MASTERY OF DISEASE

The Copeland System Now Perfected So That It Includes the Treatment and Cure of All Chronic Diseases at a Price Within the Reach of the Most Slender Purse.

\$5 a Month—All Medicines Free—\$5 a Month

To those unacquainted with the great work carried on at the Copeland Institute the reach and range of that far-famed medical system and its admirable adaptation to the needs of every class of invalids may be indicated by the diversity of diseases accepted for expert treatment.

The Copeland system includes catarrh and all catarrhal maladies—the treatment and cure of deafness, of asthma and bronchitis, incipient consumption, diseases of the nervous system, the stomach, liver and bowels, rheumatism, kidney diseases, and all affections of the skin and blood; under the nominal assessment of \$5 a month, including all appliances, medicines and treatments until cured.

The Proper Cure for Sufferers.

Great numbers of people suffer from the malign poisons of catarrh, as from other chronic maladies, without any correct definite idea of the nature of their affliction. The following symptoms have been carefully arranged to enable many sufferers to understand just what it is that ails them.

CATARRH OF HEAD AND THROAT

The head and throat become diseased from neglected colds, causing Catarrh when the condition of the blood predisposes to this condition.

CATARRH OF THE STOMACH

This condition may result from several causes, but the usual cause is catarrh, the mucus dropping down into the throat and being swallowed.

CATARRH OF THE LIVER

The liver becomes diseased by catarrh extending from the stomach into the tubes of the liver.

CATARRH OF BRONCHIAL TUBES

This condition often results from catarrh extending from the head and throat, and if left unchecked, extends down the windpipe into the bronchial tubes, and in time attacks the lung.

CATARRH OF THE KIDNEYS

This condition results either from colds or from overwork of the kidney in separating from the blood the poisons that have been absorbed from catarrh.

HOME TREATMENT—You can be cured by the Copeland Physicians right in your own home under their perfect system of mail treatment. Write for information and Home Treatment System Blank.

STRICTLY RELIABLE

Dr. Talcott & Co.

DISEASES AND WEAKNESS OF Men Only

Not Weakness, Symptoms

By far the greater number of patients seeking relief for so-called "Weakness" is furnished by healthy and robust men. On examination we find a Prostate Gland which has been damaged by either a contracted bladder or early disipation. These patients have no weakness at all. Premature loss of vitality, however, may be the result of an inflammation of the chronically inflamed prostate gland. We find by curing this inflammation that the vigor at once returns. It should be understood that tonics, electricity, etc., might cure a real weakness, but would do harm in inflammation of the prostate. We object to the size of the tonics, swollen and inflamed prostate, which is the result of local treatment, thus avoiding drugs. Men who have unsuccessfully tried for a long time should be cured by the system of Dr. Talcott & Co. Office Hours, 9 A. M. to 5 P. M. Evenings, 7 to 8.
