BOTH WENT TO PORTLAND

BALL PLAYERS BEAT SPOKANE IN GOOD STYLE.

Heavy Batting in the Morning, and Clever Fielding and Pitching in Afternoon.

SPOKANE, July 4.—The Portland balltossers won two games from Spokane today. The Portland boys had their "eagle" eyes with them and touched Weiner up lively. They made 13 runs, while their opponents only got six long marks to their credit. Neither Salisbury for Portland nor Wilner for Spokane pitched a good game. Tinker, Swindells, Kelly and Bottenus did good stick work. Muller, Portland's left fielder, made several sensational plays. The score at the morning game follows:

HONORS EVEN AT SEATTLE.

Home Team Won in the Morning, and Tacoma in the Afternoon.

SEATTLE, July 4.—Honors were even today in the ball games here, the morning game going to Seattle by a score of 4 to 3, and Tacoma winning in the afternoon by 8 to 4. In the afternoon game hard hitting by the visitors and several costly errors by Seattle cost the home team the game. Seattle failed to score until the ninth inning, when by a magnificent batting rally they touched up Adams for five hits and four runs. The score:

AMERICAN LEAGUE.

Cleveland Takes Two Interesting Games From Chicago.

CLEVELAND, Ohio, July 4.—By outbatting the leaders two to one, Cleveland took the first game from the champions, although the latter team fielded magnificently. Cleveland's hitting was hard and timely. Attendance, 5000. Score:

R H E | R H E
Chicago ....2 8 0|Cleveland 8 16 1

Batteries—Cleveland, Hart and Wood; Chicago, Patterson and Sugden. Umpire, Haskell.

Afternoon game—

Up to the ninth inning of the afternoon game Chicago was unable to do a thing with Hoffer's pitching. Attendance, 5000. The score:

Cleveland .... 6 7 2|Chicago 5 11 5

Batteries—Hoffer and Wood; Harvey and Sullivan.

Milwaukee vs. Detroit.

MILWAUKEE, July 4.—Loose fielding on the part of the home team, coupled with a multiplicity of errors, gave the morning game to Detroit. Attendance, 1000. Score:

R H E | R H E
Detroit ....5 5 2|Milwaukee 1 6 7

Batteries—Milwaukee, Sparks and Connor; Detroit, Heigh and Shaw. Umpire, Cantillon.

Afternoon game—

Milwaukee turned the tables on Detroit this afternoon, winning a hotly contested game in the ninth inning on an opportune hit by Anderson. Attendance, 5000. The score:

Boston and Cincinnati Broke Even in Two Well-Played Games.

CINCINNATI, July 4.—There was scoring in only one inning of the morning game between Cincinnati and Boston, and the local team was the fortunate one. Phillips' single, and doubles by Harley and Beckley were responsible for the two runs made by Cincinnati. Attendance, 3000. The score:

R H E | R H E
Boston .... 0 4 1|Cincinnati 2 8 2

Batteries—Willis, Dineen and Moran; Phillips and Bergen. Umpire—Cunningham.

Afternoon game—

Murphy saved the game for Boston in the ninth inning of the game by one of the most remarkable catches ever seen on a ball field. With Magoon on first, Peitz sent a sharp liner to the left center, which looked good for a home run. Murphy, when he saw that he could not reach the ball on the run, deliberately slid fully 10 feet over the ground and caught the ball while lying on his stomach. He then doubled Magoon up at second. Attendance, 2800. The score:

R H E | R H E
Cincinnati ... 4 4 3|Boston 6 12 4

Batteries—Newton, Scott and Bergen; Nichols and Kittredge. Umpire—Cunningham.

St. Louis-Philadelphia Games.

ST. LOUIS, July 4.—St. Louis won the morning game when the intolerable heat began to tell on Duggleby. Four singles and two doubles netted four runs. Harper was almost overcome in the eighth, but stuck bravely to his task, and lasted long enough to win out. Attendance, 12,000. The score:

R H E | R H E
St. Louis ..... 6 13 3|Philadelphia .. 2 6 0

Batteries—Harper and Ryan; Duggleby and McFarland. Umpire—O'Day.

Afternoon game—

Orth won a pitchers' battle for Philadelphia from Powell, and gave the local team its first shut-out of the season. Flicks' single and a double by Jennings scored the only run. The total attendance was 32,000, and in the afternoon 20,000. The score:

R H E | R H E
St. Louis ..... 0 5 1|Philadelphia .. 1 5 0

Batteries—Powell and Ryan; Orth and Jacklitch. Umpire—O'Day.

New York and Pittsburg Break Even

PITTSBURG, July 4.—The morning game between Pittsburg and New York was a grand 12-inning battle, replete with fine fielding and pitching. Tannehill was hit by a batted ball in the second inning and gave way to Chesbro in the fifth. Matthewson pitched a nice game throughout. Attendance, 8000. The score:

R H E | R H E
New York .... 5 14 1|Pittsburg 3 11 1

Batteries—Matthewson and Warner; Tannehill, Chesbro and Zimmer.

Afternoon game—

The afternoon game was too one-sided to be interesting. Taylor was knocked out of the box in the second inning, after seven hits and seven runs had been made. Pittsburg played a fast and brilliant game. Attendance, 7505. The score:

R H E | R H E
Pittsburg ....12 14 1|New York 0 7 0

Batteries—Leever and Zimmer; Taylor, Doheny and Van Haltren. Umpire—Colgan.

Chicago Takes Two From Brooklyn.

CHICAGO, July 4.—Chicago won the morning game by batting Kitson all over the field in the third, fourth and fifth innings. The score:

R H E | R H E
Brooklyn ..... 3 7 1|Chicago 5 16 2

Batteries—Taylor and Kahoe; Kitson and Farrell. Umpire—Nash.

Afternoon game—

Both teams played amateur ball in the afternoon game, bases on balls and errors of the rankest kind figuring largely in the run-getting. The misplays of the visitors were the more costly. Attendance, 3500. The score:

R H E | R H E
Chicago ......10 11 4|Brooklyn 9 12 6

Batteries—Waddell, Hughes and Kahoe; Donovan and McGuire. Umpire—Nash.

Fontellas Beat Walla Walla.

WALLA WALLA, July 4.—For seven innings today, it looked like a shut-out for the home team, but in the last half of the eighth inning Berry hit Fleming for two bases, was advanced another on Zan's failure to hold a strike, and counted on Bradbury's sacrifice. This ended Walla Walla's run-getting. The Fontellas made two runs in the first, and one run in both the third and fifth innings. The game was replete with sharp fielding and the errors were on hard chances. Fleming and Berry pitched good ball. The score:

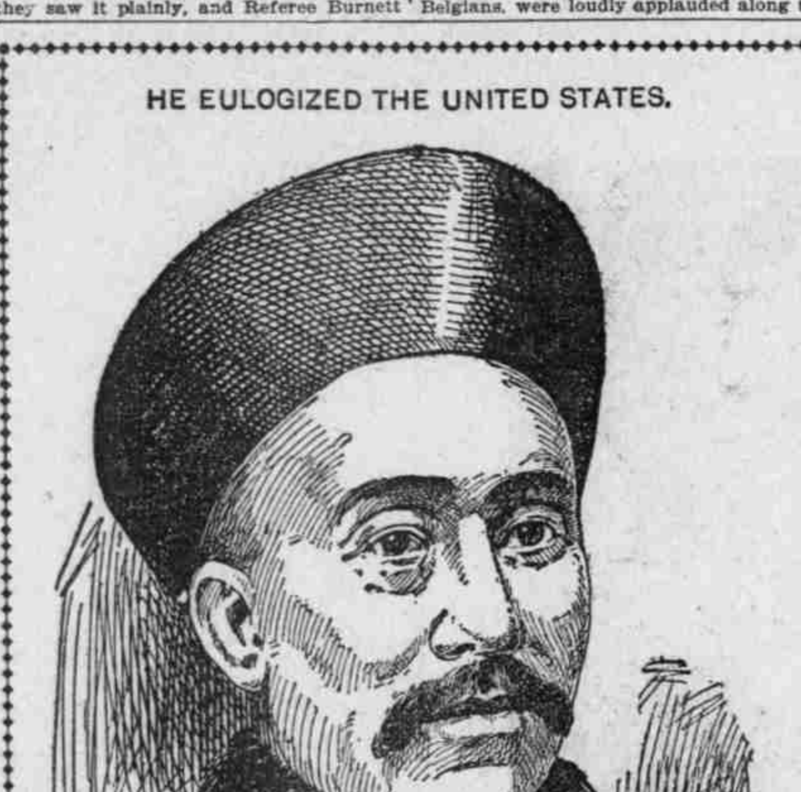
Bicycle Racing at Manhattan Beach.

NEW YORK, July 4.—The feature of the bicycle racing at Manhattan Beach track was a 50-mile motor-paced race between Hoyt, Pierce, McEachern and Linton. Hoyt won by nearly a mile and a half from Pierce, but was disqualified for accepting assistance from his pacemakers by means of a string attached to the rear man on his pacing motor, one end of which Hoyt was accused of holding in his mouth. The string could not be seen from the press box, but the officials said they saw it plainly, and Referee Burnett disqualified Hoyt early in the race, but did not notify him until after the race was over. Pierce was declared the winner, with McEachern second, and Linton third. McEachern was six laps behind Pierce, and about 10 laps ahead of Linton when he crossed the tape. All finished the 50 miles before stopping. Hoyt's time for 50 miles was 50:02.

HE EULOGIZED THE UNITED STATES.



MINISTER WU TING FANG, WHO DELIVERED THE FOURTH OF JULY ORATION AT PHILADELPHIA.

Buffalo Athlete the Champion.

BUFFALO, July 4.—The athletic games that were held in the Stadium today brought out the largest attendance that has ever been seen in that structure. Fully 10,000 persons watched the interesting programme of sports, which occupied the entire day. The events decided were the Amateur Athletic Union's championship of North America, the handicap races and the Marathon road race of 25 miles. Adam G. Gunn, of the Central Y. M. C. A., of Buffalo, won the championship with a percentage of 5739.

Seven men started in the Marathon road race. The course began with a mile in the Stadium, then 23 miles to La Salle and return, the finishing mile being over the Stadium cinder course. The men kept well in a bunch until the turning point at La Salle was reached, when Meller, Jr., of Yonkers, began to pull away. Meller entered the Stadium and finished the final mile before the second man put in an appearance. Davis, an Indian from Hamilton, Ont., was second.

Canadians the Champions.

BUFFALO, July 4.—The Capitols, of Ottawa, defeated the Crescents, of Brooklyn, at the Stadium today, and won the lacrosse championship of the United States and Canada.

YELLOW BOOK ON CHINA.

French Document Pays High Tribute to Rockhill.

PARIS, July 4.—A yellow book has been issued concerning the Chinese negotiations from the end of 1900, when the collective note was presented, to the middle of June, when the Ministers decided the question of indemnity. The dispatches deal chiefly with the decision and settlement, the total indemnity and how China was to pay.

M. Beau, June 12, cabled that the Ministers all agreed on an increase of the import duties 5 per cent, except Mr. Rockhill, who declared he could not consent unless specific duties were substituted for ad valorem; secondly, the improvement of the waterways of the Pei Ho and Wang Po, and the revision of the regulation of the fluvial natvigation. The diplomats agreed on the first two conditions, but there was some objection to the third.

M. Beau, June 15, announced that Mr. Rockhill had declared that his Government would withdraw the third condition.

With regard to the realization of the debt, the British, American and Belgian Ministers declared they could not accept a guaranteed loan and the adoption of the system of bonds was thus inevitable.

M. Beau, June 17, announced that Sir Ernest Satow, the British Minister, had proposed that China pay the indemnity by a system of bonds, and five days later he announced that Mr. Rockhill supported the British Minister in his proposal. M. Beau further said that Mr. Rockhill's support in this matter had brought about the decision the following day of three other powers to the proposition, and had doubtless secured its eventual adoption.

Exposition Architects to Meet.

ST. LOUIS, July 4.—By the direction of President R. Francis, of the Louisiana Purchase Exposition, and the committee on grounds and buildings, the architects to form a commission have been summoned to a conference in this city on Tuesday, July 9. The following compose the commission of architects: Cass Gilbert, St. Paul and New York; Carrere & Hastings, New York; Van Brunt & Howe, Kansas City; Walker & Kimball, Omaha and Boston; D. B. Burnham & Co., Isaac S. Taylor, Ames & Young, Barnett, Hayes & Barnett, Chicago; Widemann, Walsh & Boisselier, and Theo Link, St. Louis.

AMERICANS CAME IN FIRST

PENNSYLVANIANS DEFEATED THE THAMES ROWING CLUB.

Will Meet Leanders in the Final Heat for the Grand Challenge Cup Today.

HENLEY, July 4.—The second day of the Henley regatta was signalized by another victory for the Americans, the oarsmen from the University of Pennsylvania defeating the Thames Rowing Club and thus winning their second heat. As the Leanders defeated the Belgian crew, the Pennsylvanians will meet the Leanders in the final heat for the Grand Challenge cup tomorrow. A bright, hot sun was shining today and there was no wind. Soon after 11 o'clock the Leanders, paddling to the start for their race with the Belgians, were loudly applauded along the course, but their reception was quite eclipsed by that given to the Americans who followed a few minutes later.

There was a difference of only five minutes between the two races and no sooner had Umpire Williams sent the Leanders and Belgians off than Umpire Putnam's launch took its place to start the Americans and the Thames crew. There was a capital start and the Pennsylvanians had three-fourths of a length lead before the top of the island was reached. They rowed 11 strokes in the first quarter, 22 in the first half and 41 for the first minute. The Americans got away steadily and easily from that point, and dropped their stroke to 38. They did half the distance in 3:30. Their opponents did the half in 3:42. Opposite the Leander enclosure the Pennsylvanians were three lengths ahead, and although they again eased considerably and the others spurted, the Thames men were never able to make up anything. Passing the grandstand, the Americans could not resist a little spurt, and they rowed past with a dozen strokes at the rate of 41 to the minute.

The Americans had a very friendly reception. Ellis Ward, the American coach, who was in the umpire's launch, expressed himself as being thoroughly satisfied and confident.

Leander-Belgian Race.

The Leander-Belgian race was a hard one, but not so severe as expected. The Leanders got away with surprising rapidity, at the rate of 43, and secured a bare length's lead at the top of the island. The Belgians soon struck a rapid gait, and began to come up, but they could not catch the Leanders. Off Fawley Court, which they did in 3:24, the Leanders were again clear. Off the Grosvenor Club the Belgians spurted, and nearly got up level. A splendid race home followed, the Leanders winning by a bare length. The Leanders finished strong, and it was agreed that tomorrow's meeting between the Leanders and the Americans will be a hard race.

The results of the heats today were as follows:

Grand Challenge Cup, third heat—The Leander Rowing Club beat the Belgian crew by three-quarters of a length. Time, 7:08.

Grand Challenge Cup, fourth heat—Pennsylvania University beat the Thames Rowing Club by three lengths. Time, 7:22.

Thames Challenge Cup, eighth heat—Kingston Rowing Club beat the Royal School of Mines by a length and a half. Time, 7:24.

Visitors' Challenge Cup, second heat—Caius College, Cambridge, beat New College, Oxford. Caius arrived alone. Number 3 of the New College crew broke his slide. Caius stopped, but the damage could not be repaired.

Thames Challenge Cup, ninth heat—Trinity Hall, Cambridge, beat Worcester College, Oxford, by a length. Time, 7:26.

Visitors' Challenge Cup, third heat—Balliot College, Oxford, beat First Trinity, Cambridge, by two lengths. Time, 8:14.

Diamond Challenge Sculls, fourth heat—C. V. Fox beat S. T. Blackstaffe by a length and three-quarters. Time, 8:46.

Ladies' Challenge Plate, third heat—Eton beat Radley College by two and a quarter lengths. Time, 7:33.

The Stewards' Challenge Cup, first heat—Leander beat London Rowing Club easily. Time, 8:05.

The Diamond Challenge Sculls, fifth heat—G. Ashe beat K. Johnson by two and three-quarters lengths. Time, 8:53.

The Wyford challenge cup, fifth heat—Christ College, Cambridge, won, beating the Thames Rowing Club by four feet. Time, 8:13.

Ladies' challenge plate, fourth heat—University College, Oxford, beat Worcester College, Oxford, by two lengths. Time, 7:32.

The silver goblets, first heat—The Belgians had a row over. The Leander crew was scratched.

Wyford challenge cup, sixth heat—Trinity Hall, Cambridge, beat the Kingston Rowing Club by a length. Time, 8:00.

COOK DISCUSSES RACE.

HENLEY, July 4.—Theodore Cook, the well-known Oxford oarsman, writing on today's Henley races for the Associated Press said:

"When Umpire Pitman gave the word "go," the Pennsylvanians leaped forward to their work with square blades, and tore out a half-dozen strokes before the Thames crew had finished four. They crowded fully 41 strokes into the first minute, though they were far from neat, but there was not much splashing. This, however, made no difference, for the Thames crew could row only 39 and had lost three-quarters of a length by the time the island had been passed. The Pennsylvanians continued at full steam, getting farther and farther away from their weak adversaries. They reached half way in 3 minutes and 40 seconds, a time which deserves careful remembrance. Soon after this, as the Thames men were completely out of the hunt, the Pennsylvanians settled into that lively paddle, at half-steam, at 36, for which they are so famous. It is extremely useful to nurse a crew which has established a good lead and save up its powers until they are wanted again. But it has been seen in these races for the last time.

"The Leander oarsmen improved on their previous performance and their improvement has not finished. But far more important is the fact that today the Englishmen reached Frawley no less than six seconds faster than Pennsylvania, and when the two meet each other there will not be that difference, because the Leander oarsmen never get farther ahead than they can help. The difference in pace necessitated for the Pennsylvanians will have a serious effect upon the middle half-mile, which hitherto has been such an easy thing for them.

"A curious contrast to the solemn aloofness of the Pennsylvanians, who have never seen anything of the regatta, is that Leander rowed four of their men from the eight in the Steward's race, and that Payne and Burnell were to have had a third trial at 6 o'clock against the Belgian pair, but were scratched. No better contrast could be suggested of the way in which English and American oarsmen gain their experience and training. In the first race they see all they can and do all they can. The second time they row against the watch. We shall see the result tomorrow."

Coach Ward and Coxswain Smith.

"Some people," said Coach Ward, "wonder why our fellows do not spend their spare time running about Henley. We have our work cut out for us, and until that is done we do not want to spend any more time in the Thames Valley than possible. Old Ten Eyck told me, when we first began to talk about coming to England, that if I kept the crew on the hilltop, Henley is as healthy as Saratoga.

"'Malaria,' he said, 'is a mighty good excuse if beaten; but never say it.'

"Pennsylvania has not got malaria and is not going to get it. Dr. Wait said the crew stepped out of its boat as fresh as rain. Davenport (No. 1), who was an invalid a few weeks before he left the United States, is as good as any one in the boat, and that is saying much."

Coxswain Smith said:

"We have the same station tomorrow as we had today, and while I did not steer as near the piles as I might, I like the station, and think we have all got a little up our sleeves for tomorrow."

Four of the Leanders' grand challenge cup crew, Goldie, Etherington-Smith, Burnell and Payne, turned out at 3:30 P. M. and beat the London Rowing Club easily and thoroughly in the first heat of the Steward's challenge cup for four, winning by a length and a quarter. Payne and Burnell were to have competed at 6 o'clock in the first heat for the silver goblets against the Belgian four, but the two Leander men were scratched.

RACE OF THE SHAMROCKS.

Failure of Wind Made It Nothing More Than a Drifting Match.

ROTHESAY, Firth-on-Clyde, July 4.—Failure of the wind caused a disappointing outcome of a projected trial race between the two Shamrocks. Five miles from the starting point the Shamrock I was an eighth of a mile ahead. A little later Shamrock II became becalmed, and the old boat returned to the challenger for a fresh start. In the startoff, the Shamrock II had a minute and a half the better of the older yacht, which, however, was soon overcome. In a better breeze off Cumbrae Shamrock II regained some of the lost ground and lapping the Shamrock I's quarter, engaged in a drifting match which ended the day's contest in a way that was utterly inconclusive.

New Hammer-Throwing Record.

NEW YORK, July 4.—The feature of the track and field games of the Sixty-ninth Regiment, which were held today at Celtic Park, Long Island City, was the handicap contest in which John Flannagan, of the New York Athletic Club, threw the 16-pound hammer a distance of 175 feet, 4¾ inches from a nine-foot circle. A few weeks ago Alfred Plaw, of the University of California, was credited with 171 feet 2 inches, under similar conditions, and Flannagan took the first opportunity to wipe out these figures and replace them with a better record. He now holds the seven-foot and nine-foot record of the world with a 16-pound hammer. The hammer was carefully weighed and found to be two ounces over weight.

Oxford-Cambridge Cricket Match.

LONDON, July 4.—The Oxford-Cambridge annual cricket match, which commenced today at Lords, was played before a fashionable crowd. The teams were equally matched but neither was up to the usual 'varsity standard. The Cambridge eleven commenced the batting. When a recess was taken for lunch, the score for Cambridge was 100 runs for two wickets.

Cambridge was all out in the first inning for 32 runs. At the close of play for the day, Oxford in its first inning had scored 34 runs for one wicket down.

Mellor Won Marathon Road Race.

BUFFALO, July 4.—The all-round championships of the Amateur Athletic Union were run off at the Stadium in the Pan-American grounds today. There were 10 events on the programme, including the Marathon road race, and the all-round championship. The weather and track were both fine for the sport. Samuel A. Mellor, of the Hollywood Inn Athletic Association, of Yonkers, N. Y., won the Marathon road race.

American Record Broken.

BOSTON, July 4.—The two-hour American competitive record was broken by both Moran and Stinson at Charles River Park to-night in the fourth two-hour ride in the six days' golden wheel race. Moran, who led, made 70 miles, 787 yards, against the figures of McEachern of 69 miles, 612 yards, made in a similar race here last year.

Revised Time of Automobile Race.

BERLIN, July 4.—On the revised lists of the time competition in the recent automobile road race from Paris to Berlin, the prize committee here announce that the winner, M. Fournier, made the trip in 1 7hours 3 minutes and 43 seconds.

McIntosh Won Pullman Road Race.

CHICAGO, July 4.—The fourteenth annual Pullman road race, 25 miles, was won today by Harold McIntosh, who had a start of 7½ minutes. William Blum, a scratch man, captured second place and the time prize.

Wrestler Jenkins Won.

CLEVELAND, O., July 4.—Tom Jenkins, of Cleveland, and Gus Johnson, of New York, wrestled before 5000 people at Forest City Park today. Jenkins won two straight falls, catch-as-catch-can.

Cut World's Record.

NEW YORK, July 4.—W. S. Fenn, last year's amateur bicycle champion, at Vailsbury today cut the world's unpaced competitive record for five miles, reducing it from 10:35 to 10:33 2-5.

GARDNER GOT DECISION

MOFFATT'S LEFT ARM AGAIN WENT BACK ON HIM.

He Made a Rush, the Blow Went Wild, and His Arm Was Dislocated.

SAN FRANCISCO, July 4.—The fight between Jack Moffatt, of Chicago, and George Gardner, of Lowell, Mass., this afternoon, ended rather abruptly in the third round when, for the third time, Moffatt's left arm failed. The fight up to the third round was slightly in Gardner's favor. In the first round he had knocked Moffatt down with a right swing on the jaw and Jack took the count. He got up strong, however, and immediately landed a hard left on Gardner's face. They fought fast throughout the first round, Gardner doing the most work at long range, while Moffatt showed the better at in-fighting. There was a great deal of clinching and in-fighting.

In the second round Moffatt opened with a hard left on the face, followed by a clinch. When they were separated by the referee, Gardner rushed Moffatt to the ropes, landing left and right on the face. A clinch followed, and both men fought hard on the body. Gardner jabbed his left into Moffatt's face twice, and Jack responded with a hard left hook to the head. Gardner did all the forcing in the round, his long reach enabling him to land his left on Moffatt's face quite frequently. Moffatt, however, fought in close, and avoided a great many of Gardner's blows. The honors in this round were almost even.

At the beginning of the third round Moffatt made a rush for Gardner, and swung a hard left, which went wild. This was the blow that put his left shoulder out of place. He dropped to one knee, his arm hanging limp at his side. Gardner went to his corner, and the referee immediately declared him the winner and called for a doctor. Two physicians responded, and Moffatt, suffering great pain, was led to his dressing-room. Gardner generously said he did not feel as if he was entitled to the purse, and voluntarily agreed to share it equally with Moffatt.

Today's unfortunate accident to Moffatt will undoubtedly end his ring career. Twice before, once in a contest with his opponent of today, and once while engaged in a fight with Al Neill, Moffatt threw his shoulder out of place, and it required a long rest each time to put him in condition again. In training for his fight with Gardner today, his arm had stood the work well, and he felt confident that the old trouble would not recur.

The fights today were held in an open arena in the center of the old baseball ground at Sixteenth and Folsom streets, under the auspices of the San Francisco Athletic Club. The weather was perfect and about 5000 persons attended.

The preliminary bout between Al Neill and Charles Thurston, two local middleweights, went the limit of 20 rounds, and was declared a draw.

"Sailor" Brown Knocked Out.

SANTA CRUZ, Cal., July 4.—"Sailor" Brown, champion heavy-weight of Nova Scotia, was knocked out in the fifth round at Boulder Creek by Ed Blanchard, a middle-weight. The fight was to have been 15 rounds.

THE DAY'S RACES.

Commando, a Great Favorite at Sheepshead, Was Beaten.

NEW YORK, July 4.—Commando, the great son of Domino, a great favorite at 1 to 6, was decisively beaten in the Lawrence realization stakes at Sheepshead Bay today. The Parader, with McCue up, won cleverly by two lengths. The race was for a mile and five-eighths, and four horses faced the starter. Handwork, with Shaw in the saddle, made the early running, showing the way for a mile by three lengths, Commando rated along in second place, while Mortello and The Parader brought up the rear. Going up the back stretch, the order was the same, but as they neared the far turn Commando moved up to Handwork, and they raced head and head to the stretch. At this point Handwork gave it up, and the crowd settled itself to see Commando come home alone, when suddenly The Parader loomed up dangerously near, McCue bringing him through on the rail. There was a brief struggle at the last furlong pole, and then The Parader gradually drew away, and won cleverly, while Commando had to be content with second place, 12 lengths before Mortello, who beat Handwork a head for third place. The Parader was giving Commando five pounds, and ran the distance over a dead track in 2:49 4-5. The condition of the track was the only excuse for Commando's defeat.

A holiday crowd of 35,000 people watched the racing. It was the closing day of the Coney Island Jockey Club's June meeting. Saturday the sport will be resumed at Brighton. Summary:

Reiff) was second, and Ravens Den third. P. Lorillard's Eden II (Maher) won the Exeter stakes.

QUESTION OF THE HOUR.

Grosvenor Says It Is the Elective Franchise.

WINFIELD, Kan., July 4.—Honorable Charles H. Grosvenor, of Ohio, was the principal speaker at the Chautauqua Assembly here this afternoon, addressing a large crowd at the Park grounds. He said in part:

"One of the results of the evolutions which have followed close upon the dying hours of the old century, and which seems to bid fair to find a fuller development in the Northwest, is the growth of so-called trusts in the business of production in the United States. The people of our country must learn to distinguish between injurious combinations and beneficial combinations and I lay down this proposition: So long as the managers of two or more industrial institutions who have combined into one greater organization produce the following results, no harm can come predicated of their action—first, that the combination employs more men than did the constituent members; second, that they pay as high or higher wages to employes; third, that they do not advance to an unjust figure the products of their industry.

"As to expansion, the position taken by the present administration is one in which I heartily concur, and which I believe to be the dominant sentiment of the people of the United States. I do not believe our forefathers made a country or attempted to make a country and designed that it should be shorn of the great powers and prerogatives incident to a first-class nation. With peace, the blessings of our grand system of government will be rapidly diffused over the millions of people that will bow to our flag in the far-away Orient, and America, enlarged and glorified by her adherence to the great principles of equality and liberty, and justice to all men, will shine brighter as one of the grand galaxy of states in the constellation of the world.

"The question of greatest moment to the future of the United States and to the people thereof has grown out of the question of the elective franchise within the states of the Union. The basis of our Government, and its admitted claim of the right to live, is based upon the consent of the governed. The law of the country, it seems to me, and I think there is no dispute about that, is very plain and simple. If a state of the South sees fit to say that the colored man of the South shall not vote because he is a colored man, it has a perfect right to do so, but such state must submit to a reduction of representation in Congress and in the electoral college.

"All the glorious results have been worked out from the first by the greatness and glory of the education of the country, or by the co-operation and patriotism of the illiterate men of the country. If by the latter, they should not be punished for they have been true a nd patriotic. If by the former, there is no need of this legislation. You cannot have a disfranchised class in a free government without making of that class enemies of the government. The colored race here has reduced the condition of illiteracy 45 per cent, and that, too, under all the troubles and turmoils under which they have labored, and if left alone and encouraged the cry of illiteracy among the colored men will gradually and indeed at last rapidly diminish."

DECLARE FOR FREE TRADE

Porto Rican Assembly Unanimously Adopted Resolution.

SAN JUAN, Porto Rico, July 4.—In a joint session lasting three hours the Porto Rican Assembly today unanimously passed the free-trade resolution. The Assembly Hall was crowded with people, and cheers greeted the announcement that Governor Allen had signed the resolution. The free-trade resolution begins with a preamble in which reference is made to section 3 of the Foraker law. The resolution then continues:

"The Porto Rican Assembly, in active session, and acting pursuant to the instructions of Congress, does hereby notify the President of the United States that, by virtue of the Hollander act and other acts, it has adopted and put into operation a system of local taxation to meet the necessities of insular government, and it hereby instructs that a copy of this joint resolution be presented to the President of the United States, and it requests that Governor Allen deliver the resolution to President McKinley in order that proclamation may be made by him, and if it shall seem wise and proper to the President of the United States, the Assembly requests that his proclamation be issued July 25, as that day is being established a legal Porto Rican holiday to commemorate the anniversary of the coming of the American flag."

BRYAN ON FOURTH OF JULY

Tendency of the Times Not Favorable to a Free People.

NASHVILLE, Tenn., July 4.—A special from Monteagle to the Banner says:

W. J. Bryan, who arrived here today, said in talking of the Fourth of July that it would be a slander on those who wrote the Declaration of Independence to say it was promulgated as a temporary expedient. He declared the Constitution and Declaration of Independence to be inseparable. Mr. Bryan said the Nation will never outgrow the Declaration until it forsakes the doctrine of the consent of the governed. The abandonment of the Declaration, he averred, would cause us to lose the respect of all nations, and the adoption of a brute force policy would ultimately lead to the downfall of the Republic. Imperialism, he said, is the logical outcome of the commercial spirit, and the country is engaged in a war of conquest for no other reason than that those in charge of the Government think the exploitation of the Philippines will prove profitable. The tendency of the times, he said, is toward the creation of an aristocracy of wealth, and the relinquishment of those virtues that are essential to the well-being of a free and respectable people.

In efforts to reduce the expenses of running Spokane County, the Board of County Commissioners has again brought up the old question of refunding the $300,000 worth of 8 per cent bonds.
