FAST HORSES LIMBER UP

WET WEATHER PREVENTS ATTEMPTS AT TRIAL RECORDS.

Horsemen Watch Try-Outs and Get Line on Speedy Racers for the Northwest Circuit.

With wet weather and a soggy track the horsemen of Portland were not able to do anything more than limber up their animals last week. The racers at Irvington Park were jogged around the track whenever the rain permitted, but no attempt was made to get trial records. The track was ploughed 10 days ago, and when the weather settles some lively private encounters may be expected between the "kings of the course."

Bad as the weather was during the week, there were a few minutes of sunshine, and the horsemen did not fail to take advantage of the time to exercise their racers and also to get a line on the speedy racers. The morning trials proved very interesting, for they afforded an idea of the strength of that mysterious string of horses which H. H. Helman brought up from California. The word mysterious is used advisedly, for while some of the stable have Coast records, they have worked so well privately that few bettors would, were the season to begin today, care to go against them on the track. Traveling the circuit Saturday, Myrtha Whips, 2:10¾, paced along in fine shape and evinced a spirit to lower her record. Myrtha has raced three years, has been third twice and has had firsts and seconds in all the other events in which she participated. Ned Thorne, who has been managed by Helman for seven years, moved as if he intended to cut down his record of 2:11¼. That record of Ned's arouses old memories. It was once made by St. Julian, then the American champion, and horsemen of the days gone by may remember the time when the pictures of the famous trotter were passed around as an enticement to the meets at City View. That was many, many years ago, but it is still a memory.

Ned Thorne was not here in the days of St. Julian, for he is now only 7 years old. He is a fine-looking animal, and as he was jogging around the track all he seemed to want in order to get up a spurt was the tap of the bell. No bell was tapped, however, and Ned had to give way on the track to Boodle, another Helman trotter. Boodle has made 2:13½, and from his present appearance it is possible that he will make a cut. Oro Guy is a green trotter, but last year he worked a mile in 2:20 as a 3-year-old. A square-gaited black stallion, a full brother to Chehalis, 2:04¼, is another Helman trotter that is working to the front. When 2 years old the stallion made 2:37 and now in his 4th year he looks as if he is fitted to make a life reputation.

One of the Helman runners is Beloz, who will go through the circuit in the mile and mile and one-half events. Beloz is a 7-year-old, and he works from the touch of the whip. He has shown up in fine form, and great things are expected of him.

Some surprise was expressed when Tom Condon announced last Wednesday that he would not race Lonesome for the 2-year-old stakes. Lonesome has shown a good gait, and the horsemen generally have been anxious to get a line about him. They must be disappointed, however, for Mr. Condon declares that Lonesome shall not go on the track until he has reached his 3d year. In the place of Lonesome, Maymont will furnish some excitement in the Condon string. This horse, which is now training at Vancouver, is showing wonderful speed. She has shown better than a 2:30 gait, and she is expected to win all the 3-year-old stakes in the Northwest. If she fails to win the stakes there will be a lot of disappointed horsemen, for in the jogs she has shown fine trotting qualities and no unsteadiness. Maymont was once wanted by A. T. Van de Vanter, Washington's great horseman, who offered $500 for her when she was six months old. Condon declined the offer, and he thinks he showed good judgment, for on track trials the horse has shown indications of 2:20 speed.

Frank Frazier, who drove Chehalis to his record, and George Peringer, owner of Mount Hood, were down from Pendleton last week and spoke encouragingly of the racing outlook throughout the Northwest. Both Frazier and Peringer will enter strings at the Spring meet. Among the former's entries will be Hassalo, pacer, 2:15. Peringer will be represented by Mount Hood and possibly by several others.

Irvington track will, in the course of a week or so, be in fine condition, and the managers, Messrs. Helman and Simpson, have tendered the free use of it to the members of the Portland Hunt Club for the exercise of their horses. Hours will be arranged so as not to interfere with the daily trials, and the club, during its time on the track, may have races of its own.

The whole Jones family, composing John Pende's stable, was moved off to Salem last week. The stable, consisting of Captain Jones, by McKinney, and Oliver, Bessie, and Gypsy Jones and Black Rascal, by Captain Jones, had been at the park for a week or two and had shown up well on the track. Lady Jones, the eldest sired by the Captain, won the 3-year-old stakes at Salem last year. All the others are 2-year-olds, and all are promising.

Two 4-year-old trotters by Chehalis and one 3-year-old by Meteor are the property of W. H. Bradford, of La Grande, and he expects a great deal from them. An addition to Bradford's stable is D. M. Watson's green trotter, The Bryan. The Bryan has shown a 2:10 clip, and a good future is predicted for him.

The Honeyman boys and Walter Allison are getting their horses in shape for the Spring meet. The favorite, Bill Frazier, 2:14, is one of the stable, and Monkey, a green trotter, and Esther, a green pacer, are the others. Mr. Allison is jogging the horses along the road and expects to have them in good condition for the races.

E. M. O'Brien, of Chicago, has ordered stalls at the track for six horses which he will bring out from Chicago. His stable will consist mostly of runners, and it is understood that some of them are are least good time-killers.

L. Zimmerman's horses are showing up well. MacBrier is in his old-time form, and Admiral Schley is looking up. Admiral Schley was formerly called Commodore Schley. Under his former appellation he made a good record, and when he increased his speed his owner promoted him a grade.

Chris Simpson has all his 57 horses in training, but he has not held any trials and the records of Alta Norte, Phil N., and Bonner N. B. stand without change. A Simpson pacer, Santiam, with a record of 2:24¾, has shown up well, and may make trouble on the tracks.

E. M. Lazarus has a horse in training for the steeplechase events. So far the horse has cleared every barricade without touching a hoof, and will very likely make a record in the Northwest.

Several different stables in Oregon and California have engaged stalls at the track, and fully 200 head of horses will be cared for during the training season.

A week's training has brought August Erickson's stable out in great shape. Alta Cora, a full sister to Chehalis and a handsome pacer, is showing up splendidly. Frietof, a 2-year-old trotter, gives evidence of speed and will make his company keep fast time. Frietof is by McKinney out of Beulah, a full sister of Chehalis.

SYNOPSIS OF GAME LAWS.

Prepared for Sportsmen by Oregon Fish and Game Association.

The following synopsis of the game laws of Oregon has been prepared by the Oregon Fish and Game Association and printed for posting in all parts of the state:

It is unlawful—

To fish for any trout by any means whatever, except with hook and line, or to take, catch or kill, by any means whatever, any Eastern brook trout, Loch Leven trout or grayling before April 1, 1904.

To take, catch or kill, or have in possession, any trout, char or salmon less than five incres in length, or to take, kill or capture more than 125 trout in one day.

To take, catch, kill, or have in possession, any trout except salmon trout during the months of November, December, January, February or March, or to fish for salmon trout in any other than tide waters during said months.

To fish for any trout between one hour after sunset and one hour before sunrise.

To sell, offer for sale, or have in possession for sale or exchange, any species of trout at any time.

The penalty for violation of these provisions is by fine of not less than $30 nor more than $200, or by imprisonment in the County Jail, or both.

It is also unlawful to explode or cause to be exploded any giant powder, dynamite or other explosive, or to place, cast or pass any sawdust, gas lime or other poisonous or deleterious substances in any of the waters of the state. For the first violation of this law, the penalty is by fine of not less than $200 and imprisonment in the County Jail. For a second offense the penalty is a fine of not less than $1000 and imprisonment in the penitentiary.

The Oregon Fish and Game Association gives notice that any person violating any of these provisions will be prosecuted according to law.

DEBARRED FROM HARVARD NINE.

Frantz, First-Baseman, Guilty of Professionalism.

CAMBRIDGE, Mass., April 6.—O. G. Frantz, Harvard, '03, first-baseman on the Harvard baseball team last year, has been declared ineligible for the nine this year by the Harvard athletic committee on grounds of professionalism. Since the Cutts affair in football last year the members of Harvard teams have been asked to consider their records carefully, in order that no such state of affairs should exist again. Frantz wrote to the committee, stating the following facts: In the Summer of 1895 he played on a semi-professional team in Winfield, Kan., near his home. He played three weeks, and received about $36, out of which he paid his own expenses. The Winfield team toured the country, and Frantz spent more than the $36 he had received.

This clears him technically of professionalism, but the Harvard committee has decided to penalize him by debarring him from Harvard athletics for one year. As was done in the case of the other two Summer baseball-players, Story and Murphy, this year will count as one of the four playing years. Frantz is very popular in college, is one of the leaders in Harvard Y. M. C. A. work, and sings in the Harvard Glee Club. The loss of him weakens the Harvard nine very much.

PROSPECTS AT PULLMAN.

Track Athletes Are Rounding Into Form for Spring Meets.

PULLMAN, Wash., April 6.—With the completion of the new gymnasium, and the acquisition of a physical director, the track team of the Washington Agricultural College has a promising season before it. All the old men of last year's team are in college, and are rounding into form. Captain Evans will enter the half mile, and Manager Kreugel the mile run; George Palmerton the 440 and 220-yard dash; Downs, Warren and Cowgill, the 100-yard dash; Eugene Person will handle the weights, assisted in the discus throw by H. L. Goodwin and C. H. Proff. O'Brien will run the hurdles and enter the jumps. C. Wester, formerly of the University of Oregon, will try for the pole-vault. Besides these, a number of new men are showing up well, and will doubtless make good records in the coming meets.

The first meet will be with Whitman College, at Walla Walla, May 10. The second will be with Idaho, at Moscow, May 25, he third with Washington, at Pullman, May 30, and the fourth with the University of Utah, early in June. Never before has the W. A. C. had such bright prospects in athletics.

J. B. EVANS, '02, Captain of Washington Agricultural College Track Team.

W. C. KRUEGEL, '02, Manager of Washington Agricultural College Track Team.

PORTLAND BOY HONORED.

Edward M. Murphy Elected Captain of Idaho Track Team.

Edward M. Murphy, of this city, has been elected captain of the University of Idaho track team for the coming season. Murphy is one of the best-known athletes of the Northwest. Three years ago he was a member of the track team of Stanford University, and has represented the Multnomah Amateur Athletic Club in a number of meets. Last Fall, Murphy competed under the colors of the Spokane Athletic Club, and won many points. He entered the University of Idaho last month, and when college closes will take up his residence in Spokane.

Frank Fields, the champion discus thrower of the University of Washington, has discontinued his studies for the term. Fields is an Indian, and is a model student. He holds the Pacific Coast record for the discus throw.

Friday, May 23, has been suggested as the date for the Multnomah-Oregon field meet.

Signed by Milwaukee.

MILWAUKEE, April 6.—Manager Duffy, of the Milwaukee Western League team, has signed Hanford, of Rockford, Ill., as catcher, and Gatins, of last year's Brooklyn team, to play short.

After dinner take one of Carter's Little Liver Pills and you will be free from sour rising of food from the stomach. Try them and be convinced.

TO START BALL-TOSSING

PRACTICE OF THE BASEBALL MEN BEGINS THIS WEEK.

Several of Vigneux's Players Are Already Roaming on the Diamond—Others Soon to Arrive.

Before the middle of the present week the Portland baseball team will be settling down to hard practice. If the weather conditions are favorable the men will round into good form before May 1. Weed and Muller have started north from California, and are due to arrive today, as are Engel, Joe Mahaffey and Deisel, who left Cincinnati on Thursday. Hupp will leave his home at Center Point, Ia., tonight, and will arrive in Portland Thursday afternoon. Van Buren and Witbeck are expected tomorrow or Wednesday.

Vigneux, Mahaffey and Anderson have been hard at work for several days, putting in a good portion of their time at the baseball park. They are in fairly good condition, but the weather has been too raw for satisfactory work. Baseball enthusiasts all over the city are coming to realize that the season is about to open, and they are eagerly awaiting the arrival of the new players. It is the prevailing opinion among the fans that the Portland team will be a winner.

Manager Vigneux expects to arrange for a number of practice games between now and May 1. The opening game will be with the Monograms, probably next Sunday.

President W. H. Lucas, of the Pacific Northwest Baseball League, is impartially given credit for being a capable and thoroughly honest official, and the sporting public throughout the Northwest has no sympathy with the scurrilous remarks made against him in certain Montana papers. The people of Butte are up in arms because Lucas would not approve of a contract which McCloskey made with Bradley, an outlawed player, and have been saying all sorts of unpleasant things about the league president. In justice to Mr. Lucas, it may be said that he is absolutely non-partisan in his decisions, and that he has the necessary ability to manage the affairs of the league without the advice of the Montana people or any other bluffers.

President W. H. Lucas has received a decision from the National Association of Professional Baseball Leagues, in which Spokane's claim to Pitcher John Bolin is upheld. Grim signed Bolin on January 17, and on January 27 the Texas league was admitted to membership in the National Association. Bolin played with Dallas last year, and the first official act of Dallas was to protest his contract with Spokane, claiming that he was on their reserve list. The National Association decided that it had no right to revoke the Spokane contract, as Texas was not in membership when the contract was made.

The Helena team will arrive at Walla Walla on Wednesday, and will immediately begin practice for the season's work. The Butte players will start for Salt Lake on Thursday.

Manager Dugdale, of the Seattle baseball team, has about completed his preliminary schedule of exhibition games. April 11 and 12 the University of Washington will meet the local professionals on the Seattle grounds. April 18 and 19 the famous Everett Club with Shock and Thornton will play in Seattle, April 26 and 27 Seattle will play in Everett.

The Spokane Amateur Athletic Club is endeavoring to arrange a baseball game with the Stanford University nine, to be played in Spokane on July 4.

BASEBALL AT PULLMAN.

College Nine at Practice Under Coach Lougheed.

PULLMAN, Wash., April 6.—Baseball at the Washington Agricultural College promises to be successful for the ensuing season. Each afternoon an hour is devoted to practice at batting, followed by a practice game. The local grounds are in first-class condition, and from 25 to 40 men turn out each day for practice.

H. E. Lougheed, who played left field and catcher on the Spokane league team last season, is coaching the team, which is fast rounding into form. Every place on the team is being hotly contested for, there being two, and in some cases three and four, men for each position. The infield promises to be exceptionally fast, and the boys are improving at the bat.

The following schedule will be played: Lewiston Normal at Lewiston, April 12; Whitman College, at Pullman, April 18, and at Walla Walla, May 23 and 24; Spokane league, at Pullman, April 19, and at Spokane, April 25 and 26; University of Washington, at Pullman, May 5 and 6; and at Seattle, May 12 and 13; Everett, at Everett, May 16 and 17; University of Idaho, at Pullman, May 31, and at Moscow, June 6.

OREGON TO HAVE NINE.

Baseball Games Will Be Played With College Teams.

UNIVERSITY OF OREGON, April 6.—Baseball is attracting the attentiono of the students. A team has been organized, with Roy Kelley as captain. Heretofore, the student body has been too small to permit the organization of a baseball team, as it would interfere with track team work. Last year a team was put in the field, and it was discovered that the university had some of the best baseball men in the state. Owing to the lateness of the season, the schedule of games was not very extensive, but the 'varsity never lost a game. Most of last season's material is on hand, and with the addition of several new men who developed baseball proclivities in other colleges, Oregon feels assured of having a strong team on the diamond this year. The schedule of games has not been completed, but a game has been assured with Pacific University, at the time of the track meet in Eugene. There will also be games with Oregon Agricultural College and the Portland Academy. The baseball manager of the Washington Agricultural College has offered, if he has a successful season financially, to take the Oregon nine to Pullman for a game late in the season.

ADVERTISED.

Unclaimed Letters Remaining in the Postoffice at Portland, Or.

Free delivery of letters by carriers at the residence of owners may be secured by observing the following rules:

Direct plainly to the street and number of the house.

Head letters with the writer's full address, including street and number, and request answer to be directed accordingly.

Letters to strangers or transient visitors in the city, whose special address may be unknown, should be marked in the left-hand corner, "Transient." This will prevent their being delivered to persons of the same or similar names.

Persons calling for these letters will please state date on which they were advertised, April 7. They will be charged for at the rate of 1 cent each.
