

IN THE FIELD OF SPORT

FOOTBALL SEASON NOW AT ITS HEIGHT IN THE NORTHWEST. Multnomah Eleven Preparing to Meet University of Washington—Oregon Badly Crippled.

The football season of 1901 is in full swing, and is now the main topic of discussion in college and athletic clubs. The game is just as fast and as furious as ever this year, and the season of 1901 will no doubt go on record as one of the best years, when all circumstances have been considered.

Portland saw a good football game Saturday, when Chemawa held Multnomah down to a 5-to-0 score. The Indian boys play hard ball, and can make things lively for most any team in the Northwest this year.

Next Saturday the Multnomah eleven will play the University of Washington at Seattle. Manager Buckenmeyer is trying to get up an excellent team for this game, and it is possible that a carload of rooters will go along to cheer the wearers of the winged M.

The overwhelming defeat of the University of Oregon by the heavy "Agrons" of Pullman was somewhat of a surprise to the football cranks of this city. Oregon and Idaho had played a scoreless game, and Idaho had previously beaten Pullman, so every one thought that Oregon would win on Saturday.

Tomorrow the Oregon eleven will play Whitman College at Walla Walla. In its present crippled condition the Eugene eleven has little chance of winning, although the men can be depended upon to play a desperate game.

The greatest surprise in scholastic football circles is the strength of the Hill Academy eleven. Portland Academy was hooked to win on Saturday by a good score. The Hill Academy boys put up a sensational game from start to finish, and made scoring out of the question.

The Pacific University students have raised a great hue and cry because Manager Redmond, of the Oregon team, will not give their eleven a date. Redmond says that Pacific's team is not good enough to draw any kind of a crowd, Eugene, and that the Oregon eleven has about all the outside games it can attend to, especially in the crippled form that it now is.

Notes of the Game. Heston, one of Michigan's crack players, is an Oregon boy, his home being at Grant's Pass. "Mook" Eastland, formerly of the Portland Y. M. C. A. eleven, is coaching the team at Heppner.

George McMillan, Multnomah's popular coach, is expected to return from Stanpar in a day or two. Edmiston, who played guard for Multnomah last year, has gone to Eugene, where he will open a law office.

University in 1888. Last year he was a member of the team at The Dalles. Penn's former stars are coaching as follows: Kriape, University of Iowa; Ouland, University of Kansas; Neston, La Fayette; Hedges, Franklin and Marshall. Cadet Daly, of West Point, Harvard's former captain and quarterback, is in the hospital, having been operated upon for an abscess. He will not be able to play for some time.

Heater, Oregon's champion athlete, is not attending college at Eugene this year. He registered at Pacific College recently, but his doubts will remain there throughout the year.

Former members of the "big four" are busy this year coaching Princeton's men as coaching as follows: Lea, Princeton; Church, Georgetown; Hillstrand, Amherst; King, Wisconsin; Holt, University of Illinois; Booth, University of Nebraska; Ballist, Purdue.

READY FOR THE BIG FIGHT. Jeffries and Rubin Doing Light Work to Keep in Condition. SAN FRANCISCO, Nov. 10.—Both Jeffries and Rubin are ready for the going to sound Friday night. They are doing light work in the gymnasium and on the road to keep in condition.

WILKIE C. DUNIWAY, PORTLAND'S FINEST AMATEUR BILLIARDIST, IN A CHARACTERISTIC POSE. Wilkie C. Dunway, Multnomah Club's crack billiard-player, left Friday evening for San Francisco, where he will play Dr. O. B. Burns, of the Olympic Club, for the championship of the Pacific Coast, and the Olympic Club trophy.

The match will take place at the Olympic Club, Wednesday evening, November 13. Mr. Dunway is regarded as the cleverest amateur player in the city. He has a fine idea of the theory of the game, as well as a considerable technical mastery.

ker, of the Thirty-fourth company, succeeded in passing an examination for a commission, and is now second lieutenant of the Twenty-eighth Infantry, stationed at Vancouver barracks, and will accompany his company to Manila. He was married in Portland yesterday to Miss Rose A. Stott, of that city.

The Court-Martial was concluded yesterday at Fort Stevens of the six men who were implicated recently in a row at Fort Canby, following a football match, in which the sergeant was badly used up. No decision has yet been announced by the court, and the men are still under arrest, but the evidence tends to show that the sergeant was entirely to blame in the matter, although the other men used him roughly.

One Million Bushels Sold in Umatilla County in Three Days. PENDLETON, Or., Nov. 10.—Seven hundred and fifty thousand bushels of wheat were sold in Umatilla County yesterday on a rise to 45 and 43 cents for club. The Umatilla County ranchers waited for 45 cents. It came firmly yesterday, and they let go in quantity. This brings the total of Thursday, Friday and Saturday to a total of 1,000,000 bushels. Of this, 700,000 were bought by a Pendleton buyer on deals made in Pendleton, though some of the grain was purchased at other points. Yesterday about 250,000 bushels changed hands in Pendleton, the last deals not being made until late, when the price rose to the top notch, scattering quotations of 46 cents for club being made. Some of the big deals of the last three days have been as follows:

Northwestern Warehouse Co. 250,000 Bushels, Puget Sound Warehouse Co. 100,000, Interior Warehouse Co. 250,000, W. S. Byers Mining Co. 50,000. The remainder was bought by mills at Echo, Athena, Weston and Milton, and by smaller buyers.

One Workman Who is Missing May Have Perished. SEATTLE, Nov. 10.—Pete broke out in the mine No. 7 of the Pacific Coast Company at Franklin, near Seattle, early this morning, and one miner, Jacob Rose, is missing. The other members of the shift rescued safely without difficulty, but it is supposed that Rose fell in the wrong direction. If he did so, he went to certain death. Rose had worked at the mine for five or six years. He was unmarried. Aside from his disappearance the fire was devoid of tragedy. It was under control in a short time, and is now sealed up. The fire started at 4 o'clock at the fourth level of the eighth level, nearly 300 feet below the surface. The flames spread with great rapidity to the dry timber and loose coal. The damage to the mine will be small. The loss of coal will not exceed 500 tons.

Frank Nicholas Captured. VICTORIA, B. C., Nov. 10.—Frank Nicholas, the fisherman who murdered Tom Netes, a fellow-fisherman Friday morning, was captured in the city tonight. He had not gone across to the American side, as reported by his partner, who claimed to have landed him at Port Angeles, and who now has been arrested, charged with being an accessory after the fact.

Father Metz Transferred. ABERDEEN, Wash., Nov. 10.—Father Metz, for five years pastor of the Catholic church here, has been transferred by Bishop O'Dea, of Vancouver, to a charge in Seattle.

STUBBORN AS A COUGH. DR. BULL'S COUGH SYRUP. CURED. Wm. H. Brewer, of Christie st., New York City, writes: "I had a cough ever since childhood, but it was not until I was 40 years old that I was often compelled to leave my work. I started to take Dr. Bull's Cough Syrup, and before the first bottle was finished my cough was entirely gone." SMALL DOSE—PLEASANT TO TAKE! The formula for Dr. Bull's Cough Syrup was discovered by Dr. J. W. Bull, Baltimore's most successful throat specialist, and was prescribed by him for many years. It has cured thousands of cases of grip, coughs, colds, hoarseness, bronchitis and consumption. It never fails. Let's bottles held at all druggists. Refuse substitutes; they are injurious. There is none "just as good as Dr. Bull's"; it has stood the test of 50 years, and is today prescribed by all leading doctors and used exclusively by prominent hospitals. FREE—A beautiful Calendar and Medical Booklet free to anyone who will write to C. C. Meyer & Co., Baltimore, Md., and mention this paper.
