Proposals Invited.

PROPOSALS FOR CLOTHING AND EQUIpage, Depot Quartermaster's Office, 36 New Montgomery st., San Francisco, Cal., August 9, 1901.—Sealed proposals, in triplicate, will be received at this office until 10 o'clock A. M., Monday, August 26, 1901, Pacific standard time, and then opened, for furnishing chambray shirts, scrubbing brushes and mosquito bars. Bids will be opened for the delivery of the same articles at either the San Francisco, Boston, Chicago and Philadelphia depots, and are for the same for which bids will be opened at the other depots. To avoid misunderstanding as to the exact nature of the articles to be furnished, bidders will carefully examine the standard samples and specifications, so that proposals may be submitted by them with a full knowledge of what will be required, as an absolute compliance with the standards and specifications will be insisted upon in the inspection of the goods. Bidders upon the scrubbing brushes will be permitted to submit samples differing from standard and specifications in order that a selection may be made therefrom should any of them prove to be equal to or superior to standard. Bids upon samples differing from specifications and samples upon which bids are invited, with the exception indicated, will under no circumstances be entertained, nor will unguaranteed bids be considered. Proposals for less quantities than advertised for will be entertained. Bids for delivery or inspection at other points than those named above will not be considered. Early deliveries are essential. Bidders must state in their proposals the rate and time of delivery should contract be awarded to them. Preference will be given to articles of domestic production and manufacture, conditions of price and quality being equal (including in the price of foreign production and manufacture the duty thereon), and such preference will be given to articles of American production and manufacture produced on the Pacific Coast, to the extent of the consumption required by the public service there. The United States reserves the right to accept or reject any or all proposals or any part thereof. Information and blanks for proposals will be furnished on application. Envelopes containing proposals will be indorsed "Proposals No. 7365," and addressed to MAJOR OSCAR F. LONG, Quartermaster, U. S. Army, Depot Quartermaster.

NOTICE TO CONTRACTORS—SEALED PROposals, addressed to the State Board of Capitol Building Commissioners, and marked "Bid for the extension of state sewer," will be received until 2 o'clock P. M., August 20, 1901, and then publicly opened, for making an extension of the state sewer on Center street, in the City of Salem, Oregon, from its present terminus to the west line of the state land in East Salem. The length of the proposed sewer is 5425 feet, and plans, profiles and specifications for the work may be seen at the office of the Clerk of said board. Each bidder will be required to furnish a certified check of 5 per cent of the amount of his bid, as evidence of his intention to enter into an agreement and give a bond for the performance of the work. The State Board of Capitol Building Commissioners reserves the right to reject any and all bids.
WALTER LYON, Clerk of Board.
