STRINGENT ORDER MODIFIED

Rural Carriers May Perform Some Private Commissions.

WASHINGTON, July 26.—The Post-office Department has concluded that its recent order prohibiting rural free delivery carriers from acting as agents, salesmen or solicitors for express companies, manufacturers, wholesale or retail houses, corporations or firms, or from engaging in any business whatever while acting as letter-carriers, was somewhat too stringent, and it has accordingly been modified. Hereafter such carriers will be permitted to act as news agents, sell newspapers or periodicals on their own account, or accept and collect subscriptions for the same.

When carriers receive newspapers or periodicals by express or by other means outside the mails, to be sold or delivered on their routes, they, as news agents, will be required to pay postage on such matter at the second-class rate of one cent per pound, except in the case of county papers which are mailed free to subscribers residing in the county in which they are published.

Nor will rural carriers be prohibited from performing various private commissions for the accommodation of the patrons on their routes, so long as it does not interfere with the regular and prompt performance of their duties.

Will positively cure sick headache and prevent its return. This is not talk, but truth. Carter's Little Liver Pills. One pill a dose. Try them.
