> ARMY IN THE PHILIPPINES. No Material Changes Will Be Made

at Present. WASHINGTON, April 19.—Adjutant-General Corbin authorizes the statement that no material changes will be made in the army in the Philippines until after the War Department has heard from General Chaffee on the subject. In accordance with orders revelously issued cordance with orders previously issued General Chaffee will relieve General Mac-Arthur of the command of the military forces in the Philippines June 20 and the present expectation is that a general civil government will be established in the architecture about that time General civil government will be established in the archipelago about that time. General Corbin says that recent developments in the Philippines have caused no change in the general plans of the department for the dispatch of regular troops from the United States to replace the volun-teers ordered home for discharge before July 1 next. General Corbin gives an em-phatic denial to the published records phatic denial to the published reports that General MacArthur has been in-structed to reduce the army immediately to 40,000 men.

to 40,000 men.

With a view to relieving all the regular troops who have had a long period of service in the Philippines, the Secretary of War has decided to replace them as rapidly as circumstances will permit with the new regiments now in course of or-ganization in this country. A plan has been adopted by which troops will be given one year's service in the United States and two years in the Philippines. Its operations will result in each regi-ment always having one battalion in re-serve in the United States. The regular troops in the Philippines will be brought home gradually and the movement will begin as soon as the necessary arrangements can be perfected. The troops hav-ing the longest service in the tropics will be the first to return to the United States. The War Department has chartered the transport Tartar, now at Hong Kong, to bring home discharged men of the regu-
