Northwest League Season Opens Today.

PORTLAND OFF FOR TACOMA

These Vignaux Men Will Play First Game—Engel Will Pitch and Weed Will Play Third—Other League Games.

Northwest League Games Today.

The Portland baseball team left for Tacoma on the North Coast Limited yesterday afternoon, and will open the season with the team from the City of Destiny this afternoon. The situation looks exceptionally bright from a Portland point of view, considering the fact that seven of last year's men, all tried and true, are in the lineup.

Of the new men, Pitcher George Witbeck is among the most promising, and experts say that he will rank high when the season's results have been tabulated. Joe Mahaffey, another good pitcher, but has been suffering with a very lame arm, and has not played his hand in any of the practice games.

The whole team works as a unit, and Portland's fans and old-time cranks predict good results. George Engel will pitch in the opening game with Tacoma. Jack Marshall, treasurer of the Portland baseball club, accompanied the team, and a number of friends gathered at the station to wish the boys success in their first game.

After playing the opening series with Tacoma, the Portland nine will go to Spokane, where they will look horns with Grim's aggregation. They will return on May 12, and open the season at Portland with Helena on May 13. A week later, "Honest John" McCloskey and his giants from Butte will encounter Vignaux's men on the local field.

WHY GLENDON JUMPED.

The Cincinnati Enquirer of April 22 has the following to say of one Martin Glendon, the well-known baseball pitcher: "Martin Glendon, who has been fighting with the San Francisco club, in the California League, for over a week, bolted the Red camp without a word of farewell and started for the Pacific Coast. It is believed that he was lured by the San Francisco club, which has been offering him a contract to play for them in the California League."

AMATEUR LEAGUE SCHEDULE.

Oregon City, Hillsboro, Monograms and Upechurk to Compete. The Oregon State League, consisting of Oregon City, Hillsboro, the Monograms and the Upechurk nine, has arranged a schedule of games that will begin on May 4, and continue until June 22. After that date, another schedule will be arranged. The present schedule is as follows:

May 4—Hillsboro vs. Upechurk, at Portland; Monograms vs. Oregon City at Oregon City. May 11—Monograms vs. Oregon City at Portland; Upechurk vs. Hillsboro at Hillsboro. May 18—Monograms vs. Hillsboro at Hillsboro; Upechurk vs. Oregon City at Oregon City. May 25—Monograms vs. Oregon City at Oregon City; Upechurk vs. Hillsboro at Hillsboro. June 1—Monograms vs. Hillsboro at Hillsboro; Upechurk vs. Oregon City at Oregon City. June 8—Upechurk vs. Hillsboro at Hillsboro; Monograms vs. Oregon City at Oregon City. June 15—Upechurk vs. Monograms at Portland; Hillsboro vs. Oregon City at Oregon City. June 22—Upechurk vs. Hillsboro at Hillsboro; Monograms vs. Hillsboro at Hillsboro. June 29—Upechurk vs. Hillsboro at Portland; Monograms vs. Oregon City at Oregon City.

South Portland Wins.

VANCOUVER, Wash., April 28.—An exciting game of baseball was played at Vancouver yesterday between the South Portland nine and the St. James College nine of Vancouver. The South Portland boys found Pitcher Miller easily and batted him hard, the score being 11 to 5, in favor of South Portland. The field and stick work of Johnson, Dornier, Toley and Zanello were the features.

Ball Playing Rules Will Be Enforced to Letter in Northwest League This Season.

SPOKANE, April 28.—President W. H. Lucas, of the Pacific Northwest Baseball League made public a letter to all league players today. In part he says: "It is true ball players are not perfect. They are liable to err. They sometimes think the umpire's decision is unfair and they immediately make an unnecessary howl, occasionally mixing in some profanity. A ball player should curb his temper. Umpires have been instructed to enforce the playing rules to the letter. They have power to order any player to do or omit to do any action they may deem necessary to give force to the laws of the game. Players ought to realize that the umpire's decision of judgment cannot be reversed, and all kick-

DEWEY PRIZE-MONEY CASE

Supreme Court Advances It With Several Others of the Same Class.

WASHINGTON, April 28.—The United States Supreme Court today, on motion of Solicitor-General Richards, advanced the hearing of a number of cases, involving the prize money earned in connection with the battle of Manila, and the battle of Santiago, setting them for the second Monday of the next term. The cases are those of the United States vs. Admiral Dewey, Captain Sioval vs. Admiral Dewey, and Admiral Dewey vs. the Don Juan de Austria, Isle de Cuba, Isle de Luzon, etc., and Edwin F. Sioval. All the cases are in the United States Supreme Court on appeal from decisions made from the Supreme Court of the District of Columbia. The aggregate amount involved is between \$50,000 and \$2,000,000, and those directly interested in the matter are the United States and the families of the officers.

DEWEY PRIZE-MONEY CASE

WASHINGTON, April 28.—The Naval program for 1920, as presented in the Naval appropriation bill and the report filed today by Chairman Foss, of the House Naval committee, is one of unusual interest. The report does not take as optimistic a view of our naval progress as is generally held, and Mr. Foss points out that comparatively few of our ships have any real fighting value. He accompanies this with a statement of the enormous naval armament and programs of other countries, particularly Germany. It is shown by the report that the total number of vessels of our Navy, built and building, is 138, and the total cost will be \$230,000,000. The report continues: "While we have built and are building, all told, 133 ships, yet comparatively few of them have any real fighting value. Our Naval progress lies almost entirely in our battle-ships, eight armored cruisers and 21 protected cruisers. The rest of our ships would cut but little figure in actual war. Ships of the battle line practically alone contain the Naval strength of the Nation."

PAIN'S CELERY COMPOUND

Is the Only Medicine That Can Promptly and Permanently Banish All Wasting and Dangerous Diseases.

It Restores Lost Health When Physicians Pronounce Your Case Incurable.

If, in Springtime, sick people—young and old—act with promptness, wisdom and decision, suffering, agony, and misery would never be carried into the Summer months.

To delay the work of banishing disease, regulating the nerves, purifying the blood and restoring perfect digestion is a serious mistake. When the blood is sluggish, impure and poisoned, when the nervous system is unbalanced, when the digestion is deranged and the appetite poor and variable, be assured your condition is critical, and calls for instant attention before the Summer months bring additional dangers.

At this time the use of Paine's Celery Compound will do a marvelous work for every run down, sick and disordered man and woman.

Its life-giving work first commences with the blood, which is made clean and pure; then the nerves are quickly set in order, digestive vigor is fully restored, the appetite is made natural, sleep is refreshing, and the desponding heart is made light and joyous.

It is well to bear in mind that Paine's Celery Compound owes its origin to the most distinguished physician that this American continent ever produced, and his marvelous prescription is publicly informed by our best and ablest physicians.

If all sufferers who have been disappointed in the past will promptly start with Paine's Celery Compound, they will be astonished and delighted with the speed with which this wonderful remedy is able to call a halt to wasting and dangerous diseases. It is now making tens of thousands well and strong, and fitting them to enjoy the Summer months, which, to the weak and strong, are pleasurable and happy.

Officer Wayland and Killed. NEW YORK, April 28.—Constable Charles Engelbrecht has been shot to death in a lonely stretch of the Secaucus Road, near Snake Hill, N. J. The police are searching for a bartender whom they suspect of the murder.

Engelbrecht was a constable of the township of Secaucus. Accompanied by Constables Doyle and Helfrich, he planned a raid on an alleged disorderly house on the Secaucus Road. Engelbrecht and his assistants reached the place shortly before midnight. They found nothing of an incriminating nature, and departed. They started down the road and had reached a corner street when the man had emptied his pistol and then sprang toward him. He evaded them and darted into the bushes by the side of the road. They searched in vain, and then hurried to Secaucus, where an alarm spread and a posse set forth to hunt for the murderer. Engelbrecht's father was murdered by robbers five years ago.

Balfour Blamed for It. NEW YORK, April 28.—The Government business in Parliament is in a bad way, says a London dispatch to the Tribune. Several measures of the utmost importance are comprised in the legislative programme, but Arthur Balfour, the government leader, has been so intent on devising a scheme to get his bill through without trouble that he has almost sacrificed the end to the means. All-night sittings and a vigorous application of the closure rules have been the result.

ST. LOUIS, April 28.—In the Circuit Court this afternoon, Judge Ferris granted a temporary injunction to restrain the officers of
