SMALL BLAZE—A defective fuse caused a fire blaze yesterday morning shortly after 10 o'clock, on the roof of a frame house, on First street, near Davis. The alarm came from box 14.

RUSA LOTTERY IN A TBA FORM.—The proprietor of the Chinese lottery game at 305 Alder street, one door from the corner of Fifth, would do well to renew the labels on the caddies and boxes displayed in his window if he desires the place to maintain the appearance of a tea office and furnish an excuse for the visits of the large number of "white persons" who visit his noisy resort. Friends who chanced to meet in front of the place yesterday morning, and halted to chat a few minutes, and incidentally to take a sun bath and listen to the church bells chiming up the street, and the carolling of a robin on the top of an electric light pole near by, who was singing a faint, nesting note on some cornice not far away, noticed several respectable appearing young men coming out of the house. Soon after three other young men came up the street, and as they were passing one of the doors, one of them, presumably a steerer, said: "This way, gentlemen," and they all passed into the "tea office" and disappeared through a partition into a room in the rear. One of the two friends remarked to the other that it was strange that so many persons should be purchasing tea on Sunday morning, and he thought that he would go there to see what was going on. Just then another young man, having the appearance of an opium fiend, came along and was asked if he had any tea, when he was asked if he had any tea, when he was asked if he had any tea...

ARRANGEMENTS FOR THE DEDICATION OF THE ODD FELLOWS HOME, near Kenilworth, next Saturday morning, followed by a celebration in the evening of the 83d anniversary of the institution of the Odd Fellows' order, have been completed. The Home will be dedicated at 10:30 in the morning, and if the weather is favorable, there will be a large gathering of Odd Fellows and members of the Rebekah Lodge from Portland and outside towns. Grand Master Nelson, assisted by Grand Patriarch T. P. Ryan, and Neil L. Quinlan, president of the Rebekah Assembly, will officiate at the dedication. A grand marshal will be appointed. Arrangements have been completed for 100 buttons, each a picture of the Home and the words "I. O. O. F. Home, Portland; dedicated April 21."

PLEASANT AT PARRAGE OF CHATER LAKE. Will G. Steel, who is the father of the Crater Lake National Park bill, was greatly pleased with the passage of the measure by the House. Speaking of the bill, he said yesterday: "Repeated attempts have been made to get the Crater Lake National Park bill before the House. Its advocates had every assurance that it would be next, with approval by both the House and Senate, but the excessive number of National Park bills for old battle-grounds and various places of note had caused Speaker Henderson to take the stand of refusing to recognize all bills of this kind. It is but a short walk to the Home grounds."
