Bids will be opened for the delivery of the same articles at either the San Francisco, Boston, Chicago and Philadelphia Depots, and are for the same for which bids will be opened at the other depots. To avoid all possible misunderstanding as to the exact nature of the slickers to be supplied, bidders will carefully examine sample slicker at this depot, as under no circumstances slickers inferior thereto will be accepted. Unguaranteed bids, and bids for delivery at other points than those designated herein will under no circumstances be entertained. Proposals for less quantities than advertised for will be entertained. Early deliveries are essential, and bidders must state in their proposal the rate and time of deliveries, should contract be awarded to them. Preference will be given to articles of domestic production and manufacture, conditions of price and quality being equal (including in the price of foreign production and manufacture the duty thereon), and such preference will be given to articles of American production and manufacture produced on the Pacific Coast, to the extent of the consumption required by the public service there. The United States reserves the right to accept or reject any or all proposals, or any part thereof. Information and blanks for proposals will be furnished on application. Envelopes containing proposals will be indorsed "Proposals No. 7571," and addressed to Major Oscar F. Long, Quartermaster, U. S. Army, Depot Quartermaster.
