June "White Days" at Meier & Frank's

Saturday morning at 8:30 o'clock these doors swing open on the most spectacular showing and the greatest sale of White Goods the Northwest has ever known. We doubt if a more elaborate interior decoration has ever been attempted throughout the length and breadth of the land. Unbounded enthusiasm has infected every employe. Every nook and corner of the establishment is ablaze in white. For three weeks we've been planning and preparing to make these June "White Days" the greatest trade event you or we have ever known—an event you will long remember with pleasure. Other stores may try and imitate—but only mushrooms grow over night, and decidedly poor ones at that. Force of example and originality is a power few merchants around these parts value. At least appearances point that way. To enthrall our salespeople to their greatest effort we have offered \$50.00 IN PRIZES FOR THE BEST DECORATIONS AND MOST NOVEL IDEA, with the result the displays are worth coming miles to see. All are fast reaching completion, and will be ready for your approval Saturday morning, and continue for one week.

Every article of White Merchandise in the entire store will be offered at greatly reduced prices

Offering the greatest opportunity for buying seasonable Wearing Apparel and desirable Household Linens, Sheetings, etc., at a great saving. Look over this list and prepare to do your shopping during Meier & Frank's June "White Days." Commencing Saturday at 8:30.
