SAN FRANCISCO CHOSEN

SHRINERS WILL COME TO THE COAST NEXT YEAR.

Philip C. Shaffer, of Philadelphia, Was Elected Imperial Potentate and Other Officers Were Chosen.

KANSAS CITY, June 12.—This has been a busy day for the Shriners of North America, who are here attending the 27th annual meeting of their order. The day's programme was interspersed with business and pleasure, and from the early morning hours until the conclusion of the grand annual ball at Convention Hall tonight, the Shriners were on the move.

San Francisco will entertain the order next year during the first week in June. The imperial council met at the Baltimore Hotel and transacted important business of the meeting. The Golden Gate City won on the first ballot. New officers for the next year were also elected as follows: Philip C. Shaffer, of Philadelphia, imperial potentate; Henry C. Akin, of Omaha, imperial deputy; George H. Green, of Dallas, Tex., imperial chief rabban; George L. Brown, of Buffalo, imperial assistant rabban; Harry A. Collins, of Toronto, Canada, imperial high priest and prophet; A. P. Clayton, St. Joseph, Mo., imperial Oriental guide; William S. Brown, of Pittsburg, imperial treasurer, and Benjamin Rowell, of Boston, imperial recorder.

After Mr. Shaffer has been installed, he appointed five imperial officers, as follows: Rial S. Peck, Hartford, Conn., imperial first ceremonial master; I. Alderman, Marion, Ia., imperial second ceremonial master; Archibald N. Sloan, Chattanooga, Tenn., imperial marshal; General George L. Street, Richmond, Va., imperial captain of guards; Frank C. Roundy, Chicago, imperial outer guard. The council then adjourned until the meeting next June. The visiting Shriners, including many women, were entertained this morning by a visit to the packing-houses.

There was an exhibition drill of seven patrols of Shriners at Exposition Park this afternoon. The teams which participated in the drill were: The Aladdin, of Columbus, O.; the Moilao, of St. Joseph, Mo.; the Moolah, of St. Louis; the Tangier, of Omaha; the Zurah, of Minneapolis; the Medinah, of Chicago, and the Arayat, of Kansas City. Each of the six visiting patrols was given a handsome banneret or small banner by the Arayat Temple, their host in Kansas City.

MODERN WOODMEN OF AMERICA.

Question of Taking In the Cities Settled for Years to Come.

ST. PAUL, June 12.—Election of officers and a protracted contest over the admission of cities of over 200,000 to the jurisdiction of the order filled the business day of the Modern Woodmen of America today. The proposition to take city members into the order came up on the report from the law committee. An amendment was proposed to this report to dispense with the present limits, which keeps cities of over 200,000 from joining the order, Chicago, St. Louis, Milwaukee, Buffalo, Detroit, Cleveland, San Francisco, Cincinnati, Philadelphia and Pittsburg being named in several motions and then being taken up one at a time and voted upon. On Chicago, the vote was 260 to 228, and the others were more quickly disposed of, all being voted down. This leaves paragraph four of the law committee's report with the single recommendation that Utah be admitted to the jurisdiction of the order, and this amendment will doubless be carried Friday. The action this afternoon is considered as settling for some years to come the membership limitations of the Modern Woodmen.

The first business today was the election of officers, Head Consul W. A. Northcott, of Illinois; head clerk, C. W. Hawes, of Illinois, and head adviser, Dan B. Herd, of Iowa, were re-elected. R. R. Smith, of Brookfield, Mo., was elected head banker. Physicians were elected for each state, and the following were nominated for directors, five vacancies having to be filled: Benjamin D. Smith, of Manualo, Minn.; J. N. Reece, of Springfield, Ill.; E. E. Murphy, of Leavenworth, Kan.; G. W. Reilly, of Danville, Ill.; C. G. Saunders, of Council Bluffs, Ia., and T. E. Hopkins, of Rockford, Ill. Smith, Reece and Murphy are at present directors up for re-election. After the election of Head Consul Northcott, who has served five terms successively, he announced that he would not again be a candidate for the position, but would retire at the end of his term. The vote for directors resulted: Hopkins, 570; Reilly, 508; Murphy, 580; Talbot, 509; Smith, 580; Saunders, 564.

Board of Auditors: M. Carrier, Minnesota; F. W. Pratt, Kansas; E. B. Thomas, Ohio; John C. Dennison, Iowa; A. N. Bort, Wisconsin.

Head physicians were chosen for the various states, including the following: Wyoming, John H. Conway, Cheyenne; Idaho, W. A. Adair, Moscow; Washington, F. C. Miller, Tacoma; Oregon, Hamilton Meade, Portland; California, Foster W. Bassett; Montana, S. L. Leard.

As the afternoon session, the election of officers was completed by the election of the following: Head chaplain, Rev. James L. Churm, Waupan, Wis.; head escort, C. D. Elliott, Washington; head watchman, H. M. Riche, Richland, Mo.; head sentry, A. E. Bates, Minnesota.

This afternoon there was a grand review of the uniformed camps by the officers and delegates at Camp Northcott.

General Mitchell, commanding at Camp Northcott, has announced the promotion of Lieutenant-Colonel W. M. Saxton, Topeka, Kan., assistant inspector general to the position of inspector-general, with the rank of Colonel.

The competitive drill, considered one of the greatest features of the Woodmen's encampment, was begun today. The drill plot was in Milton street and University avenue. Gus Smith Camp, Des Moines, won a standard of 97. Lincoln Division No. 1, Lincoln, Neb., was given the mark 96.2. Independence Camp, Rock Island, Ill., followed, and won a mark of 88.05

AMERICAN TRADE IN THE ORIENT.

Minister Wu's Address to the Southern Industrial Convention.

PHILADELPHIA, June 12.—At the Southern industrial convention today "The Relations of the Southern States to the Productive Wealth of the Nation" was discussed by the Governors of the various states or their representatives. Specially appointed delegates presented "The Industrial Commercial Advantages of the Cities of the South."

Horticultural Hall was crowded tonight when Wu Ting Fang, the Chinese Minister, addressed the convention on "American Trade With the Orient." Minister Wu was given a flattering reception, and his speech was frequently interrupted by applause. He said:

"The world today is pervaded with a spirit of commercialism. The cry now everywhere is commercial expansion. This is very good. I am very glad to hear it. It is far better than territorial expansion. This latter expansion in many cases works hardship and does injustice. In making this comparison I do not mean to refer to any nation or to any individual; I am speaking in a general way. Trade and commerce is good for us; it benefits you and it benefits us; it is a mutual advantage.

"There are those who for some trade concession make an excuse to seize territory, and there are merchants, and those belong to the great, numerous class who are sincere in their trade and give what they take; they earnestly deal in what they possess. China is one of those nations which consume more than they can produce. So in many things we have turned to the foreigners for goods that we need. Thus, China is the greatest market for your people. We consume many things that we do not grow."

Continuing, Mr. Wu said China's imports of American cotton were increasing every year. He said it had been argued that China was economical, and would not purchase many American manufactures, especially those termed luxuries. Human nature, he said, is never satisfied, and the Chinese will buy many things when they come to know the use of them.

"Commerce," said Minister Wu, "makes friends, cements friendship and maintains peace. Therefore, by extending your commerce, you will be indirectly maintaining the peace of the world."

PORTLAND SHOULD GET IT

NATIONAL EDUCATIONAL CONVENTION IN 1902.

Superintendent Ackerman Suggests That an Invitation Be at Once Extended to the Association.

SALEM, June 12.—Superintendent of Public Instruction J. H. Ackerman is of the opinion that Portland stands a good chance of securing the National Educational Association meeting in 1902, and suggests that arrangements should be made at once to extend an invitation to the association and properly to urge the claims of that city. The meetings of the National Educational Association are attended by thousands of teachers in public and private schools in every section of the United States. If Portland should secure the meeting for next year, those teachers would learn of the climate and resources of this state and would do more in disseminating that information than would any other class of people. From the sole standpoint of advertising the country, therefore, the holding of a session of the association at Portland would seem to be well worth striving for.

In speaking of the matter today Superintendent Ackerman said:

"It has occurred to me that this might be an opportune time to call the attention of the people of the state, and especially of Portland, to the advisability of extending an invitation on behalf of the state and city to the National Educational Association to hold its next year's session in Portland. The association will meet at Detroit, Mich., July 8-12, and the invitation could be given at that time.

"Such an invitation was extended to the association three years ago, and was well received; so much so that the executive committee of the association, after a careful examination of Portland's claims, reported in favor of Portland as its second choice. With the action of the committee as a guide, may we not hope to secure the association when it next comes to the Coast, as it will in the near future? In fact, many of its prominent members have repeatedly expressed a belief that Portland's chances are excellent if she will only present her claims in the proper way.

"I would suggest that the matter be taken up by the citizens of Portland, and such steps taken as will insure to them this meeting. That a meeting of this great association will be of incalculable value to the educational interests of the state there is no question; hence, it is needless, perhaps, for me to say that the state educational department stands ready to assist in every possible way in securing the association meeting at Portland."

BIDS WERE REJECTED.

Contractors Wanted Too Much for Soldiers' Home Work.

SALEM, June 12.—Bids were opened today for the construction of the new barracks and other improvements at the Oregon Soldiers' Home at Roseburg, but as all the bidders put the price higher than the appropriation, $16,000, all bids were rejected and after the plans and specifications have been modified, another call for bids will be made. The bidders were: Ely, of Salem, $18,372; Erb & Van Patten, of Salem, $18,370; Erickson & Van Patten, of Salem, $17,987. The first two bidders also offered to install the heating plant at $2900.

New Bids for Statehouse Work.

Owing to the fact that plumbers have not had time to secure prices on materials, the bids for making the new lavatory improvements in the statehouse were not opened, but a new call for bids will be made in order that they may have a chance to figure on the job. Only one bid was presented today and that was not opened.

HEIRS FILE STATEMENT.

Object to Bankruptcy Proceedings Against Gilbert Bros' Bank.

SALEM, June 12.—Emma Johnson and Irene Per rine, heirs of the William Cosper estate, today filed a statement in the Probate Court. They are willing that the estate be administered upon according to the terms of the will, and that the suit now pending in the Circuit Court, and brought by Executor Tilmon Ford against Gilbert Bros., be proceeded with. They also desire that Receiver Claud Gatch continue to act until the accounting is complete. The heirs further state that they are opposed to bankruptcy proceedings now pending in the Federal Court, believing the suit in the state court to be the proper method for obtaining a complete accounting, and, that the case can be more economically managed in the state court. They authorize the Executor to use his best endeavors to have the bangruptcy proceedings dismissed or stayed.

This statement by the Cosper heirs will be presented in the United States District Court for consideration in the bankruptcy proceedings against Gilbert Bros. The present indication is that litigation will be reduced to a minimum.

THE EMPEROR AT PRAGUE

FRANCIS JOSEPH AGAIN VISITS BOHEMIA.

His First Trip to the Country in Ten Years—African Soldiers Decorated by King Edward.

PRAGUE, Bohemia, June 12.—Emperor Francis Joseph arrived here today for a visit of five days. It is the first visit he has made to Bohemia during the last 10 years, and he is now here in the interest of German-Czech conciliation. His Majesty is accompanied by a suite of 300 persons and will attend an elaborate programme of festivities, likely to prove rather exhausting at his age. The city is crowded with visitors and great precautions are taken to insure the safety of the Emperor. He was received by the municipal authorities with elaborate ceremonies and, when replying to the Burgomaster's address of welcome, expressed his never-failing interest in the lovely City of Prague and his deep thanks for the hearty reception given him. He then drove through the gaily-decorated streets to the regal palace, the populace cheering vociferously.

Each day's ceremonies have been planned so that the Czechs and Germans may share equally in the imperial favor. Great difficulty arose as to which theater His Majesty should visit first, the decision finally falling upon the Czech Theater, because Dvorak's new opera, "Russalkae," is billed for performance there.

Although the National feeling has subsided sufficiently to warrant the imperial visit, the day did not pass without its incident. The clubhouse of the German Students' League was decorated with German colors, black, red and yellow. Czech crowds gathered and insisted that the colors be removed. When the Germans refused to comply with the demand, the Czechs tore them down amid shouts of "Down with the Prussians." The police are forbidden to use any but Austrian colors, black and yellow, and in order to avoid friction, many artistic invitations have been issued in the French language.

MEDALS FOR VETERANS.

Soldiers From South Africa Decorated by King Edward.

LONDON, June 12.—London seldom has a finer spectacle than was witnessed on the Horse Guards parade today when King Edward presented medals to 3000 soldier participants in the South African campaign. The great square was lined with guards drawn from the various regiments. In the center of the ground was a purple-covered dais surmounted by an Indian tent, with silver corner poles. In the space between the dais and St. James' Park were drawn up 3000 officers and men of the Guards, Household Cavalry and City Imperial Volunteers, all of whom had served in the campaign. The Admiralty, Horse Guards and other official buildings fronting the parade-ground were all decorated with flags. From the house of Joseph H. Choate, the United States Ambassador, on Carlton House Terrace, flew the American flag. The Lord Mayor, Frank Green, attended in state, and the members of the special Moorish Embassy, in picturesque costumes, were interested spectators.

Promptly at 11 o'clock King Edward, the Queen, Princess Victoria and other members of the royal family arrived and took up places on the dais, and the ceremony began. The recipients of the medals, in a long line, marched past the King, received the decoration from His Majesty, saluted and passed on. Lord Roberts came first, followed by Lord Milner, and behind them crowds of Generals and lesser officers whose names have become familiar owing to the war. Among the members of Lord Roberts' South African staff who received the medal was Captain, the Duke of Marlborough.

The procession as a whole was incongruous. The officers of the Guards, Lancers, Hussars and Highlanders, in dazzling uniforms, groups of solemnly garbed men in frock coats, doctors who had served at the front, and half a dozen foreign attaches in uniform. There were also groups of time-expired men in civil clothes, and wounded soldiers, limping along in hospital clothes. The ceremony lasted nearly three hours, the Queen standing beside the King throughout.
