HAMS GOES UP IN PRICE.

Advance of 1/2 to 1/2 Cents a Pound Is Announced.

Hams are up. The advance announced yesterday was 1/2 and 1/2 cents per pound. Picnics and shoulders are 1/2 cent higher. Local packers feel good. Prices of Eastern product have been low for some time, and they have had to meet them.

Large hams, those over 18 pounds, are r the first time in months. Slowly I began to gain in strength and manager for Armour & Co., prices of large hams, to the pound, are higher than for small sizes. Large hams are scarce, owing to the shortage in supply of large hogs in the East. The small size of hogs is due partly to the fact that scarcity of corn caused farmers in the Middle West to sell their large animals, Eastern values have been going up for nearly two weeks, and the local advance yesof

terday was to meet the higher level (Eastern prices. Lard is unchanged. Bus

DEMOCRATIC CAUCUS TONIGHT. Nominations on the Proposed Fusion

Ticket to Be Made.

The delegates to the Democratic county and city convention will meet in caucus not mentioned, nor were the names of any other candidates, according to a member at the Eagles' Hall tonight, and will probably select nominees for all county and of the fusion committee. McNamee's friends say they will make a fight in the city offices. From present indications, the candidates for some of the offices over which a conflict has been waged by the caucus just the same, and they hope to

against him. Judge O'Day's claim to the City Attorneyship is considered entirely valid by ocrats, and no Simon men, other than S. C. Spencer and "Pike" Davis, have any complaint to make against it. ocrats are willing to throw the nomina-tion of T. B. McDevitt, Jr., as a sop to the Simonites. McDevitt has the sup-port of young Simon Republicans, who are urging his claims for the nomination. He is making no canvass himself, but his friends say he is not out of the race. It is reported that proposals were made to McDeviii that he let the Judgeship alone, and that he be content with a deputyship under a Simon County Treasurer if the Treasurer be elected. It is also re-
