

MADE A DOZEN ERRORS

PORTLAND CRIPPLES LOST TO TACOMA BY SCORE OF 5-3.

Grim Was Injured in Collision—Tinker Played at Short, Weed Third and Engel Right.

TACOMA, Aug. 7.—Portland gave the poorest exhibition of fielding today that a local crowd has been compelled to witness. All that Tacoma did yesterday in the 11th-inning was repeated by Portland through all of the nine innings. Only one of Tacoma's errors was costly, and that let in a run. Some sensational fielding relieved the otherwise distressing exhibition. A catch by Tinker of a foul back of the bleachers and Flannery's clever stop of a line drive from Anderson were the best plays. Both Wilner and Glendon pitched good ball, with the percentage slightly in favor of Wilner. In two innings the hits were bunched on him, but otherwise he was as reliable as a clock.

Grim was injured in a collision with Flannery and went out of the game. This left both teams crippled, for Diesel is still unable to play, and Tinker worked at short, with Weed at third and Engel at right. Flannery's right hand is in such bad condition that he can scarcely grip a ball. After filling the bases in the field on one foot, Raffert was unable to run. Score, 5-3.

PITCHER HICKEY WAS IT.

Seattle Defeated Spokane by Replacing Him With Stovall.

SPOKANE, Aug. 7.—Spokane put up a farcical exhibition of ball in the field today. Seattle's pitcher, Hickey, gave an exhibition of trying to put the ball over the plate. After filling the bases in the seventh and forcing a man in, he was removed, and Stovall succeeded in pulling the game out of the fire. The way Seattle made Spokane look foolish when the visitors were running bases was quite amusing. Score, 9 to 5.

CHARGES AGAINST JUDGE HUMPHREYS, OF HAWAII.

Complaints of the Bar Association to Be Laid Before the Department of Justice.

WASHINGTON, Aug. 7.—Judge A. H. Humphreys, of the First Circuit United States Court, Hawaii, today had a conference with Attorney-General Knox. Some time ago the Bar Association of Hawaii filed a complaint with Judge Humphreys alleging, among other things, that he had been guilty of a charge of contempt of court. The complaint was not acted upon until after subsequently the accused were pardoned by the Governor. On the other hand, it is said a large number of letters have been received here testifying to the upright character and integrity of Judge Humphreys, and other testimony bearing upon the case is expected very soon. It is expected that the Bar Association of Hawaii will follow the general plan of formal charges and then the matter will be taken up by the Department of Justice and disposed of. It is intimated by persons in a position to have knowledge on the subject that her competitors against Judge Humphreys are a result of the antagonism that has existed for some time between the new Federal officials and the old regime. Judge Humphreys will remain some days.

Increasing the Artillery.

WASHINGTON, Aug. 7.—Under the instructions of Secretary Root that the artillery arm be increased, 1000 men were recruited for 180 men have been recruited. The War Department has directed the issue of an order carrying out these instructions. Under the general plan of the department, it is intended to improve and enlarge the prison facilities at the above-named posts.

Improving Military Posts.

WASHINGTON, Aug. 7.—Extensive improvements are contemplated at the important military posts at Fort Monroe, Va.; Fort Leavenworth, Kan.; Fort Sheridan, Ill.; San Francisco, Cal.; and Fort Mifflin, Pa. The improvements at Fort Mifflin, Pa., are the most extensive of the military posts of the department. It is intended to improve and enlarge the prison facilities at the above-named posts.

THE MEXIA CLAIMANTS.

May Settle the Will Contest Out of Court.

NEW YORK, Aug. 7.—George H. Plowman, a lawyer of Dallas, Tex., is in the city for the purpose of consulting his clients, Mrs. Mary Gray Mexia, widow of General Enrique A. Mexia, of the City of Mexico, and her daughter, Miss Amara Luce Mexia, who are among the contestants of the will of General Mexia, who died in the City of Mexico in 1892. His estate consists of more than 50,000 acres of land in Texas as well as bonds and other property. Offers of a compromise have been made by some of the contestants, and Mr. Plowman will discuss these terms with Mrs. Mary Gray Mexia and her daughter, says the Herald.

Points have been settled.

The contest of the will which has been before the court of Dallas for more than five years is one of the most celebrated law cases of Texas. The estate, originally valued at \$1,000,000, is now believed to be worth about \$200,000. Mrs. Mexia and her daughter are now living in Paterson, N. J., where they have resided for several years.

General Mexia had high rank in the Mexican Army.

General Mexia had high rank in the Mexican Army, was a close friend of President Diaz, for a long time being one of his chief advisers, and for many years was president of the Mexican National lottery. According to evidence introduced during the contest of the will in the Dallas court it was shown that in 1864 he met Miss Mary Gray, who was at the time living with her father in New Orleans. General Mexia being on active duty with the Mexican Army at Tampico, at the time fixed for the wedding, a marriage by proxy was arranged. The validity of this marriage is the subject of the litigation. General Mexia has been repeatedly arrested, inasmuch as General Mexia in 1883 married Mrs. Ramsay, the widow of Colonel A. C. Ramsay, before the death of her husband. Three children were born to Mrs. Ramsay while she was Colonel Ramsay's wife, Clarence M., Inez and Adele. The second wife having died on March 22, 1886, the General married Mrs. Martha Weightman of this city. When General Mexia's will was offered for probate in Dallas it was found he had left all his estate to Inez and Adele Ramsay. The Ramsay-Mexia sisters have now offered to compromise the case. It is said, and the question of accepting the terms of compromise offered is being considered by the other contestants, that the settlement of the estate will be reached before the return of Mr. Plowman to Dallas next month, according to statements that he has made here.

NEW SUGAR REFINERY.

Independent Concern Will Fight the Trust.

NEW YORK, Aug. 7.—It has been announced that at the last session of the New York State Legislature a bill was passed granting 50 feet of river front at Pleasant Valley, a short distance south of the Port Lee ferry, was made to George R. Ross and a Wisconsin partner. This is believed to be a sequel to the announcement recently made by Robert Crooks & Co. of this city, that they were forming a company to operate an immense independent sugar refinery in the interest of Western grocers. Mr. Ross, who made the application for the grant of land, was represented before the Riparian Commission by lawyer E. C. Erickson. The latter said it was intended to erect on it a manufacturing plant, which would cost hundreds of thousands of dollars. He estimated that the capital back of the enterprise amounts to millions.

Mahads Attacked a Post.

SIMLA, Aug. 7.—Two hundred Mahads attacked a military post at Kashmir, August 6, killing a sentry and surprising the garrison, which sought refuge in the barracks. The Mahads demanded the rifles, threatening to burn the post if the weapons were not given up. The militiamen then surrendered their rifles. Seven of the men were killed and an officer and three men were wounded. The Mahads then decamped with the rifles, ammunition, uniforms and kits of the garrison, without losing a man.

Dismissal Was Illegal.

PARIS, Aug. 7.—The Tribunal Commerce today rendered judgment in favor of Mme. Perivier and M. de Rodays, editor of the Figaro, declaring that the resolutions of their dismissal by the shareholders of that paper were null and void, because they contravened the articles of association.

Gladstone-Paget Engagement.

LONDON, Aug. 7.—The approaching marriage of Herbert Gladstone (son of the late Mr. Gladstone) and Boera is being celebrated by Sir Richard Horner Paget, Baronet, is announced.
