CONSULT HOMER DE MORRISON, OCCULT wonder; one sitting with Mr. de Morrison and coming within the influence of his magic gifts is like rubbing Aladdin's lamp, for lo, the wonderful genius, with whom he can be likened in miraculous power, appears, as it were, in his person, and does your bidding and tells what must be done to win fame, fortune and happiness, and if life's affairs show any matter upon which you require infallible advice and prophetic vision, come, and he may turn the searchlight of his grand gifts upon you and point out the true way. Homer de Morrison located by vision the gold stolen from the Selby Smelting Works, California, August 7. In behalf of occult science he immediately communicated by letter the facts to Mr. G. J. Ralston, the owner. The reports received August 10 prove his statements correct. This is only one of the remarkable feats done by Homer de Morrison. All business secret and confidential.
