thomas Anderson, the temperance candidate for Mayor, was elected by an overwhelming majority, together with the rest of the ticket.
Arkansas City.—The law-and-order ticket was elected after a hard fight. W. J. Follock was elected Mayor by a majority of 75.
Iola.—The Republicans elected their entire ticket.

DENVER GOES REPUBLICAN.
Only the Vote for Mayor and Some of the Councilmen Is in Doubt.
DENVER, April 2.—The city election today has gone heavily Republican, the only part which is at all in doubt being the Mayorality and some of the members of the Council. Henry V. Johnson, the present Mayor, ran independently on a ticket which, with three or four exceptions, was identical with that of the Republicans headed by Robert R. Wright. The combined vote for the two is conceded by leading Democrats to exceed that for the Democratic ticket headed by Judge E. T. Wells by from 400 to 500. Johnson's vote is not far from 4000, which leaves the vote for Mayor in doubt. The Republicans will probably have a majority in the election of the body of the Republican ticket by 4000 to 5000 plurality, while claiming the Mayorality in doubt.

Numerous sensational rumors during the day, there were no serious disturbances. Early in the afternoon Mayor Johnson issued a proclamation declaring that frauds were being perpetrated on the polls called for volunteers to serve as special policemen. Hundreds responded to the call, and General Irving Hale was placed in command of them. There were two deaths, however. J. T. Diber was instantly killed and A. T. Rice fatally wounded by Max Rogers in a fight at Overland Park, which is said to have originated in a dispute over politics. Rogers used a Winchester rifle. The men were all horsemen connected with the Overland Park track.

At Colorado Springs.
COLORADO SPRINGS, April 2.—Colorado Springs elected its Republican ticket today by from 1400 to 1800 majority. There were but two tickets in the field, the Republican and the Democratic. The Republican ticket elected today is Republican. This is the most sweeping Republican victory ever achieved in this city. Not exceeding five precincts out of a total of 23 have gone Democratic, and those precincts only give light majorities.

At Leadville.
LEADVILLE, April 2.—The city election passed off very quietly. There were only two tickets in the field, Democratic and Republican. The principal contest was on the Mayorality. Complete returns given McDonald, Republican, 2039; Jeanette Democrat, 1603; Republican, for Treasurer, 2363; Stead, Democrat, for Treasurer, 187. The Democrats elect Lamping and Horrigan for Aldermen; the Republicans elect Smith.

At Pueblo.
PUEBLO, April 2.—Indications are for the re-election of Mayor George West, Democrat, over John Downen, nominee of the Republicans and Law and Order League. The platform of the latter was the suppression of gambling and the closing of saloons at midnight and Sunday. The vote was much lighter than anticipated, the good-government forces falling far short of what was anticipated. The Council is still in doubt.

County Elections in Wisconsin.
MILWAUKEE, Wis., April 2.—County elections were held throughout Wisconsin today. The results in the various towns elected tickets. As a rule, party lines were eliminated. Joshua E. Dodge was elected to the Supreme Bench without opposition.

In Arkansas.
LITTLE ROCK, Ark., April 2.—Municipal elections were held throughout the state today, and in nearly every case where party lines were drawn the Democratic nominees were elected. In Little Rock, Mayor Duley, Dem., was re-elected by a large majority.

Election at San Diego.
SAN DIEGO, Cal., April 2.—The Republican ticket was elected in all the cities, with the exception of City Treasurer, Frank P. Frary, Rep., for Mayor, will have 500 plurality over his Democratic opponent.

Socialists Successful at Sheboygan.
SHEBOYGAN, Mich., April 2.—The Social Democrats elected four of the eight Aldermen here today. The Regular Democratic candidates were elected to the other city offices by the usual majorities.

Crushed His Skull.
LOS ANGELES, Cal., April 2.—W. W. Boswell, superintendent of the Julian Consolidated Mining & Milling Company, at Julian, San Diego County, has been probably fatally injured at the company's mines. Boswell was superintending the installation of a 10-stamp mill, when a cable, which supported some of the machinery, broke. A piece of iron struck him on the head and crushed his skull, and paralyzed his body from head to foot.

WORLD'S FAIR MAYOR

Rolla Wells, Democrat, Was Elected at St. Louis.

HIS PLURALITY IS ABOUT 10,000

The Entire Democratic Ticket Was Elected With Him—Republicans Charge Corruption and a Contest Is Threatened.

ST. LOUIS, April 2.—Rolla Wells, the Democratic nominee for World's Fair Mayor, was elected to that office today by a plurality of about 10,000. With him was elected the entire Democratic ticket.

CARTER H. HARRISON

RE-ELECTED MAYOR OF CHICAGO.

At midnight, Charles Weinhaker, the Republican candidate for City Collector, conceded the defeat of the entire Republican ticket. George W. Parker, the Republican candidate, and Lee McFether, who is running independently on the municipal ownership platform, are running a close race for second place.

St. Louis is normally a Republican city by about 15,000 plurality. This has been reversed, and a Democratic plurality of 10,000 rolled up. Some of the Republicans claim that the Nesbit law has enabled the Democrats to make such a strong showing at the polls. They claim fraud, and threaten to contest the election. The Democrats, on the other hand, say that their candidate was elected honestly, and they do not fear the result of a contest.

This election is of more than local significance, as William J. Bryan, in his pasteur, the Commemorative, and ex-Governor John P. Altgeld, of Illinois, from the stump in this city, have fought the election of Wells because he was a Gold Democrat for two campaigns. They both endorsed Merrittwater, the candidate for the public ownership party.

It will be late tomorrow before the exact figures on the election are known. United States District Attorney Rozier, who at precinct No. 4, of the Twenty-fifth Ward, at noon today was wounded in the fleshy part of the left arm by a stray bullet fired by one of a gang of negroes, who were recusing one of their number for alleged repeating. While Mr. Rozier was standing at the polls, John Banks, one of a crowd of 20 or more negroes, attempted to vote. His vote was challenged by Mr. Rozier, who said the negro had already voted elsewhere. He requested the police officer there to arrest Banks. This was done, and while the officer was telephoning for the patrol wagon, the crowd of negroes surrounded him and his prisoner, whom they rescued. Between 40 and 50 shots were fired by the negroes, more for the purpose of intimidation than to hit anybody. After the negro had escaped, it was found that Mr. Rozier had stopped one of the bullets. His wound is not serious, however.

At the second precinct of the Fourth Ward, Fred W. Priestmeyer, a Republican candidate for the House of Delegates, shot and seriously wounded William Dwyer, one of a crowd of men who attempted to assault him because he challenged their votes. Priestmeyer was placed under arrest to await the result of Dwyer's injuries.

St. Joseph Is Republican.
ST. JOSEPH, Mo., April 2.—The city election resulted in a Republican victory in the House of Delegates and the Board of Public Works. The Democrats elected two members out of nine to the House of Delegates and the Auditor.

BURIED UNDER SNOW.
Heavy Storm in Northwestern Kansas Stops Railway Traffic.
ATWOOD, Kan., April 2.—The extreme northwest corner of Kansas is buried under a heavy blanket of snow that is two feet deep on the level and from 18 to 20 feet in drifts. The prairie roads are impassable. The St. Francis branch of the Burlington from Atwood to St. Francis is nearly all the towns there is a famine in blockaded. Many cattle have died. In fuel and provisions, and the people are burning the loose railroad ties, fence rails and lumber.
The ice is too hard for the rotary railroad plow, and the workers are now trying to open the cuts by chopping through the ice with ax and pick. One drift near Bird City is nearly a mile long, and is 10 feet deep. It has snowed here every

MRS. NATION IN ST. LOUIS.

Again Threatens to Smash the Saloons of the City.

ST. LOUIS, April 2.—Mrs. Carrie Nation, of Kansas, spent another hour and a half in St. Louis today, and left in disgust at the things she saw and the treatment she received.

"These things will be different some day," she declared, "Look out for Missouri after I get out from under bond in Kansas. I'll close these hellholes if I have to come back and smash every one of them."

She arrived from Indianapolis over the Big Four this morning, and left later for Kansas City over the Washash. She said she was going home to attend to

day for a week, and the blinding white flakes deter the workers.

The Burlington & Missouri River Railroad cuts down on the Orleans & St. Francis from Nebraska, and traverses Hawkins and Cheyenne Counties. The towns on this line from Atwood west are Blakeman, Beardsley, McDonald, Bird City, Wheeler and St. Francis. St. Francis is only a few miles from the Kansas and Colorado line. At St. Francis a Burlington train is snowed up. The roads have been blocked since March 23.

AGUINALDO ACKNOWLEDGES UNCLE SAM'S SOVEREIGNTY.
REPORTED BY GEN. M'ARTHUR

The ex-Chief of the Tagal Rebels Promises to Become a Peaceable and Law-Abiding Citizen.

WASHINGTON, April 2.—The War Department today received information from General MacArthur that Aguinaldo has taken the oath of allegiance to the United States under the terms of amnesty offered by General MacArthur by direction of the President. The dispatch conveying this information contained much more than was given to the public. The portion withheld related to the future disposition of Aguinaldo and made suggestions as to what the late chief of the insurrection might accomplish. No official statement could be obtained as to what finally would be done with the prisoner, but it was emphatically stated that he would be held for the present, but would be granted all possible immunity consistent with existing conditions. General MacArthur has hoped that a great deal may be accomplished through Aguinaldo. During the time he has been a prisoner he has made quite a favorable impression upon General MacArthur. General MacArthur's dispatch follows:

"Manila, April 2.—Adjutant-General, Washington: Since arrival at Manila, Aguinaldo has, at Malacanang, been investigating conditions in archipelago. He has relied almost entirely upon the instructive advice of Chief Justice Arzobispo. As a result, today he subscribed and swore to the declaration on page 11 of my annual report.

The oath referred to is as follows: "I hereby renounce all allegiance to any and all so-called revolutionary governments in the Philippine Islands, and recognize and accept the supreme authority of the United States of America therein. I do solemnly swear that I will bear true faith and allegiance to that government; that I will all times conduct myself as a faithful and law-abiding citizen of the said islands, and will not, either directly or indirectly, hold correspondence with, or give intelligence to, an enemy of the United States, nor will I abet, harbor or protect such enemy; that I impose upon myself these voluntary obligations without any mental reservation or purpose of evasion, so help me God."

It has been suggested that under the terms of the notice of amnesty, the prisoner should be set at liberty at once, but there is a conviction in the amnesty proclamation which says that those who have violated the laws of war are excepted from its terms. Whether or not General MacArthur has been satisfied that Aguinaldo has not violated the laws cannot be stated, as the prisoner would be permitted to take the oath pending an investigation of his past conduct. Aguinaldo, having been satisfied that the amnesty proclamation which says that those who have violated the laws of war are excepted from its terms, and the opinion expressed that good results would follow among those who have been still holding out against the United States.

The taking of the oath in itself is regarded as giving Aguinaldo a status of loyalty to the United States quite different from that of a rebel.
