LOSS OF APPETITE

Is Loss of Vitality, Vigor, Tone.

That stands to reason.
It's common in the Spring when the blood, which needs cleansing,
fails to give the organs the stimulus necessary for the proper performance of their functions.

Hood's Sarsaparilla cleanses the blood, restores appetite, gives vitality, vigor, tone—this is one of the reasons why it is called the Greatest Spring Medicine.

Take it.

"I find it pays to take Hood's Sarsapa-
riall in the Spring. It gives a good spring
and cleanses the organs and makes a new one of me. It's worth, my dear," said
L. W. H., a lady from Greenock, Ohi.

"Hood's Sarsaparilla is a perfect health
partner and the best medicine I ever had for purifying the blood. It has given me
good health, since I started on it. Dr. Mary Womack, Janesville,
Wis."

"We have made use of Hood's Sarsapa-
riall in this office for years, and it has been the
best medicine we have ever had for the treatment of the skin. It gives
prompt results and makes the skin soft while it acts."

Hood's Sarsaparilla promises to cure and keeps the promise.
