OUR STORE CLOSSES EVERY DAY AT 6 P. M.

OUR Great White Sale COMMENCES THIS MORNING

It will be an unreserved offering of everything that's white throughout the whole store at

A Big Reduction From Its Real Value

Whatever we undertake to do we do it thoroughly. No half way measures will satisfy us. Therefore our reductions during this sale will be radical. Our salespeople will tell you the exact values as well as the reduced prices on every item. No parade, no jugglery, no hullabaloo to confuse buyers. Our white goods preparations were made on an immense scale. We show everything that anyone else shows and much that no other Portland house has ever attempted to show. COMPARISONS WILL TELL. See all other stocks of white goods in the city, then come to us. We'll show you more goods, better varieties and better bargains than you can hope to find elsewhere.

Our Preparations Commenced 6 Months Ago

When we sent to Eastern factories, in addition to our regular corps of buyers, special buyers, one each to arrange for the following white lines:

LADIES' AND CHILDREN'S UNDERMUSLINS
LADIES' WHITE DRESSES AND WAISTS
LINENS AND WHITE DRESS GOODS
LACE CURTAINS AND CURTAIN MATERIALS
TABLE CHINA AND GLASSWARE

Here are a few of the results. Will tell you of more each day. Watch for them closely.

JUNE "WHITE DAYS" AT MEIER & FRANK'S

Open up at 8:30 this morning with the promise of being the most elaborate merchandising event ever planned in the Far West. The June "White Days" and related merchandise are ready—which means the completion—the culmination of three weeks of strenuous effort on the part of every employee of the concern to make this event one you will long remember with pleasure. The friendly rivalry among the various departments for the prize offering has resulted in many beautiful and novel displays. We want you to come and see them all. Then fix in your mind, as it is in ours, the leading facts, the fine advantages and unequalled economies that make this occasion of such surpassing interest. Others may have "White Sales" and the like, but it's only a poor attempt to check our progress. We offer you the opportunity of buying white merchandise at extraordinarily low prices.
