According to the agreement a 54-hour working week is conceded to the machin-ists May 20, and all members of the Nanal Trades Association are bound by the joint agreement to grant this conces.

"It is impossible to obtain from President O'Connell any statement as to just what action has been or may be taken by association relative to carrying out the letter of the existing agreement indexing from press reports and other in-formation obtained, it would seem that the agreement is to be violated Monday next by orders recently issued from the beadquarters of the International Associa-Don of Machinists at Washington.

This seems a most ill-advised action on the part of the machinists' union, for a gives color to the chim that the union is not a responsible body, and is incline Is not a responsible body, and is in rood to violate an agreement made in good faith with the manufacturers. It will also place the union entirely in the wrong and commit them to a most unwarranted breach of faith and will do the labor cause a most serious injury."

Nine-Hour Day at Chicago,

CHICAGO, May 15 .- During the day the following order was received from Washington, signed by International President

"In every shop controlled by the Nation al Metal Trades Association that fails to post a notice of a 12% per cent increase in wages, a strike shall be declared May

Boon after the receipt of the order there was a meeting of the Chicago Associa-tion of Manafaciurers, which embraces nearly all the local members of the Na-dional Metal Trades Association, as well as many outside manufacturers. Resoluassociation to post notices granting nine-hour work day or 54 hours a week, but making no reference to any advance in wages beyond a reaffirmation of the New York agreement, which provides for time and a quarter for overtime.

Shorter Day, No Increase in Wages. CINCINNATI, May 15-At a mass meet-ing touight the machinists of this city, numbering about 5000 men, decided to strike Monday. The manufacturers have eed to the nine-hour demand, but re-e to grant the increase in wages.

Tampa Cigarmakers' Strike.

TAMPA, Fia., May 15 .- Six thousand cigarmakers struck here today owing to an unusual cause. A bridge which con-nects Tampa with her western suburbs strike to force the manufacturers to bring pressure to bear for the quick re-pair of the bridge. By noon 6000 strikers were swarming the streets. Clgar manu-facturers will lose thousands of dollars on tobacco, which was already prepared for today's work

WASHINGTON, May 15.-The feature of the closing session today of the Na-tional Conference of Charities and Cor-rections was the report of the commit-tee on crime made by President Chari-ton T. Lewis, of the New York Prison York and Manila. NEW YORK, May 15 .- A special to the Times from Washington says: A proposition has been laid before Secretary Root for the establishment of a tsunsport line from New York esociation. The report arraigned our nal codes as being without either consistency or justification. Legal punish-ment, it is pointed out, had no material ment, it is pointed out, into a pointed out, in the report contended that the grossest inequalities exist in the terms of imprisonment ar-signed to particular offenses in different states and in the judicial administration to Manila by way of the Suez Canal. The Secretary now has the matter under consideration and will prob-ably decide upon it abortly. The plan is not to supersede the Pacific Transport line, but to have two lines, and the chief ar-gument in its favor is that of economy. It now costs about \$65 to get a soldier United Presbyterian Missions. MONMOUTH, Ill., May 15 .- The wom-n's missionary convention of the United from New York to Manila and the trans port line saves the Government about \$300.-009 on each round trip. From New York to San Francisco it costs about \$35, if the MONMOUTH, 11., May is.-- The won-nn's missionary convention of the United Presbyterian Church continued its ses-sions today. Reports were made showing a total of SST women's missionary schools with 35,927 members. The contributions last year were 366,329, and the special thank offerings \$27,056. Tonight there was a thank offering service. The offerings emonuted to \$25 550. War Department arranges things so as war bepariment aranges images that to take advantage of the concilst rate. From San Francisco to Manila it costs about \$30, whereas the private citizen who wants to go from San Francisco to Ma-nila cannot do it under \$155 without reck-

mittee, had charge of the distribution of

REJECTED BY THE COMMONS,

Law Amending Legal Procedure in Ireland Failed on Second Reading.

LONDON, May 15 .- The House of Com-mons today by 226 to 102 rejected the second reading of the bill amending legal procedure in Ireland. Timothy Healy and other Nationalists vigorously denounced the system of packing juries by which Catholics were placed outside the pale of the law. They advocated the abolition of grand juries and the coercion act, de-claring they would prefer open, honest tyranny and the abolition of the right of trial by jury to the present pro-

cedure. The Attorney-General for Ireland, Mr Atkinson, in replying strongly condemned the bill. He said that so long as the Nationalist members of the House of Commons preach defiance of the law and approve of maiming and murdering jurors, it is absolutely necessary to use the power of jury selections. Contempt of court is growing in Ireland daily, and the law requires strengthening rather ouing the expenses of an enforced stay at Hong Kong of several days. A soldier could be taken from San Francisco to Mathan weakening.

The Reichstag Prorogued.

The exponents of the Suez Canal plan believe that the expense could be still further reduced by running an eastern BERLIN, May 15 .- The Reichstag to day was prorogued until November. Ow-ing to a victory of the obstructionis transport line. The cost of taking a sol-Left today, the present spirits law remains unchanged. It expired September 30, 1901, after which there will be a lapse until the Reichstag, which reconvenes dier from New York to Manila by transport through the Suez Canal is only about \$24. Boycott on American Steel.

LONDON, May 16-A dispatch to the Daily Mall from Geneva asserts that, owing to the steel trust having caused a rise in prices, many Swiss manufactur-ers have joined the Austrian and Geris quite impossible to do away with the Pacific Transport line, and it has not been entertained for a minute. If the Atlantic line is to be established it would not suman manufacturers to effect an American boycott. A meeting of the representatives of the manufacturers contemplating such action will shortly be held in Basie, when the measures to be taken to this end will A compromise plan favored by some Army officials is to run an Atlantic line as an adjunct to the Pacific line with transports making trips at stated inter-vals. A transport could, instead, run out from New York at irregular intervals be discussed.

Sugar Bounty Conference.

Sugar Bounty Conference. LONDON, May 15.—Sir Michāel Hicks-Beach, Chancellor of the Exchequer, In making reply to the request of the West Indian committee for a rebate on colonial sugars, indicated that the government has official information that an interna-tional conference for the suppression of sugar bounties is expected to meet short-ly, for the purpose of considering prowhenever it was thought best to send one from there instead of from San Franly, for the purpose of considering pro posals having such an object in view. Rock Crushed Italian Village. ROME May 15-Most of the houses o HOME, May is most of the houses of the village of Accrenza, near Potenza, have been swept away by the fall of an immense rock. Troops have been dis-patched to the scene of the disaster. Thus far 15 bodies have been recovered.

and graduated from the Homeopathic Hospital of Minneapolis, Minn., writes as

Albert Lea, Minn., Nov. 8, 1899. The Peruna Medicine Co., Columbus, Ohlo:

Gentlemen-"Although my school does not believe in patent medicines, I nave found it to be a fact that Peruna is a grand and valuable medicine. I have known it to cure Mrs. Sampson, suffering with an inflamed womb, aggra-vated by malaria, after the doctors had falled to help her. Another of my former patients suffered with a complication of female diseases; she was so thin, nothing but skin and benes, but Peruna cured her, and she is today in good health and good flesh. Facts prove that Peruna revives lost strength, and restores to the sick that most wonderful blessing of life—health." Lucy Annie Heiser.

If all the tired women and all the nerv ous women, and all the women that need-ed a tonic would read and heed the words of these fair ladies who have spoken right to the point, how many invalids would be prevented, and how many wretched lives be made happy. Peruna restores health in a normal way. Peruna pute right all the mucous membranes of the body, and in this way restores the functions of every organ.

restores the functions of every organ.

Seeking Another Loan. ST. PETERSBURG, May 15, - It is umored that M. De Witte, the Russian Finance Minister, is sacking another loan

Removal of Greene and Gaynors. NEW YORK, Mat 15.-Judge Brown, In the United States District Court, issued an order today for the removal of Captain Benjamin D. Greene, John P., William T. and Edward H. Gaynor, to Savannah, Ga., where they have been indicted for

conspiracy in connection with O. M. Car-ter, formerly Captain of the United States Engineer Corps, in the matter of im provements in Southern harbors. The Judge says:

"The defendants should be ordered re-moved for trial, or give ball for their due appearance."

In his order Judge Brown quotes from the report of Commissioner Shields, who was appointed to take testimony, that after a full and fair examination "It appears that there is probable cause to be-lieve the defendants guilty of the charges contained in the warrant issued for their

removal."

The New Comet.

LICK OBSERVATORY, Cal., May 15 .-The comet discovered at Queenstown Australia, on April 24 was seen here last night. In the strong twilight no tall could be seen, only the head of the comet. Its position, observed by Mr. Aitken at

The press generally welcomes the news from Pekin regarding the indemnity is-sue and expresses a hope that the diplo-mats will not unnecessarily prolong the negotiations on the subject. There is also a general desire for the withdrawal maritime customs. of the German troops as soon as poss

What will happen after the withdrawal from the Province of Chi Li." says the Kreuz Zeltung, "is a riddle for the world. Perhaps there will be a reversion to petri-fied conservatism, perhaps an era of re-form. Everything probably depends upon

the intrigues around the Empress Do ager and the Emperor, intrigues which cannot be calculated. There are also the intrigues involving the heir to the throne. It seems certain, however, that the Manchurian trouble, so far as Russia is con cerned, will not be over when the Province of Chi Li is free of troops. On the contrary, it looks as if Russia would have to reckon with increased Chinese

Pence Reigns Only Within Range of the Allies' Rifles.

VANCOUVER, B. C., May 15 .- According to Shanghai native papers, Wang Tu-Hsten, Chi Li Province, where Mission-ary Stonehouse was killed, has recently been the scene of bloody conflicts with been the scene of bloody conflicts with the converts. Twelve hundred Boxers are said to have attacked the converts and slaughtered the native Christians by the score. The Mercury says that peace reigns only within range of the rifles of the allies, anti-foreign hatred being as strong as ever. There is a report from Tien Tsin that 70,000 insurgents have as-cembled et Years Tsing and that they

Then Tsin that 70,000 insurgents have as-sembled at Yang Tsing, and that they are induiging in all kinds of excesses, violating women, robbing houses, plun-dering tax collectors and declaring their intention of setting up a new Emperor. These insurgents are said to include peo-ple who have lost their homes and other nessessions in the course of the military possessions in the course of the military operations in Chi Li.

The F. &. O. steamer Sobraon was wrecked April 25, near Foo Chow, and was a total loss. All the passengers and crew were saved. Of 120 cases of bubonic plague in Hong

Kong since January 1, 112 have died, in-cluding one victim bitten by a rat, who expired in 12 hours. A shocking condition of affairs is re-

A shocking condition of affairs is re-ported to exist in Northern Honan, which is said to be in a state of great disorder and extreme poverty. Bandits and riot-ers make the bad condition worse, and in the prefecture of Changte, 10,000 are in active rebellion under arms. This is the fourth successive year in which no rain has fallen, so that no crops can be plant-ed. The price of millet has risen to fab-ulous figures. It is stated that girls are being sold by scores into slavery by their starying parents; but boys may be taken

By a collision between two Canton steamers on the Weet River, 60 passen-gers were drowned. Those on board the steamer San Chow were locked in so that they had no chance of escape. It was very dark at the time of the collision and the San Chow eank almost immediately

an important proposal to the Foreign Ministers that China pay the indemnity out of her own native resources on a system affording her special facilities. The proposal entails no increase of the manifered systems ent minute. It is hereditary or may be acquired.

MISSION NOT PEACEFUL.

"Army" of the New York & Bermudese Asphalt Company.

NEW YORK, May 15 .- Twenty-five me NEW YORK. May 15.-Twenty-five men out of 40 employed by the New York & Bermudese Asphalt Company, at the pitch lakes near Guanaco, Venezuela, reached this city yesterday. They brought back with them stories of the trouble which has attracted so much attention. They wore a uniform and looked like regular Army men. They came to be paid off. According to stories told by different members of the disbanded army, when they signed articles to go to Venezuela, they considered their mission a peaceful

they signed articles to go to Venezuela, they considered their mission a peaceful one. They left Brooklyn, February 2 last and were landed at Guanaco II days later. They were marched back to the pitch or asphalt lakes, where quarters were pro-vided in a big hut built for the occasion. Each man was turnished with a complete resistance there for years, which may her momentarily to relinquish part Each man was furnlaked with a complete uniform. A Winchester rifle, 50 rounds of ammunition and a big revolver was fur-

nished to every man, Captain Brackett took command of the

army and instructed them in their duties. They were not supposed to do any work on the asphalt beds, but were instructed

ness-like appearance every time any func-tionary of the Venezuela Government ap-peared at the lakes, that the visiting offcial generally retired amid much chattering and wild gesticulations.

Word was brought into eamp March 15 by scouts that a company from the War-ner Quintar Asphalt Company, of Syra-cuse, which is being backed by the Venesuelan Government, and which lays claim to the pitch lakes now being worked by the New York & Bermudese Company.

intended raiding the lakes, that day, in force. Then the little army was mar-shaled out for active service. Rations were doled out and care was taken to see that each man carried full 59 rounds of ammunition for his rifle, besides his

The invaders proved to be a surveying party from the rival company, accom-panied by a guard. They numbered 13 in panied by a guard. They numbered is in all. They were approaching through the tail grass that surrounded the lakes, and stumbled into ambush set by Captain Brackett. Eight of the invaders threw down their arms and implements and begged for quarter. They were taken prisoners and were marched off to the Bermudese Company's storehouse. Three Bermudese Company's storehouse. Three others were finally hunted out of the grass

while two who were in charge of the in-vading party escaped. In addition to their prisoners, the army also captured the sur-veying outfit of the invaders.

Wireless Telegraphy Recommended. WASHINGTON, May 15,-Admiral Bradgers were drowned. Those on board the steamer San Chow were locked in so that they had no chance of escape. It was very dark at the time of the collision and the San Chow eank almost immediately in deep water. A party of officers from the British

It appears in swollen glands, scrofnious sores, hip disease, boils, pimples, eruptions, and, as believed by high
