Turin Exhibition.

NEW YORK, July 22 .- A United States general committee to promote interest in and to pass on exhibits for the international exhibition of modern decorative art, to be held in Turin next year, under the presidency of the Duke of Aosta, has been formed here, and it extends an invitation to communicate with it to architects, ar-tists and manufacturers who desire to ex-hibit their work. The Italian managers of the architecta are continuingly desired. of the exhibition are particularly desirous of encouraging exhibits from this country and in communications with their repre-sentatives here they express great hope of American sympathy with their objects, which are to revive esthetic taste in house decoration and to encourage original productions in artistic form. The exhibition is not intended to be a reflection on other industrial exhibitions, and therefore neither reproductions of styles already known nor simply industrial productions incking an artistic stamp will be admitted. The exhibition will be held in the Valentine Park, Turin, from April to November. Exhibits will be admitted to Italy free of duty, and the general commission of the exhibition is arranging for reduced freight rates for exhibits. The United States

Five Instructors Transferred From the Indian Schools.

WASHINGTON, July 17 .- Although strong attempt was made by the War Department and the Bureau of Education to secure a large number of teach ers for the Philippines from among the instructors at the different Indian schools, but five were obtained, and there is little probability that others will follow. The Indian Bureau, after acquainting its teachers with the peculiar requirements of its service, was not inclined to sur-

render them to the Philippines. On the

Many Were Trampled Upon.

CHICAGO, July 21.-Six persons were severely injured, and a large throng was thrown into a panic last night when four horses engaged in a race at the Gypsy Camp became frightened, threw their rid ers, bolted the track and galloped at ful speed into the crowd of spectators. The animals were coming down the home stretch at the time, and so sudden was veering of their course that hundreds of pleasure-seekers gathered beside the track had little time to reach places of

safety. Men, women and children strug-gled with one another in their efforts to get out of harm's way, and were knocke down and trampled. The eeriously in-jured are: Mrs. Bridget Barry and her 7-months'-old infant, trampled upon by the horses; Johanna Kearney, cut and bruised about head and body; John and Edward Simpson, brothers, knocked down and trampled upon; Miss Nellie Sui-livan, bruised about face and body. > With rich, pure, strong blood one is never troubled with sores or ulcers. A cut or any injury to the flesh heals in a few days,

halm in the form of healthy, new blood; but when the Sopes circulation is tainted with poisonous germs, humors or any effete matter, a slight scratch or abrasion of the skin

becomes a festering sore, tiny pimples grow to be boils, swollen joints and inflamed glands often break out into offensive, slow healing sores. A polluted blood is always a menace to health ; not only does it keep the skin in a chronic state of inflammation, but every organ and fibre of the body suffers from an impure and sluggish circulation. You never feel well, you are not and never can be well until the system is relieved of its terrible load of impurities. With the blood so contaminated, so deeply poisoned, ulcers, boils and sores of every kind are apt to become chronic and often develop into Cancer. Sores and ulcers are most
