Silver's Dead; So What Will Democracy Do?

PUZZLE FOR PLATFORM-MAKERS

Two Years Ago They Were for Filippino Independence--But Is It Prudent for Them to Say So Now?

What sort of planks will be used in the construction of a Democratic platform, is a problem of supreme importance to the minority party of this state.

The Republican platform favors the initiative and referendum of United States Senators by direct vote of the people.

The Republican platform affirms the principle of protection "in necessary cases of industries still in their infancy or unable to compete with foreign products."

The Republicans declared that the sovereignty of the United States should be maintained in the Philippines, under such local self-government as the people may desire.

The Democrats cannot be citizens without endorsing our civilization; they cannot be subjects without endorsing our form of government.

There is little probability that the convention to be held Thursday will declare in favor of giving up the islands, for Oregon Democrats.

The Democratic platform of two years ago condemned government by injunction, favored an income tax, and demanded government ownership of the telegraph.

Speaking in a more general way, they demanded that the next Legislature should affirm the Chicago platform and the money planks of the Democratic, People's Party and Silver Republican party of 1892.

The Democratic State Convention will meet in the Catholic Foresters' Hall, in the Hibernal building, at 11 o'clock Thursday morning.

George E. Chamberlain, who has been secretary of State and State Treasurer, for which State Senator J. W. Morrow and Frank Durbin seem to have the inside track.

Sam White, of Baker City, chairman of the Democratic State Central Committee, is very busy nowadays at his headquarters in the Chamber of Commerce building.

FOR PYTHIAN CASTLE HALL

Committee Appointed to Arrange for Incorporation.

A mass meeting of the Knights of Pythians of Portland was held last night to discuss the project of building a Pythian Castle hall.

There seemed to be a unanimous feeling among the Knights that they should own their own hall.

Judge William M. Calk, of the Portland Lodge, urged immediate and decided action.

It was finally agreed that an incorporation of the Pythians should be made at 10 o'clock, and members be asked to buy stock.

A motion by E. D. Curtis was carried that the chairman, J. J. Murphy, appoint an incorporation committee of 15 members.

On motion of Judge Calk, it was decided that an investigating committee, consisting of two members from each lodge, be appointed.

It was further suggested that the committee on incorporation postpone its action pending the report of the investigating committee.
