POLICEMAN REILLY

RESCUES A CONNECTICUT WOMAN FROM HORRIBLE TORTURE.

Mrs. William Cotter, of Hartford, the Victim, Tells the Story in an Interview—A Terrible Experience.

"It was horrible," said Mrs. Cotter. "I almost wished for death to relieve me. But help came in time, and I am very grateful."

"Tell you the story? Yes, indeed. I never grow tired of telling it. Several years ago I was taken with neuralgia and suffered untold misery. I tried a great many doctors and several remedies, with the result that I found temporary relief, but I was not cured, and began to fear that I never would be.

Then Policeman Reilly, who is a neighbor of mine, recommended that I try Dr. Williams' Pink Pills for Pale People, and I did so. I thought that the first box gave me some relief, and my husband insisted that I keep on taking them. I did, and I can truly say that these pills are the only medicine that ever permanently benefited me.

"I used to have to give up entirely and lie down when the pain came on. My face would swell up so that my eyes would close. The pills cured all this, and three years ago I kept the pills constantly on hand, as I believe they are a wonderful household remedy.

"To Dr. Williams' Pink Pills for Pale People I owe all the comfort I have enjoyed for the past three years in being free from neuralgia, and I am glad to be able to recommend them."

Many who are now tormented with neuralgia will read with interest the above statement, which is beyond doubt, as it was given over the signature of Mrs. William Cotter, whose husband has been Democratic Representative from Hartford, Conn., for over 10 years, and who is well known throughout the state.

Mrs. Cotter, who lives at No. 42 Windsor street, Hartford, is the mother of a happy family, and is now enjoying excellent health.

Dr. Williams' Pink Pills for Pale People will not only cure cases similar to that of Mrs. Cotter, but containing all the elements necessary to give new life and richness to the blood and restore worn-out tissues, they have proved efficacious in a wide range of diseases. They are an unfailing specific for such diseases as locomotor ataxia, partial paralysis, rheumatism, neuralgia, neuritis, nervous headache, the after-effects of grip, of fever and of other acute diseases, palpitation of the heart, pale and sallow complexion, and all forms of weakness in male or female. Dr. Williams' Pink Pills for Pale People are sold by all dealers, or will be sent postpaid on receipt of price, fifty cents a box, six boxes, two dollars and fifty cents, by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

Identified by Judge Foster, in the General Session.

THE CHILDREN ENJOY

Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that thoughtful development which is so essential to their happiness when grown.

When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality.

The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.

Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded.

If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.

Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—

CALIFORNIA FIG SYRUP CO.—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.

Doctors Consult your doctor. If he says, "Take Ayer's Cherry Pectoral for your cough," then do as he says. If he tells you not to take it, then don't take it. He knows. Leave it with him. We are willing. Physicians have been our friends for 60 years.

"For five years I suffered with bronchitis. A few weeks ago I began to take Ayer's Cherry Pectoral, and only two bottles entirely cured me." Daniel B. Lipps, Alta, W. Va.
