Ayer's Sarsaparilla

Good building material—Stone and mortar. Day by day the building grows, becoming higher, broader, more solid.

The best building material—Ayer's Sarsaparilla. Day by day it makes thin and pale children

take on renewed strength, until soon they become stout and robust. All puny and languid children need this great builder of pure and rich blood.

Feel perfectly free to consult your family physician on all these subjects. He knows the formula for our Sarsaparilla.

"All through the raising of my family I found that Ayer's Sarsaparilla was the best medicine we could keep in the house. My now past 74 years of age, and I know from experience that Ayer's Sarsaparilla is the best family medicine in the world." T. S. ARMSTRONG, Kokomo, Ind.
