LEAGUE PRESIDENT SHOT HIMSELF

Overworked by Fighting the American Association.

KANSAS CITY, Mo., April 7.—James Whitfield, president of the Western Baseball League, and for many years sporting editor of the Kansas City Star, committed suicide at his home here today. He arose and dressed himself and then, without making any remarks, stepped to the next room and fired a bullet into his right temple. He was dead when members of his family reached him. Mr. Whitfield's suicide is laid to overwork and worry over financial affairs. He had lost heavily on several enterprises in which he was interested.

Mr. Whitfield was born in England 47 years ago. He had lived in St. Louis, Peoria and Pekin, Ill., and was married in Pekin. He came to Kansas City in 1884, and with the exception of a year, when he was proprietor of The Referee, a small weekly, he has been with the Star ever since that time. He was actively engaged in baseball as early as the 80s. He was one of the organizers of the original Western League, and was its first president. Since he decided to head the league that is fighting the American Association, Mr. Whitfield has toiled night and day. Recently the tax on him began to tell, and for the past two weeks he has been under a physician's care.

It is not known here what effect, if any, Mr. Whitfield's death will have upon the Western League. Mr. J. H. Manning and Mr. Nichols, owners of the Kansas City Club, are out of the city.

ST. JOSEPH, Mo., April 7.—Owner W. L. Van Brunt, of the Western League team here, said today that there had been no trouble between the members of the league and President Whitfield. At the last league meeting, when the schedule was made up, Whitfield was not expected to be present, as he was very busy.

Mr. Van Brunt said Vice-President Thomas Burns, of Colorado Springs, would succeed to the presidency of the league for the present, and later the place will be offered to M. H. Saxton, president of the Three I. League.

Races at Oakland.

SAN FRANCISCO, April 7.—The mile handicap at Oakland today resulted in an easy victory for Constellator, who went to the post a heavily played favorite. Waterscratch, who received considerable support, broke down in the race, and is likely to be on the shelf for some time. Caesar Young's Eonic, winner of the fourth race, was entered for $400, and P. Ryan, owner of Obia, bid her up to $1500. She was retained by the stable. Bernota, the favorite, looked like a winner in the last race, but Ransch took things very easy, and allowed Jackson to steal up with Kickumbob, who won in a drive. Jackson rode three winners, while Ransch was first with two mounts. The track was heavy. The results:

BASEBALL LEAGUE FORMED.

Between Teams of Portland, Hillsboro and Oregon City.

OREGON CITY, April 7.—Baseball matters are under consideration in this city, and a stock company has been organized to take charge of a club for the coming season. The following officers have been elected: J. W. Moffatt, president; C. G. Huntley, vice-president; John P. Keating, secretary; H. Leighton Kelly, treasurer; G. C. Bacon, manager; Gilbert L. Hedges, coach; J. E. Hedges, C. A. Miller, W. E. Pratt, board of directors.

Manager Bacon said today that he had intended having a try-out of the material yesterday, but weather prevented. Thirteen men will try for places on the nine. The battery will probably be Graham and Martin. The former was at one time pitcher for Chemawa, and last year played with the McMinnville team. Martin caught for McMinnville last year. E. Califf, who played with Willamette last year, will be a substitute pitcher.

A league has been formed and four teams have entered: Monograms and Upchurch, of Portland; Hillsboro and Oregon City. A series of games has been arranged, the schedule covering every Sunday from May 4 to June 29, inclusive. After July 4 a second series will be arranged. The object in terminating the first series before July 4 was to give the teams an opportunity to schedule games with outsiders on that day. The Monograms will go to Walla Walla on the Fourth, and Manager Bacon is trying to get Everett or Pendleton to come to Oregon City.

New Record for Shooting 200 Yards.

NEW YORK, April 7.—Dr. W. G. Hudson, of the Manhattan Rifle and Revolver Club, has made a new world's record at 200 yards on the American target—100 consecutive shots. In spite of the unfavorable conditions, Dr. Hudson made 900 points out of a possible 1000. The record previous to this was held by Theodore Geisel, of Springfield, Mass.

National Cycling Association.

NEW YORK, April 7.—The National Cycling Association held a meeting in this city today. Among the changes in the by-laws agreed to was one giving the Rocky Mountain and Pacific Coast districts representation through the board of control and members of the Western district. It was also decided to divide the franchises into three classes—permanent, conditional and temporary.

High School Athletics.

As soon as the weather settles the track athletes of the Portland High School will go into active training for the season's work. Manager Eggleton is in communication with a number of schools throughout the Northwest, and a good schedule of field meets will be arranged. Among the institutions which the team will encounter will be the Eugene High School and Pacific University.

New Clubhouse at Brighton Beach.

Al Neill Goes to Hot Springs.

Jack Grant, of the Pastime Club, is in receipt of a letter from boxer Al Neill, in which the latter says that he is going to Hot Springs, Ark., for a couple of months, and that his wife and sister will accompany him. In his recent contest with Rube Ferns Neill broke a thumb, and will be unable to resume fistic operations for some time.

Big Shoot Postponed.

KANSAS CITY, April 7.—The shoot at 100 live birds for the cast-iron medal, scheduled for today between W. R. Crosby, of O'Fallon, Ill., and J. A. R. Elliott, of Kansas City, was postponed on account of the death of President Whitfield, of the Western League.

PATRICK TO DIE MAY 5

SENTENCED BY RECORDER, BUT APPEAL MAY DELAY.

Motion for New Trial Was Denied, as Was Also One for Arrest of Judgment.

NEW YORK, April 7.—Albert T. Patrick, who was convicted on March 26 of the murder of William Marsh Rice, was sentenced today by Recorder Goff to be put to death in the electric chair at Sing Sing prison on May 5. Rice died in this city on September 23, 1900. An appeal to be made to the Court of Appeals by Patrick's counsel will act as a stay of execution, pending a decision by the higher court.

The Recorder, in pronouncing sentence, made no comment on the jury's verdict. To the customary question as to whether the defendant had anything to say why judgment should not be pronounced, Mr. House, Patrick's chief counsel, said he desired to make a motion for a new trial, and gave several reasons for the motion.

The Recorder denied the motion for a new trial. Mr. House took an exception and moved for an arrest of judgment. This was denied, and sentence was then pronounced by the Recorder.

Patrick was taken to Sing Sing in a train which left here at 1:05 P. M. His wife, who was Mrs. Addie M. Francis, was a passenger on the same train.

Ossinning was reached at 4:20 P. M. Before entering the carriage which was to take him to the prison, Patrick kissed his wife and said good-bye. At the prison his beard was shaved off and he was placed in a cell in the death-house. He will not be required to wear the prison uniform while he remains at Sing Sing.

COLORADO BANK ROBBED.

Two Men Arrested and Make a Partial Confession.

PUEBLO, Colo., April 7.—The Bank of Fowler, at Fowler, Colo., 25 miles east of this city, was robbed of $1100 by safeblowers at 2 o'clock this morning. Several charges of nitro-glycerine were exploded to open the safe and the cash box. Citizens were aroused by the explosions and fired several shots at four men who were seen running away, but the robbers succeeded in escaping. News of the robbery was telephoned to neighboring towns. Two men who boarded the Santa Fe train at Nepesta, seven miles west of Fowler, this morning, were arrested as suspects. In their possession were found $88 and several coins. Bloodhounds have been sent to Fowler to trail the robbers.

This evening it was announced that Prisoner Hannahan confessed to the police that himself and Schanton were in the gang which robbed the bank. He declared that he did not know the names of the other men or where they intended to go.

Banker Lipsey today offered a reward of $500 for the arrest of the other robbers. The bank is secured against loss on the money taken, by burglar insurance.

PLANNED THE MURDER.

Admission of Ohio Convict Supplies Necessary Clew.

TOLEDO, O., April 7.—"Ben" Wade, once a member of the notorious Landis gang, just dismissed from the penitentiary and rearrested at the door and brought to this city on a charge of attacking the Sullivan sisters and killing one of them, has admitted, it is said, to Detective Carew and other officials that he planned the murder. Ever since the crime Carew has been working on the suspicion that some member of the Landis gang was guilty, and has made many trips to the penitentiary to secure evidence.

Kate and Johanna Sullivan, spinsters, lived alone beyond West Toledo and two years ago their home was entered by masked robbers, who beat one sister to death. The other escaped and gave the alarm. Their money was stolen and the two robbers escaped. There were other murders that gave evidence of being committed by the same men, also several robberies. Wade's confession furnishes the missing clew sought by the officers.

Boy Steals Diamonds.

CHICAGO, April 7.—In the guise of a messenger boy, made perfect by his clever use of grease paint and hair dye, Ernest R. Erikson, the 13-year-old son of Mrs. Lawrence Erikson, a diamond merchant of Evanston, successfully victimized two down-town jewelry firms, and only for a mistake due to his own carelessness, might have succeeded in one of the most clever confidence games ever brought to the attention of the Chicago police. In all, diamonds valued at $1500 were secured by the youth, who, after intrusting them with friends, all of whom were ignorant of his deception, boldly returned to his home and assumed his natural character as that of clerk in his mother's store.

Detectives were already at the store trying to solve the mystery surrounding the disappearance of the diamonds, and traces of grease paint and dye on the boy's face and hair aroused suspicions which led to young Erikson's arrest and the discovery that for three days he had successfully played two roles. Erikson at first denied the accusations against him, but finally confessed and assisted the police in recovering all the stolen gems.

Hamstrung a Negro.

FLORENCE, Colo., April 7.—Simon Simpson, a negro, was killed as the result of yesterday's tragedy at Tuscumbia. Simpson went into a butchershop and began cursing all men who had participated in the killing, when he was ordered out by a white man named Walker. The negro refused to go and advanced on Walker, whom he struck over the head with a heavy board, whereupon Walker seized a butcher-knife and hamstrung the negro in each leg and cut off the thumb of his right hand. The negro bled to death. Walker gave himself up to the authorities.

Woman Charged With Murder.

BUTTE, Mont., April 7.—A special to the Miner from Kalispell says that Nettie Russell, who is more familiarly known as "Sensational Nett," has been placed under arrest for the alleged murder of William Hawkes, a prominent young farmer of Kalispell. The two were in a row at a dance hall, and during the fracas the woman hit Hawkes over the head with a cuspidor and fractured his skull. Hawkes' dead body was found in a livery stable near the dance hall yesterday morning.

Boy Cut Watchman's Throat.

SALT LAKE, April 7.—Clyde Felt, the 15-year-old boy who confessed to the police that he cut the throat of Samuel Collins, the aged watchman of the Wasatka Mineral Springs, was today charged with murder in the second degree. A formal complaint was filed against the boy by County Attorney Christensen. No date for preliminary hearing has yet been set.

Two More Dead, Two Will Die.

TUSCUMBIA, Ala., April 7.—Two more men died today as the result of the shooting of the negro, Will Randle, yesterday while resisting arrest. WINNIPEG, Man., April 7.—Kauffman, the alleged murdered of Policeman Robinson, of San Francisco, passed through Winnipeg this morning, from Port Williams, where he was arrested a few days ago. He will arrive at Vancouver Thursday. Kauffman has weakened, and will return without extradition proceedings.

Failed to Appear on Bribery Charge.

ST. LOUIS, April 7.—Charles Kratz, another one of the men indicted for bribery in connection with alleged corruption in the municipal assembly, and who was cited to appear in court this forenoon for trial failed to respond. His bondsmen were notified to appear in court tomorrow, and the case was laid over until that time.

Negroes Not Run Out of Lawton.

LAWTON, O. T., April 7.—The story of negroes being run out of Lawton is a canard. Several small typewritten slips ordering the colored people to leave Lawton were posted about town, but no one took the threats seriously. There is no excitement here today.

CONDEMNED TO BE ELECTROCUTED MAY 5TH.

LAWYER ALBERT T. PATRICK.

BETTER THAN RHODES.

His Methods Contrasted With Those of Booker Washington.

NEW YORK, April 7.—In his address before the Society for Ethical Culture at Carnegie Hall, Felix Adler contrasted the methods and life work of Cecil Rhodes and Booker T. Washington, and argued that Mr. Washington is the better entitled to rank as a benefactor of humanity.

"From our point of view," said he, "I am sure that while the Americans see the brilliant side of the proposed union, they will be quick to see the practical objections and ask if the flower of our youth should spend three years of their lives at Oxford—not the most progressive, by the way, by far, of the world's colleges. In these years public sentiment will say they should become rooted to their own soil and fit themselves for the conditions that exist here and the ideals handed down by their fathers.

"Mr. Washington," concluded Dr. Adler, "contrasted with Cecil Rhodes, seems of very small stature, but he is much magnified when we think of his life work, the real benefits he has conferred and his influence on the moral character of his race. He has taught them no dream of conquest; no theory of perfect equality with the whites. He found the two chief faults of his race to be a desire for social equality and industry. He has given up none of their rights, nor has he taught them to forego these rights. He has taught them that recognition would come if they deserved it, and has shown them how to deserve it."

RHODES AND STEAD.

Absence of Latter From Dead Man's Executors Not Significant.

LONDON, April 7.—The fact that W. T. Stead's name was not among the executors of Rhodes' will has given rise to some comment, for it was generally understood that it was shown that he was closely associated with those named to carry out Mr. Rhodes' aspirations. In order to dispel any misapprehensions, B. A. Hawksley, who was counsel for Mr. Rhodes, declared in an open letter that the removal of Mr. Stead's name was not in any way due to differences on the subject of the South African War, but arose from other causes, quite appreciated by Mr. Stead, and which did honor alike to both men.

"In the far back days," writes Mr. Hawksley, "when Mr. Stead expounded the common interests of the English-speaking peoples, his acquaintance was sought by Mr. Rhodes; the acquaintanceship ripened into close intimacy and continued to the last. Mr. Rhodes recognized in Mr. Stead one who thought as he did and who had the marvelous gift of enabling him to clothe with literary charm the ideas they both held dear. As Mr. Rhodes frequently told me and others, including Mr. Stead himself, the friendship of the two men was too strong to be broken by passing difference about the South African War."

Business District Half Destroyed.

CHESTERTON, Ind., April 7.—A fire which broke out at 10 o'clock Sunday night and was not under control until 2 o'clock this morning, destroyed half of the business district of Chesterton and for a time threatened the destruction of the entire town. South Bend and Laport were telegraphed to for help, and an engine and one fire company were brought here on a special train from Laporte, but the fire was under control before they arrived. The entire male population of the town turned out to fight the flames.

Among the buildings destroyed were the Postoffice and one hotel. The loss, is estimated at between $50,000 and $100,000.

American Resort Like Monaco.

NEW YORK, April 7.—It is said to be the intention of the Irvington Casino Company, just incorporated, with a capital of $200,000, to develop a tract of 40 acres of land in Westchester County, and to maintain a Summer resort which will rival in its appointments that of Monaco. It is the purpose of the promoters whose names are at present withheld, to build, first of all, a casino, where New Yorkers may find absolute rest from business cares.

Baseball Game Postponed.

HILLSBORO, April 7.—The game of baseball scheduled here yesterday between the Diamond Wa., of this city, and the Ramblers, of Portland, was postponed on account of bad weather. This was to have been the first of a series of practice games before the State League opens, May 4. The Hillsboro nine is one of the strongest amateur teams in the state, and a hard fight will be made for the championship of the league.

Marvin Hart Beats Dick O'Brien.

LOUISVILLE, April 7.—Marvin Hart, of Louisville, knocked out Dick O'Brien, of Lewiston, Me., in the third round tonight at Music Hall.

EASTERN CITY ELECTIONS

TOM JOHNSON'S TOWN GOES HEAVILY DEMOCRATIC.

Other Ohio Cities Republican—Many Women Registered—Helena Republican, Butte Democratic.

CLEVELAND, O., April 7.—A cold rain fell in this city throughout the early morning hours today, causing a light vote to be cast in most of the precincts. A feature of the contest was the woman voters, more than 15,000 of whom registered. Aside from the interest manifested in the school directorship, the main fight hinged on the election of Councilmen, Mayor Johnson having made a strong fight against candidates not in sympathy with the 3-cent-street-car-fare movement. The following Democrats were elected in this city today:

Starr Cadwallader, School Director, defeated H. F. Sargent by 3000 plurality; H. D. Coffinberry, City Treasurer, defeated W. F. Hoppensack, Republican, by a like plurality; three members of the School Council; J. L. Reilly, Justice of the Peace; six out of 11 new Councilmen.

The new City Council will be composed of 12 Democrats and 10 Republicans. Mr. Coffinberry was temporarily appointed to the office of City Treasurer, upon the recent death of George P. Kurtz. Mayor Tom Johnson took an active part in the campaign.

Small Vote—Big Republican Gains.

CINCINNATI, April 7.—In today's election, W. H. Jackson, Democrat, who has served on the Superior bench for the past five years, was defeated for re-election by Probate Judge Howard Ferris by over 16,000 on a total vote of 42,000, which is only about half of the total vote registered last November. While the vote cast in Cincinnati is one of the smallest on record in recent years, the Republican plurality is the largest.

Ferris received 28,231, Jackson 11,591 and the Socialist ticket less than 2000.

Estimates on returns throughout Ohio indicate a considerable average of Republican gains.

Republicans Hold Columbus.

COLUMBUS, O., April 7.—The municipal election in Columbus resulted in the re-election of Edward C. Fraas, Republican, for Clerk of Police Court, and L. D. Andrews, Republican, for Justice of the Police, by 600 and 400 majority, respectively. The Republicans also retain control of the Council, electing 11 out of the 19 members.

Reversal in Toledo, O.

TOLEDO, O., April 7.—The Republicans have elected their city ticket, headed by Frank Van Loo for Street Commissioner, by an average majority of 1100. They also have 10 majority in the Board of Councilmen and a two-thirds majority in the Board of Aldermen. This is a complete political reversal.

Republicans Win at Helena.

HELENA, Mont., April 7.—In the city election today the Republicans elected their entire ticket, with the exception of two Aldermen, by majorities ranging from 150 to 300. F. J. Edwards was re-elected Mayor; E. S. Walker, Police Judge, and T. B. Kirkendall, City Treasurer. The contest was on local issues.

Butte Goes Democratic.

BUTTE, Mont., April 7.—In the municipal election held in this city today the Democrats carried six out of the eight wards. The Republicans and Labor party each carried one. In Anaconda the Democrats carried five out of the six wards.

Election in Dakota.

ST. PAUL, April 7.—Most of the towns and cities of North Dakota held municipal elections today. The most notable result was in the Mayoralty contest at Fargo, where Mayor J. A. Johnson, Republican, who is serving his fourth term, was defeated by W. D. Sweet, who ran as the business men's candidate. Mayor Johnson's defeat is attributed to division in the party ranks. Mayor Johnson is well known throughout the country, having been president of the American League of Municipalities.

Victory for Organized Labor.

HARTFORD, Conn., April 7.—Organized labor won a victory in Hartford today. Following the example of Bridgeport and Ansonia they have elected a Mayor of the city. They captured the Democratic nominations and their man, Ignatius A. Sullivan, clerk in a clothing store, received practically the solid vote of the trades unions. Major D. M. Dwight was the Republican nominee. The Republicans elected a majority of the Common Council.

Citizens and Democrats.

DUBUQUE, Ia., April 7.—Mayor Berg was today re-elected by over 3000 majority, running on the citizens' ticket. The remainder of the citizens' ticket also went through, except the office of Treasurer, which was carried by the Democrats. The citizens gained two Aldermen and will control the Council.

Elections in Michigan.

DETROIT, April 7.—Excepting Grand Rapids little interest was manifested in the city and township elections held throughout Michigan today, and none but local issues entered into the contests. The weather was cold and raw, and in the western part of the state snow fell. In Grand Rapids, where the water supply scandal has figured as one of the prominent issues of the campaign, the Republicans gained a sweeping victory, electing their entire city ticket, headed by W. Millard Palmer for Mayor, who was named last Saturday, after the death of Arthur R. Rood, their regular nominee.

Strong Man Lost Fight.

CHICAGO, April 7. — Kid Carter, of Brooklyn, was given an apparently undeserved decision over Al Weinig, of Buffalo, at the end of a six-round contest here tonight. At the final gong Carter was covered with blood and seemed barely able to stand up, so weak had he become from the severe drubbing. Weinig came through the fight practically without a scratch, and when he heard the referee decide against him he became frantic, but his appeal for a reversal of the decision went unheeded.

Fighting Missionary Was Outclassed

SALT LAKE, April 7.—Jimmy Flynn, of Colorado, received the decision over Willard Bean, the "fighting missionary," of Provo, Utah, at the end of a 20-round contest at the Salt Lake Athletic Club tonight. The fight was very fast throughout, but it was evident after the third round that Bean was outclassed, and only his clever ducking saved him from a knock-out.

Sargent, but the latter does not expect to take hold for more than a month and the Commissioner's resignation is expected not to be accepted by the President before that time.

Sensation in Vienna.

VIENNA, April 7.—Some sensation has been caused here by a prediction published in the Neue Frei Presse that Austrian troops will be employed to restore order in the District of Nobzar, in European Turkey. Such a connection, it is held, would be a step toward the partition of Turkey.

The Diagnosis Made Easy by the Famous Symptom Questions; the Cure Made Certain by the Wonderful Medication Which Reaches Every Part Subject to Catarrh.

THE TREATMENT THAT CURES

Dr. Copeland's treatment, that has lifted the darkness and blight of the word "incurable" from hundreds of thousands of cases of Catarrh of the Head, Throat, Ear Tubes, Bronchial Tubes and Lungs, works as curative action for two reasons:

(1) It reaches every diseased spot from the orifice of the nose to the deepest part of the lungs and the innermost recesses of the middle ear.

(2) Instead of irritating, inflaming and feeding the fires of the disease, it soothes, quiets, heals and cures.

AVOID CURE-ALLS.

In Catarrh, as in other maladies, avoid blind doctoring by patent cure-alls. Get individual treatment for your individual ailment at the Copeland Institute.

THE PROPER COURSE FOR SUFFERERS

The proper course for sufferers is this: Read these symptoms carefully over, mark those that apply to your case and bring this with you to the Copeland office. If you live away from the city, send by mail and ask for information of the new home treatment.
