FRANK A. NICHOLS ELECTED FOR TENTH WARD.

Ordinances Introduced Looking to the Correction of the Bad-Side-walks Nuisance.

At the meeting of the Common Council yesterday, Frank A. Nichols was elected Councilman for the Tenth Ward. An ordinance providing for making the Portland Library free and for levying a tax of one-fifth of a mill for its support was passed. The delinquent city roll, just prepared, was substituted in place of all other tax rolls, and the City Treasurer was authorized to accept delinquent taxes for 1899 and all previous years without interest or costs, if paid before August 1. Two ordinances were introduced by Mulkey, looking to doing away with wooden sidewalks and making it possible to oblige property-owners to put down new sidewalks when necessary.

Mayor Howe presided, and the members present were: Branch, Ghast, Holbrook, Masters, Merrill, Mulkey, Nealand, Sherrett and Walker.

F. A. Nichols Elected Councilman.

At the opening of the session Branch stated that as it would be three weeks till the next meeting of the Council and it was desirable to have a Councilman for the death of A. F. Nichols, member for the Tenth Ward, should be filled, he would move that when the hour of 2 o'clock arrived they proceed to hold an election. The motion carried.

A petition signed by 241 residents of the Tenth Ward was presented, asking that J. C. Jameson, who had served as Councilman for that ward for two years, to the satisfaction of the taxpayers, be elected to fill the unexpired term of Mr. Nichols.

Branch placed in nomination Frank A. Nichols, son of the deceased member.

Mr. Nichols was notified by telephone of his election, and requested to present himself. About 4 o'clock he arrived, the oath of office was administered by the Auditor, and he was escorted to his seat. In a neat speech he returned thanks for the honor conferred upon him, and promised to do his best to fill the duties of his office.

Library Made Free.

An ordinance authorizing a contract with the Portland Library Association for the purpose of providing the libraries of the city with the free use of the library of said association, and agreeing to levy a tax of one-fifth of a mill on the dollar, for the support of the library, was passed.

Delinquent Roll Adopted.

An ordinance adopting the delinquent tax roll made by order of the Common Council for the year 1899, inclusive, and substituting it in place of all other tax rolls, was passed.

For Better Sidewalks.

An ordinance was introduced by Mulkey to compel owners, lessees, agents or occupants of property abutting on certain streets to repair sidewalks. The district to which this ordinance is intended to apply is defined in ordinance No. 12,119, passed some time ago, and broadly stated is the district between the river and West Park street in the original city plat, and Eighth and Park streets in Couch addition, and between Jefferson street and Irving street. It provides that within five days after service of notice, sidewalks or crosswalks shall be repaired in a manner satisfactory to the City Engineer.

Persons refusing to make such repairs shall be guilty of a misdemeanor and shall be fined not more than \$30 or imprisoned not more than 30 days. Bond price and referred to the street committee.

Another ordinance was introduced by Mulkey providing that it shall be unlawful hereafter to build, construct, reconstruct, repair, alter or maintain a wooden sidewalk or crosswalk within the limits designated in ordinance 12,119 (outlined in the preceding ordinance).

It provides that on the streets within the district mentioned sidewalks shall in no event be repaired or altered to an extent greater than one-third the original cost, and the City Engineer and committee on health and police shall decide what material can be used.

Such repairs cannot be made without a permit, which can only be granted after a petition shall be filed with the City Engineer.

Compulsory repairs are provided for, and when the one-third repair will not put a sidewalk or crosswalk in a reasonably safe condition, the City Engineer shall serve notice to construct a new sidewalk or crosswalk, as provided by ordinance.

HEALTH AND CLEANNESSE OF THE CITY, A PENALTY BY FINE OF NOT TO EXCEED \$300 OR IMPRISONMENT FOR 90 DAYS.

New Ordinances:
An ordinance was passed authorizing the Auditor to issue warrants to the Chief of Police for the collection of delinquent assessments for the improvement of the following named streets: Garfield avenue, Kirby street, Twenty-fourth street, Russell street, East Twenty-sixth street, East Tenth street, First street, Tillamook street and Hancock street.

An ordinance declaring the probable cost of improving Couch street, from Thirtieth to Fifteenth, and appropriating \$12,275, was passed.

An ordinance declaring the proportionate share of the cost of constructing a sewer in East Taylor street from Thirty-fifth to the sewer in East Thirty-fourth, and appropriating \$12,900 therefor, was passed.

An ordinance declaring the proportionate share of the cost of constructing a sewer in Broadway street, from East Nineteenth to the sewer in East Seventeenth street, and appropriating \$12,900 therefor, was passed.

An ordinance appropriating \$150 out of the general fund to provide for the salary of a special deputy in the Engineer's office for two months, to serve notices of defective sidewalks, and authorizing the Board of Public Works to employ such a deputy, was passed.

An ordinance transferring \$1500 from the general fund to the Fire Department fund, to provide for the expenses of the Charter Board, was passed.

An ordinance making an appropriation out of the general fund in the sum of \$500, to provide for the expenses of the Charter Board, was passed.

An ordinance introduced by Mulkey amending the occupation license ordinance, with the object of putting grocers and druggists who sell liquors in cardboard packages, not to be drunk on the premises, on the same footing as restaurant keepers, was passed.

Petitions and Remonstrances.
A communication from the Mayor was presented, recommending that the warrants issued for paying a streetman's judgment against the city be paid off at once in order to stop interest. The judgment called for interest at 3 per cent, and the holders were a city warrant for this amount. Under the law, city warrants draw only 6 per cent. The matter should be looked into and a decision given as to what amount of interest is to be paid. Placed on file.

A communication was received from S. Penney, asking for the extension of Thirteenth street 60 or 80 feet west to the south line of Governor's Park. If such a continuation is made, the park will be easy of access by foot travel, and in case it is made he proposes to donate an additional acre to the park; referred to the street committee.

A petition for a sewer in East Burnside street, from East Twenty-second to East Twenty-fourth, was granted.

A remonstrance against the proposed opening and laying out of East Fifteenth street, from Belmont to East Yamhill, on the ground that the benefits allowed by the viewers are excessive, was read. Remonstrants do not think they should be required to pay for streets in front of other people's property. Referred to the street committee.

A remonstrance was presented by L. P. Clarke and others against the proposed extension of East Davis street. Referred to the street committee.

A remonstrance from C. E. Wilson and others against the proposed opening of Fifth street was referred to the street committee.

A petition from team drivers of the International union, asking that an ordinance be passed regulating express wagons, was referred to the license committee.

A petition from the East Side Lumber Company, asking for a large water main on East Twenty-fourth street, was referred to Council water committee.

Funds Transferred.
An ordinance directing that the sum of \$27,150 86 be transferred from the special 2-mill tax fund to the special fund, to provide for the payment with interest of special fund warrant No. 14,080, or the sum of \$12,102 90, dated March 10, 1900, and special fund warrant No. 14,368, for the sum of \$13,577 25, dated January 15, 1901, said warrants being drawn in payment of judgments against the City of Portland, was passed.

An ordinance transferring \$15,000 from the special 2-mill tax fund to the street repair fund, in accordance with the act of the Legislature providing for the special levy, was passed.

CONVENIENT TIME CARD.
The O. R. & N. service between Portland and the seaside is proving very popular with the public. The steamer T. J. Foster leaves Astoria dock daily, except Sunday and Monday (get a seaside time card from O. R. & N. ticket agent), for Lewis and Clark street, connecting there with trains and boats for Clatsop and North Beach. Round-trip rate to all beach points, per season, \$4.00. Saturday round-trip rate, good for return following Sunday night, \$2.50, and the lowest rates to Astoria and other river points. All round-trip tickets for the beach sold at Portland are good for return via boat or rail at passenger's option. Time cards, berth reservations, etc., at O. R. & N. ticket office, Third and Washington.

ELKS FOUR YEARS HENCE

GRAND LODGE TO BE INVITED TO COME TO PORTLAND IN 1905.

Groundwork to Be Laid at Milwaukee This Year and the Big Fair Advertised.

Alex Sweek, past exalted ruler of Portland Lodge, No. 142, of Elks, left last night for Milwaukee, Wis., to attend the Grand Lodge of the order. Past Exalted Ruler Ralph E. Moody will leave today and with Senator Sweek will make an effort to get the Grand Lodge to come to Portland in 1905. They will lay the groundwork, and the local lodge will follow up the cue. In 1904 Portland Lodge will send a large delegation to the Grand Lodge to land the telling blows for 1905.

In the Elks, as in other secret societies, the disposition is to favor the town that makes the longest and most effective fight for the Grand Lodge. Portland having made an early beginning, Senator Sweek and Mr. Moody believe that the work they will do at Milwaukee this year will be crowned with success in 1905.

Messrs. Sweek and Moody will not only give their "brother Elks" to understand that Portland wants the Grand Lodge for four years hence, but that it is arranging for and proposes to hold in 1905 a fair to commemorate the Lewis and Clark expedition. Senator Sweek took with him 500 handsome badges, which will be distributed among the delegates. They will make Portland the most widely discussed town at Milwaukee, not even excepting the city that will get the Grand Lodge in 1905. The badge is hand-painted and gold-fringed on a background of purple silk, the color of the order. The design is suspended from a bar on which are the words "Portland Oregon." In the center is a view of Mount Hood, with Elk feeding in the foreground. The inscription runs: "Portland Lodge, No. 142, asks for the Grand Lodge in 1905. Where calls the Oregon." The badges were designed by Miss Tillie Cornelius. If any one thinks Portland is not on the map, he should go to Milwaukee this month and see Elks from every part of the United States wearing the Portland badge.

Portland Lodge thought seriously in 1892 of inviting the Grand Lodge to come in 1892. The big body could have been had for the asking, but the amount of money required for entertainment was at that time beyond the scope of the lodge, with its limited membership and scanty funds. The lodge has made up its mind to have the Grand Lodge in 1905, and will put forth every effort for success.

Want Her at Clinton Kelly.
The petitioners who want Mrs. Hines, a former teacher in the Clinton Kelly school, restored to that building, do not care to have her placed in any other of the city schools. T. M. Edmunds, one of the prominent petitioners, said yesterday that he had assurances that the board is willing to give her a place in some other building of equal importance, but that the people want her back in Clinton Kelly school, and the most delicate satisfied with anything else. Some of the members of the board thought that it might be unpleasant for her to resume work at Clinton Kelly, but the petitioners are not of that opinion.
