Pench Trees Injured. THE DALLES, Or., April 9 .- Owing to he hard freeze in January and again in February, considerable anxiety has been expressed concerning the probable loss of the season's peach crop, and the damage to fruit in general. Trees are now beginning to bloom in sheltered localities, showing that less damage than was feared has been done. Peach trees whose buds were regarded as dead are commencing to blossom, the frost having only thinned the buds rather than de-stroyed the crop. Unless some further damage occurs, the yield will be average. Cherries and apricots are also coming into bloom. Fruitraisers throughout this section report a good outlook for the

GOSSIP OF THE DEMOCRATS. What They Have to Say and Who

Are the Candidates. Frank W. Durbin, the Democratic Sheriff of Marion County, and dele-gate to the state convention, wants it distinctly understood that he is not a candidate for the nomination for State Treasurer, nor for any other office. He says his Democratic friends, assisted by some 300 of his Republican friends, have twice elected him Sheriff of Marion County, and he feels that he ought not permit his name to be used with any other office at this time. He says he is going out of office in July, and will not ask a continuance of political received in the past. bin's conclusion has been influenced by

Judge T. L. Davidson, of Marion County was talked of as a possible candidate for State Treasurer, but the illness of his wife necessitated his going to California, and his friends thought best not to ask

Determined to find fault with everything that comes from Republican hands, the Democrats yesterday expressed their disapproval of the clear, cold, sparkling water that is supplied by a Republican water commission from the key springs of Bull Run. They didn't say anything that might cause offense to their Republican brethren, but at every opportunity they expressed silent contempt by drinking something else. It is rumored that the platform may contain a plank advocating subsidies for the growers of rye.
