CONONER'S JURY SAYS THEY MUR-DERED MEREDITH.

Either the Blows by Tom, or Shot by John, Would Have ' Proved Fatal.

SEATTLE, June 27 .- The Coroner's jury Impaneled this morning to investigate the causes leading up to the shooting result-ing in the killing of ex-Chief of Police William L. Meredith by John Considine, on the afternoon of June 25, returned the wing verdict:

"We, the jury, find that said W. L. Meredith was murdered by John. Consi-dine, assisted by Tom Considine, by befing struck on the head with a revolver, fracturing the skull in two places, by Tom Considine, and being shot in the body three times by John Considine, other gunshot wound being sufficient to cause the denth of the said W. L. Meredith, some taking place at Guy's drug stord, June 53, 1901."" The jury was composed of six repre-

sentative business men. Immediately af. ter the verdict was returned warrants were sworn to by A. G. Lune, and they were served upon the Considine brothers in their cells at the County Jail. The Restimony brought out the fact clearly that Meredith fired the first two shots and also that when Considine approached Meredith and fired the first shot Meredith was in a semi-conscious condition and leaning against a glass showcase. The last two shots were fired by Considin-The when Meredith was failing to the floor. Tom and John Considine attended the squeet, and left immediately after the taking of the treatmony, without offering sug tostimony in their own behalf. The functal of W. L. Meredith will be held in this city June 29.

in Clatsop County. ASTORIA, June 27 .- One of the largest timber deals ever made in this part of the state will soon be closed. The deeds, abstracts and other necessary papers have

been sent East for approval. The pur chasers are residents of Ashland, Wis., and the land comprises between 5000 and 6000 acres of very choice timber situated on or tributary to the Clatsfianie River, about 12 miles south of this city. Mr. Dunfur, at present in Portland, has had charge o the Eastern end of the negotiations, and W. H. Brudford and George Finley attended to the business here. It is un derstood that if the papers are satisfac-tory the money will be paid early in July, Grove never enjoyed before. and the purchasers will then be in the field for another large body of timber land in the same vicipity.

# Guilty of Smuggling Oplum.

SEATTLE, June 27.-T. P. Hodgson and William Wilson were today declared guilty of smuggling 500 pounds of optum from Canada to the United States, in the Federal Court. This concludes one of the most important cases tried in this court for years. The oplum ring, which was broken up by the local customs inspect. ors last Spring, had been smuggling in about 1209 pounds of the drug into this port each month from Victoria. The ring consisted of four men, of whom Hodgson, the alleged leader, and Wilson were the only ones to be arrested. Most of the evi. dence against these men had been gath-ered after long and difficult work on the part of the customs inspectors.

Brick Building for Monmouth. MONMOUTH, June 27.-A two-story brick building is to be erected here at once by a local stock company. The structure will be 75 by 60 feet in size, and contain two stores. The lower floor will be occupied by the postoffice and stores, while the second story will be given over to offices and a first-class op-era house. Healder this improvement
