The Change of Life

Is the most important period in a woman's existence.

Owing to modern methods of living, not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

These dreadful hot flashes, sending the blood surging to the heart until it seems ready to burst, and the faint feeling that follows, sometimes with chills, as if the heart were going to stop for good, are symptoms of a danger.

Mrs. JENNIE NOBLE.

perous, nervous trouble. Those hot flashes are just so many calls for nature to help. The nerves are crying out for assistance. To cry should be heeded in time. Lydia E. Pinkham's Vegetable Compound was prepared to meet the needs of woman's system at this trying period of her life.

It builds up the weakened nervous system, and enables a woman to pass that grand change triumphantly. "I was a very sick woman, caused by Change of Life. I suffered with hot flashes and fainting spells. I was afraid to go on the street, my head and back troubled me. I was entirely cured by Lydia E. Pinkham's Vegetable Compound."—Mrs. JENNIE NOBLE, 5010 Keyser St., Germantown, Pa.
