Quotations of Mining Stocks

About sixty? And yet probably you are not a day over forty! At this time of life gray hair adds twenty years to the looks. What is to be done? Just use Ayer's Hair Vigor, that's all. 'Twill bring back the old, dark color to your gray hair every time, all the dark, rich color your hair used to have. It isn't a dye, something that suddenly changes your hair ; but it's a hair food. something that gradually but surely brings back the old color.

Ayer's Hair Vigor also stops falling of the hair, and keeps the scalp healthy.

"I have used Ayer's Hair Vigor for over thirty years and can testify to its wonderful merit. It has kept the scalp free from dandruff and the bair soft and glossy and has prevented it from turning gray."---Mrs. F. A. SOULE, Billings, Mont.

Bad Circulation is the cause of most of the ills that come with old age. With

advancing years there is a decline of strength and vigor-the machinery of the body moves with less speed and accuracy. Because of the weak and irregular action of the heart the blood moves more slowly, becomes impure and loses much of its life-sustaining properties, and muscles, fiasues and nerves literally starve for lack of nourishment. A sluggish and polluted circulation is followed by a long train of bodily ailments. Cold feet, chilly sensations up and down the spine, poor appetite and digestion, soreness of the muscles, rheumatic pains, hard and fissured skin, face sores, chronic running ulcers on the lower limba and other methods for appende and digestion, softness of the inteces, inclusive pains, hard and insured skin, face sores, chronic running ulcers on the lower limbs and other parts of the body — these and many other diseases peculiar to old people are due to a lack of healthy blood and imperfect circulation. Restoration to health must come through the building up and purification of the blood, thus adding strength and tone to the vital organs and quick, healthy action to the circulation. S. S. S. being strictly a vegetable blood remedy and the best tonic, makes it

the most valuable and efficacious of all medicine for old people. It is free from all mineral ingredients, and mild and pleasant in its action. It cures blood diseases of every character, even those inherited or contracted in early life. As the system of every character, even those inherited or contracted in early life. As the system gets under the influence of S. S. S. there is a marked improvement in the general health, and as richer and purer blood begins to circulate through the body the appetite improves, and there is a softness and elasticity about the skin that you have not noticed for years; sores begin to heal, pains in muscles and joints grad-ually case, and you find that it is possible to be happy and healthy even in old age. Our medical department is in charge of physicians who make a study of blood and skin diseases. If you would like to have their opinion and advice in your case write them all about it and you shall see in a protection of the daties.

Hint to old Folks.

Old age, like disease, brings infirmities; and with the advancing years come the wasted muscles, the failing strength, the wrinkled visage and uncertain step. In old age the vitality is lowered, the heart beats with a feebler pulse and the blood moves through the body at a sluggish pace. The digestion is easily deranged, the nervous forces are weakened and the resistive powers are greatly reduced. It is then that tonics and strengtheners are gratefully received by the failing body; and when the tonic is combined with a nerve-food and vitalizing principle such as DR. MILES' NERVINE contains, the results are peculiarly happy.

"I was all worn-out, felt tired and dull, had pains in my back and side, no appetite for food and was so nervous I could hardly do any thing. Our doctors say old folks must not expect to feel well; but I began taking Dr. Miles' Nervine and it braced me right up. It makes me feel well and strong and has kept me in good health for seven years."

D. M. DEWEY, Murray, Iowa.

Quiets the irritation, rests the tired brain, stimulates the digestion and puts new life and energy into the entire system. You will feel better if you huy a bottle to-day. Sold by druggists on a guarantee. DR. MILES MEDICAL Co., Elkhart, Ind.
