REPUBLICAN NOMINEES FOR REPRESENTATIVES CLATSOP COUNTY.

August Scherneckau.

Clark W. Carnahan.

ASTORIA, April 6.-August Scherneckan, Republican nominee for Representa tive from Clatsop County, is one of Astoria's most prominent German-American citizens. He was born at Rensburg, Germany, in 1887, and came to this coun-try when 20 years of age, locating in Iowa. Later, he moved to Nebraska, where he enlisted in the First Nebraska Volunteer Infantry, serving through the Civil War, and later in the wars with the Indians in the state which he had chosen for his home. In 1800 he came to Oregon and settled in Wasso County, where he became prominently identified with the commercial development of that portion of the state, establishing the town of Shaniko, which was named after him. Mr. Scherneckau moved to Astoria 13 years ago, and while not actively engaged in business, he has been associated with other citizens in the establishment of several local industries, and takes a keen interest in every public enterprise. Though not a politician, Mr. Scherneckau has always been a Republican. He served the public two terms as a member of the City Council, where he gained a well-deserved reputation for honesty and integrity, being elected the second time without opposition.

Clark W. Carnahan, also a Republican candidate for State Repres is a native son, having been born on Clatsop Plains 45 years ago. In 1806, he was elected County Assessor, and has served in that position during three succes-sive terms, being elected by increased majorities at each succeeding election. Mg. Carnahan was one of the founders of the Astoria Progressive Commercial Association, and is at present its president. For several years he was chairman of the road and agricultural committee of that association, and in that capacity was largely instrumental in starting the movement for the construction of the road now building to the Nehalem Valley and the fostering of the dairy interests by the establishment of a creamery in this city. Mr. Carnahan has been an ardent worker in the interests of the Republican party all his life.
