

COMMERCIAL AND FINANCIAL NEWS

The grain harvest is rapidly getting under way in the Pacific Northwest, and there is an attendant big demand for reasonable supplies.

Prices in the London market prices here, it is thought, will remain firm.

It is reported that brewers are doing an immense business as a result of the prolonged hot spell, but as yet they have not apparently felt the need of coming into the market for additional supplies of hops.

It is reported that the cotton market is doing well, except that in Oregon, which has been comparatively free from lice for several weeks.

WHEAT—The wheat market is a very tame and uninteresting one just at this time, and there is not enough selling to enable an accurate quotation to be made.

VEAL AND PORK—Receipts of veal have been lighter this week, and for that reason the price has held fairly steady.

NEW YORK STOCK MARKET—Liquidation and Decline in Stocks Followed by Partial Recovery.

NEW YORK, July 11.—Wall Street had another paroxysm of nervousness today and again, and while the market was not so wild as on Monday.
