Attempt Will Also Be Made to Prove That Tom Considine Had a Revolver.

BEATTLE, Washe, Now, 6.-The taking of testimony in the trial of John W. Con-tifine, on the charge of murdaring will-iam L. Meredith, ex-Chief of Police, began this morning shortly before noon. Prose-rating Attorney Fulton, in his prediminary matrices to the jury, outlined the case which the state will attempt to make The state expects to prove that Tom Considine, brother of John Considine, was armed on the afternoon of the sheoting. Considine, brother of John Considine, was armed on the afternoon of the sheoting, and that a moment or two before John shot Maredith, he (Tom) handed his own in a communication field with the board. is a communication field with the board in a communication field with the board. is a communication field with the board in a communication field with the company pany has made no effort in order the necessary iron for the new Capital build-ing, and that it haped to have the con-that Tom was not armed. The sinte will rate that the work. The conhat Tom was not armed.

The state has many witnesses who will swear that a sixth shot was fired, or, in other words, that before Meredith dis-charged his shotgun at John Considine, some one had fired a revolver shot. The state will uncoubtedly attempt to show that this first revolver shot was fired by HOBDES MANTAGE THE STATE that this first revolver shot was fired by Tom Considine, and that it was this which led to the attack upon John Considine by Marediih. Only one witness on the stand for the state today gave testimony of im-portance. L. D. Updyke swore to having seen an employs of Considine's theater run from the corner of Guy's drug store to the middle of the streat a minute after to the middle of the street a minute after the firing of the first shot. This man gave a signal, and immediately afterward a man was seen to come out of Comidine's theater and hurry toward the strene of

The rest of the testimony today was remented in an effort to prove that Con-fdine had made many threats that he would get Meredith." In its crossexamination, the defense attempted to show that by this statement Considine meant that he would have Meredith reved from the office of Chief of Police. The case of the defense will be purely on the grounds of self-defense. Considine says that perjured avidence alone can con-vict him, and Tom Considine says he will case from the jury. From the progress already made in the trial, it is believed the case will be given to the jury next week. The state has 54 witnesses, and will TO OFF have all of its testimony in this week. The defense has about 130 witnesses, but wai robably not use them all.

HANGED HIMSELF IS JAIL.

Man Sentenced to Be Hanged for the

Murder of a Farmer. GOLDENDALE, Wash., Nov. &-George Farris, the murderer of William Worrell, who was convicted and sentenced to be hanged about two months ago, committed suicide in the Goldendale Jall, where he awaited execution, some time last night. He cut an artery with a piece of broken

glass. Ferriss shot Worrell upon the latter's ranch, about 12 miles from here. March 12. Worrell at the time was plowing with a team of four horses in a field about a mile from his residence. As he did not return to his home in the evening. a search was instituted, and his body was found in the afternees of the 17th was found in the afternoon of the 13th. It had been dragged to the point where ound, a distance of some 40 rods. A rope had been fastened around the feet and the horses with which the deceased was plowing, hitched to the rope, and the body was thus drawn to the place where found. There were 15 built holes in the ody caused by at least five shots, two of shots having been fired while the sed was in a prestrate position.

Bealogist Lands. The board cossidered the report of the geologist, and ordered and copies thereof printed. Bills to the amount of \$100 were andiged. The Lassa-lature at its has session appropriated \$500 for the maintenance of the board for two years. The geological board in the successor of the mining bureau, which was abeliabled at the last reastor.

mission order the substitution of wood rather than delay the work. The con-tractor alleges that the plane and specifi-cations furnished by the architect are that Tom was not armed. The state will also attempt to prove that the Considines spent the day of the shooting in looking for Meredith, and that half an hour before the shooting a man had been heard to re-mark to John Considine: "Be careful now mark to John Considine: "Be careful now for it make a botch of it," and Cén-sidine had replied that he was all pro-pared.

Vancouver Officers Trying Hard 'to Get Rid of Them.

VANCOUVER, Wash., Nov. 6 .- The officers are doing everything possible to rid Vancouver of the many hobces who have collected here in the last few days. Last collected here in the inst few days. Last night a tough-looking stranger was caught in the act of lifting a mackintown from a store. Unty Marshal Newton was called, but just as he appeared on the scene the hobo ran around the corser of the initiding. The officer called to him to halt and fired two shots at him, but the man escaped. This morning another man of the same stripe was found with three pairs of unworn frousers in his possession, which he said he had taken to sell for a Portland peddler. The clothing was identified, however, by a local mer-chant as having been stolen from his was scentified, nowever, by a local mer-chant as having been stolen from his store. The man was taken before Jus-tice Haine, and fired and sent to jail. The two railroad campe near town furnish a good excuse for the presence of these tramps, and the City Council has de-cided to empere an attra picfut police on t be surprised to see the court take the cided to engage an estra night police on account of the disturbance caused by

TO OPEN INDIAN LANDS.

Foster Directs Official Attention to the Yakima Reservation.

WASHINGTON, Nov. 8.-Senator Fos-ter has requested the Indian Office to take steps looking to the opsning to set-tlement of the surplus lands of the Ya-kima Indian reservation. This pract em-braces about 67,000 acres of land, some of which is quite valuable. Past efforts of the Indian Office to secure an agreement with these Indians better the she with these Indians looking to the open ing of their lands have resulted unsatis factorily, as the Indians have asked exoribtant prices. The Senator says the Indians will now sell at acceptable figures.

Irrigation District Dissolved.

NORTH YAKIMA, Wash., Nov. 6. Judge Rudkins has signed the final order dissolving the Delhaven irrigation dis-trict, near Kennewick. The district was formed about 10 years ago, but falled to accomplish the purposes for which it was intended. The court allowed a number of old claims, and fixed the bonded indebtedness of the district at \$407.357. The disolution of the district is the first step toward putting a big irrigation enterprise on its feet. It is believed that the country under the ditch will soon be improved.

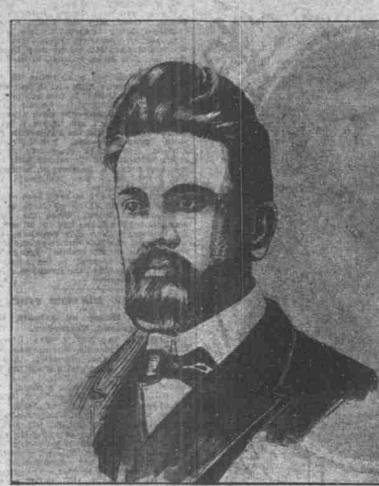

About 9 o'clock on the morning of the Fresh Strawberries Quite Plentiful. About s o coors on the motions of WALLA WALLA. Nov. 6.-The Walla horses which the deceased had been drivhorses which the deceased had been driv-fug to the plow, and riding a white sad-dle horse, stopped at a farmer's in the vicinity, ate junch and fed his horses and then left for his home in Goldendale. He rett, who has about three arres of the rett, who has about three arres of the arrived in Goldendale about 2 o'clock the variety called The Dollar, near the city. arrived in Goldendale about 2 o'clock the next morning and left almost immediately for the mountains, where he remained un-til the morning of the 14th, when he sur-rendered himself to a Deputy Sheriff. Upon the trial, which lasted several Gays, the defendent was placed on the stand in his own behalf and admitted the Several Computer in the Northwest. Pensioners in the Northwest. WASHINGTON, Nov. 5.-According to the annual report of Persion Com-missioner Evans, there were on June 20 last 5740 pensioners in Oregon, 6528 in Washington, 1595 in Idaho and 78 in Alse ka. The total amounts puid out in pen-sions in these states during the past year were: Oregon Washington Stolla Idaho

removed to the hospital, where the opera-tion was performed. Young Wadell is about 15 years of age, and his parents re-side in this city.

TIMBER SITUATION CHANGES. Eastern Men Content to Get the Trees Without the Land.

SALEM Or, Nov. 5.—The hopgrowers who are interested in the Non-bals pool being formed under a contract with W. H. Durst met is Salem today for the purpose of concluding arrangements for silipping the hops to England. It was in-tended that a representative of the grow-ers should be elected today to go to Eng-ing with the hops, but this Dustices was postpones until a later meeting, to be called by the president. A number of growers added their hops to the pool

NEWLY-ELECTED MAYOR OF SAN FRANCISCO.

SAN FRANCISCO, Nov. 6 .- Eugene F. Schmitz, the Union Labor candidate. who has been elected Mayor of Ean Francisco by a plurality of about 6000 votes, is a professional musician, and is also part owner and manager of the Economy Gas Engine Company, a manufacturing concern. He was born in San Francisco 37 years ago, and for several years has been leader of the Columbia Theater orchestra. He is a graduate of the University of California, and until the recent election has been a Republican in politics.

Property Which He is After is the

McKny, Near the State Line-Opinion of Experts.

ABHLAND, Or., Nov. 6.-Messra, W. H. Hamilton, S. McVey, L. F. Cooper and G. H. Adams, owners of the McKay Cop-per mine at the head of Joe Creck, a tributary of Elilott Creek, in the Siskiyous, hear the state boundary line, have bond-ed the property for \$250,000 to Captain de la Mar, the multi-millionaire copper mag-nate. Then thousand dollars of the amount is to be paid November 10. This property is situated in the newly-discovered cop-per district in the section that is at per district in the section that is at-tracting so much attention at the present time. It was first discovered three years ago, and during the past few months ago, and during the past few months an immense deposit of copper ore was uncovered on the property. Experts sty the locality is as rich in copper as the Iron Mountain Copper mine in Shasta Countly. The natural outlet for the sec-tion is Jackson and Josephine Counties. At the present time California interests are agtiating the building of roads to these mines, in order to control the pros-pective trade which must result from pective trade which must result from their exploitation.

MINE IN NEW HANDS.

Colorado Capitalists Buy the Whitaker Group.

BAKER CITY, Nov. 6 .- Another big BAKER CITY, Nov. 6.—Another big deal has just been closed in the mining district uses to Baker City. The prop-erty purchased is the Whitaker group, and the price paid was \$50,000. The pur-chasers are Colorado capitalists. The president of the company, the Single Standard Gold Mining & Milling Company, is Captain E. Storer, Tice, of Denver, who is now in the city. He has also been elected general manager. Other officers

who is now in the city. He has also been elected general manager. Other officers of the corporation are: Vice-President, Frank L. Whitaker, one of the original owners of the property: secretary and treasurer, Max Esroch, of Denver. General Manager Tice is a mining en-gineer of long experience, having spent years in the mines of Colorado. He also has an excellent military record. He served with President Roosevelt before Bantingo, and later with General Lawton in the Philippines.

in the Philippines. The Whitaker group comprises five full mining claims situated on Paddy Creek, 43 miles northeast of Baker City on the main mfles northeast of Baker City on the main Carcucopia road. The property has been developed by about 1009 feet of tunnel and shaft work, shewing an ore vein 18 to 48 inches in width, which carries average values of 410 to the tot. A two years' rin of ore for a 10-stamp rull is new blocked out in the mine. It is the purpose of the company to at once erect a mill and con-centrators on the property, with all needs-sury buildings. The company acquired with the property valuable water clipits, which give 500 inches of water and suffi-cient horsepower to run a large electric plant, which will be the power used for all purposes about the mins. Captudn Thes is the owner for the North-west of a newly patented stamp mill and

Captual Tice is the owner for the North-west of a newly patented stamp mill and concentrator, which, in his opinion, will revolutionize, mining in this camp and open the country as it never has been be-fore. It is the machinery with which the Whitaker is to be equiped at once, and after it has been tried others can have the benefit of the results. As far as the machinery is concerned, it has been test-ed thoroughly in Colorado. It is peculiar-by adapted to the saving of fine gold from quarts that it is almost impossible to treat by present methods, and much of the gold in this country is fins. Captain Thre is the engineer who a few days ago sold the celebrated Rambler copper mine in Wyoming to Chloago parties for 250,000, and his operations here will be watched with interest by all min-ing men.

Annay of Mendows District Coal. Surface samples of coal from the Moud-ows district, morth of Gold Hill, assay is per cent of carbon. This is not sufficient to make it commercially valuable, but it to make it commercially valuable, suit it is an indication that with the attainment of depth an excellent article may be con-fidently expected. A specimen of coal from the clumabar claims of Reed & Fletcher, in that district, shows a seam of almost pure cinnabar running through It, a most unusual if not an unprecedent. ed circumstance, and the coal seam from which the specimen was taken is said to overlie a body of cinnaliar which is by far the richest and most extensive yet un-

covered in that district. The railroad people have bonded several ranches in the district, and will prospect them for coal, and railroad lands in that and adjacent districts have been withdrawn from sale.

NEW WITNESS IN NOME CASES. Ex-Marshal Mercer Told of the Em-

ployment of Detectives.

SAN FRANCISCO, Nov. 6 .- In the Nome SAN FRANCISCO, Nov. 6.-in the Nome contempt case today the prosecution in-troduced a new witness in the person of Captain John F. Marcer, Chief Deputy United States Marahal under Vawter. Marcer testified that within a week after his arrival at Nome C. A. S. Frost spoke to him about the employment of detec-tives to watch Judge Johnson, W. H. Matcon, Samuel Knight, Charles D. Lane, Kenneth M. Jackson and other attorneys. The witness said Frost introduced him to C. J. Garrett, who refused to act as a spy on other people. George Carson was afterward employed, also George Carson was afterward employed, also George D. Mo-Lain and a man named Harrow. These men reported orally and also in writing. According to the testimony the wilness overheard many conversations between

the detectives and Frost. Once Frost told Mercer that there would be a raid on the bank to take possession of the gold dust, and that this must be pre-vented at any cost. One of the conver-mations between Frost and Mercer was

full of moment. On the stand the wit-

ness testified; "Frost said the gold must be protected, and if necessary the Marshal must swear in a posse comitatus. He said the gold must be protected against the Lane crowd." "What did Frost say about Judge Noyes and the writa?" asked Filsbury. "He said Judge Noyes would do as he plensed about them." replied the wit-ness.

stand tomorrow.

Mercer served some of the writs upon Judge Noyes, McKenzle and Mr. Hume on September 14, and said he told Frost of his action. Under cross-examination Mercer admitted the relations of himself

and Frost were quite strained. His tes-timony was in contradiction to that of Frost, who denied statements made in

homicide substantially as shown by the state, but alleged self-defanse. He alleged that the deceased and he and a brotherin-law of the deceased had some contro-versy over the possession of property leased by defendant to the deceased and his brother-in-law, and that he went to settle this controversy. Fearing some difficulty might arise, he armed himself with a Winchester rifle and a loaded re-volver. He left the rifle at a fence a short distance from where the deceased was plowing and went to the latter and engaged in conversation. Worrell refused to accept the terms of settlement proposed by Farris, and used some offensive lan-guage. Defendant then attempted to take horses, which were hitched to the plow, the horses being in the possession of Worrell under some agreement which the defendant claimed the deceased had ed. Worrell then attacked de-with a whipstock and pursued disted. sendant with a winjatock and pursued him until he reached the piace where the gun had been left. The defendant testi-fied that he then seized the gun and killed Worrell, but being under great fear and excitement at the time, could hot detail the direumstances of the killing or the number of shots fired. There were no witnesses to the homicide. witnesses to the homicide

TO PAY REJECTED VOLUNTEERS.

Adjutant-General Drain Will Present a Claim to Government. OLYMPIA, Nov. 6 .- Adjutant-General OLYMPIA, Nov. a data to be presented Drain is preparing a claim to be presented to the United States Government for pay of man who were rejected by the exof men who were rejected by the ex-umining surgeon at the time the Wash-ington Volunteer Infantry was mustered in. Pay for the men rejected will be placed at the state rates from the time of their accivities. of their arrival at Camp Rogers until their examination and rejection by the examining surgeon. That this claim may be given proper consideration, it is necessary that it be absolutely correct. No further application can be made on his account affer the claim is in and has been passed upon. The commanding officer of each of the 12 companies which made up the First Washingtze Volunteer Infantry, or such officer of these companies as is available in the state, has been requested by the Adjutant-Gen-eral to furnish a list of such rejected men. It is not absolutely sure that this account will be allowed when presented, but the Adjutant-General has reason to believe that if it is property prepared it will re-

cuive favorable consideration. Tenchers' Examining Board.

Property, Which is Near Gold Hill. GOLD HILL, Nov. &-The Gold Chlor-ide mine, located on Ward Creek, six miles from this place, has been sold to Seattle capitalists for \$17,000. The Gold Chloride property was purchased barely a month ago by Messra. Mears, Landreth and associates, of this town. Within a formight after these men assumed con-

This medicine will restore the appetite, strengthen the nerves, promote sound sleep and cure Indigestion, Dyspepsla, Constipation, Flatulency and Malarla, Fever and Ague. A trial will convince you.

NORTHWEST DEAD. Oregon Ploneer of 1850. HARRISBURG, Or., Nov. 6 .- William

SAN FBANCIECO, Nov. 6-Weay Ho, a Chinese woman, arrested recently for being a subject of the Chinese Empire unlawfully in this country, has been re-leased by the United States Circuit Court of Appeals on filing a bond in the sum of

\$2500, pending an appeal to the United States Supreme Court. The defendant al-

leges that she was born in California, and does not, therefore, come under the pro-visions of the exclusion act. The court commissioner decided that the evidence

did not satisfy him as to the truth of her assertion, and ordered her to be deported

Alford, an Oregon ploneer of 1850 died at his home, five miles northeast of Har in Tennessee, April 25, 1822. In 1850, In Missouri, he married Miss Mary Ann Mansfield. In April, 1850, his wife's brother, SPOKANE. Nov. 6 .- The closing quotations Moses Manafield, formed a purty, known as the "Manafield train," which Mr. Al-ford and family joined, and croased the plains to Oregon, with ox teams, arriving in this state in October of that year. Mr. Alford took up a donation claim 12% miles east of Brownsville. A wife and six children survive him-John R. Alford, Mrs. SAN FRANCISCO, Nov. 6 .- Closing quota

which were not covered by insurance. EUGENE, Or., Nov. 6 .- In the Circuit court today, Charles Todd, who pleaded uilty to the charge of larceny, was senguilty

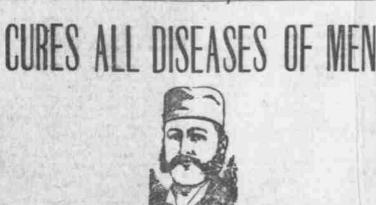

tenced to the Referm School. Bert Rice. tenced to the percent school, percheck, on a charge of grand larceny, was sch-tenced to two years in the penitentiary. The case of G. F. Luckey, administra-tor, vs. Lincoln County, for dunages, which has been on trial since yesterday, was given to the Jury tonight.

JASPER, Nov. 6.-Mrs. Mary Walker, who had lived in Lane County since 1853, died at her home near here yesterday, aged 55 years. She leaves one son and two daughters-Henry Walker, Mrs. Es-ther Eaton and Mrs. Viola Drury, all of Lane County.

DALLAS, Or., Nov. 6 .- The sawmills here have commenced the Fall and Winter run. The starting of these mil's would have gone into operation several weeks ago, had it not been for the shortage of cars on the Southern Pacific lins.

No prisoners have been in the county jail for about six months.

Dalias Brevities.

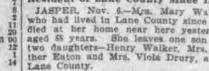

"It is a crime to experiment with the health of the people," says Dr. J. Henri Kessler, manager of the Old St. Louis Dispensary at Portland. "If I did not know positively and abso lutely that my new home treatment will cure all diseases of men, even when all other methods of treatment is in would consider I was committing a crime to make such a statement to the public. Nothing is so precious to a man as his bealth-nothing so hortfile as an Insane Asylum or the grave. Little IIS, if not prompfly cured, often cesult in obstinate chronic diseases. I know that my new day overy is the most marvelobs treatment every known, and I intend to give is benefit to the world. I intend that every man, womas and child who comes for treatment shall have it. I propose to tell the sick, absolutely fee of charge, if they may be restored to perfect health. I would rather be abenefactor to the sick man than to have the wealth of Cramers." The above are remarkable words, but those who know Dr. Kestler, asd

The above are remarkable words, but those who know Dr. Kessler, and have tried his treatment, can vouch for their absolute truthfulness. He restores the wasted power of sexual manhood. He also curves to stay cured VARICOCELE. STRICTURE, SYPHILTIC ELOOD POISON, NERVO-SEXUAL DEBILITY and all associate diseases and weaknesses of man. To these maindles alone be nus carnestly devoted So for heat ware of has life. He makes no charge for original examples and weaknesses of man. To these maindles alone on this carnetity decode 55 of the best years of his life. He makes no charge for private consulta-tion, and gives each patient a legal contract in writing to bold for his prom-ise. Is it not worth your while to investigate a cure that has made life anew to multitudes of men? If you cannot call at his office, write him your symptoms fully. His home treatment by correspondence is always success-ful. Address, always success-
