EAST BURNSIDE CONTRACT

Smyth & Howard Lowest Bidders for Improvement of This Street.

While the contract for the improvement of East Burnside street, from East Eighth to East Twenty-eighth streets, has not yet been let, Smyth & Howard are the lowest bidders, and will get the work.

The property-owners on East Burnside street are pleased that the work will be done by one contracting firm, and that the improvement will not be done by several different contractors.

Several different contractors, as has usually been the case, it is thought that they will get a much better job than they would if several were doing the work and there were as many different ways of making the improvement.

Most of the gravel for the street will be brought from Woodlawn, from which place the material used on the streets of Upper Astoria was obtained.

CONSUMPTION CURED

Mr. Edward Schubarth and Mrs. H. C. Allington, Whom the Doctors Said Had Incurable Consumption, Were Permanently Cured by Duffy's Pure Malt Whiskey

STOPPED HEMORRHAGES. NASHUA CITY, N. H. Gentlemen: It is with great pleasure that I write to inform you that I have used several bottles of your Pure Malt Whiskey, and I would not have been here today, only for your wonderful medicine.

Dear Sirs: I picked up one of your circulars a while ago and read it through. After reading I went out and bought a bottle of your whiskey, which helped me very much. I am now on my third bottle, using it for so-called incurable consumption, and I feel like a new man.

There are thousands of cases just like mine, where the patients thought they had incurable consumption until their doctors advised them to use Duffy's Pure Malt Whiskey. It is a pure, and possesses more curative power than any other whiskey.

Duffy's Pure Malt Whiskey not only drives out malarial and hepatic poisons, but it builds up new tissue and renovates the entire system.
